

NEGRO CONFESSES TO BADIN ROBBERY

Manuel Scott Picked Up In Winston-Salem Admits The Shooting of Conductor

Winston-Salem, Nov. 19.—Manuel Scott, colored, who confessed that he shot Conductor R. A. Shiplett, of Badin, at the home of a negro near Badin Wednesday afternoon, was arrested here late last night at the home of a colored woman in East Winston and he was taken back to Badin this afternoon for trial.

ELECTION BOARD CONTINUES WORK

nes from Sylva and warned level leaders of both parties to adjourn the board until there could be a conference with Governor Bickett and which prevented another meeting until conservatives of both parties has appealed to a silent and even withdrew themselves from the court room.

Challenges made to individual votes because of non-residence or non-payment of poll tax were decided today on the bare statement of some individuals present and with a simplicity of procedure which would have amazed Buscombe election officials. These votes, if rejected, were deducted from the total of candidates as some judge or registrar declared how the challenged votes were cast.

ATTORNEY GENERAL CALLED TO ASHEVILLE BY GOVERNOR

Charlotte, Nov. 19.—Attorney General James S. Manning in Charlotte, today received a long distance telephone call from Governor Bickett of Raleigh, advising him that because of a threatened riot over the election returns of Jackson county, the board of canvassers had been forced to leave the county and to go to Asheville where the work of counting will be done.

Attorney General Manning in receipt of the telegram from J. J. Mason, chairman of Jackson county board, asking his advice as to the procedure in cases of illegal voting, sent Chairman Mason the following telegram from Charlotte:

"The canvassing board has the undoubted power in the exercise of their judgment and, upon petition, to inquire in order to make their canvass of the result of the election, and to judicially determine the result thereof; to inquire whether persons disqualified to vote did vote and how many. For this purpose your board has the power to send for persons and papers. Your determination and your decision is prima facie correct, but subject to review by the courts in quo warrants proceedings to determine the title to offices."

"JAPAN AS I SAW IT" MR. D. W. SIMS' SUBJECT

"Japan as I saw it" will be the subject of an address by Mr. D. W. Sims, superintendent of the North Carolina Sunday School Association tomorrow morning before the Vanguard Class of the First Presbyterian church. Mr. Sims will illustrate his address with a series of very interesting curiosities brought by him from his recent visit to the far east in the interest of Sunday school work.

Mr. Sims has recently come to North Carolina from Georgia where he was engaged in work similar to that undertaken in this State. Last year he was a member of a party of thirty-two Americans who attended the World Sunday school conference in Tokio, and after the convention continued his trip through Japan and Corea. All other Bible classes in the city are cordially invited to hear Mr. Sims.

ITALIAN WOMEN GAIN THE RIGHT TO VOTE

London, Nov. 19.—The Italian chamber of deputies by a vote of 240 to 10 has granted women the suffrage, says a dispatch to the Exchange Telegraph Company from Rome.

WHY NOT RELIEVE THAT COLD NOW?

Dr. Bell's Pine-Tar-Honey is noted for its effectiveness

YOU'LL find the small cost of a generous bottle of Dr. Bell's Pine-Tar-Honey a sum well spent when you learn how promptly and efficiently and comfortably it helps relieve that lingering or new cold or cough.

Its balsamic and healing antiseptic are unsurpassed in promoting ease from distressed bronchial tubes, helping to loosen phlegm, congestion, and allaying inflammation. Children, too, like its pleasantness. Thousands everywhere use it the minute they feel a cold coming on. Get a bottle as your druggist's to-day to a safeguard against sudden colds. 50c, 60c, \$1.20.

ORPHANS' CONCERT HAS RECORD CROWD

Children From Oxford Orphanage Delight Audience That Fills Auditorium

Playing to the largest crowd that has ever greeted them on any of their concert tours, the singing class of the Oxford Orphanage last night presented an entertainment that eminently pleased Raleigh, the small voices battling successfully with the acoustic disadvantages of the City Auditorium that have baffled many grown-ups of more than ordinary oratorical powers.

The warm feeling of Raleigh people toward orphan children was never more strikingly in evidence. Raleigh Masons were largely responsible for the enormous sale of seats, but the whole of Raleigh was liberally represented in the crowd which filled every seat in the arena, the dress circle and the main balcony, with a goodly overflow in both of the balconies.

Even the record breaking crowd does not measure the full extent of the benefit to the Orphanage as each Mason in the city had become responsible for twelve tickets and a number of these tickets were not used. The entire receipts were clear profits as the members of the class were entertained in the homes of Masons of the city. The committee of Masons having the affair in charge was composed of Charles D. Farmer of William G. Hill Lodge; C. E. Mitchell of Itham Lodge; and D. F. Betts of Raleigh Lodge.

Undimmed by the large audience and heedless of the difficulties surrounding a performance in so large a building, the children went through the program with the unconcern of a rehearsal. But, the performance was far from mechanical, each member of the class apparently appreciating the honor of appearing before so large an audience and doing his or her utmost to please.

Formerly good, speaking to mean ability and a careful and effective training. The four numbers given by the entire class of fifteen children carried more effectively to the farther corners of the building, of individuals were no less keenly appreciated. As unusual, the greatest volume of applause was given to the smallest of the children. The rendition of the play, Midsummer Eve, which composes one of the three parts of the program, was particularly enjoyable, the children being recast effectively and filling the roles with skill and sprightliness.

GREENVILLE WINS NEXT KIWANIS CONVENTION

Charlotte, Nov. 19.—Greenville, S. C., won the Kiwanis convention for next year. The convention adopted by-laws that call for two meetings each year, spring and fall, date left to trustees. Officers elected today were J. Thomas Arnold, Spartanburg, S. C., former district lieutenant president, elected district governor for the Carolina district, and Jesse M. Boyd, also of Spartanburg, elected secretary-treasurer, decision being to have this officer in the same city with the governor.

The lieutenant governors from North Carolina and two from South Carolina were elected as follows: North Carolina, Harry T. Adams, of Raleigh, and W. B. Merrimon, of Greensboro; South Carolina, W. P. Conyers, of Greenville, and Frank E. Bronnax, of Columbia. A large number of delegates from the twenty-one clubs of the two States were present, practically every club having from one to five delegates, the official representatives having been the club presidents, secretaries and trustees. The session was held at the Selwyn Hotel, followed by a sectional meeting of presidents, secretaries and trustees. An auto ride was given in the afternoon over the city, following luncheon at the Selwyn.

ROTARIANS BACK GREENSBORO PLAN

Give Vote of Endorsement To Campaign For Higher Education

The sixty odd members of the Raleigh Rotary Club who motored to Durham last night to be, along with members of the Greensboro Rotary Club, guests of the Durham Club at a banquet, enjoyed the hospitality of their neighbor Rotarians and united with them in giving a vote of endorsement to the campaign launched at Greensboro recently for more money for higher education in the State.

Specialty stunts, and music led by John A. Park, of the Raleigh Club were features of the Durham meeting. In the place of Rev. C. A. Ashby, who was scheduled to make a talk on the part of the Raleigh Rotarians, Dr. B. H. Hill spoke to the gathering on the subject of the Spirit of Rotary. In his talk, Dr. Hill urged that the Rotarians get behind a building movement, which will have for its aim the increase in the housing facilities for all three cities.

John Sprunt Hill, of Durham, spoke at some length in advocacy of his plan for a system of roadways totaling five thousand miles connecting up with hard surfaced arteries, the county seats of the State, and the principal cities along with the various institutions of the State. He proposed that this road building program be financed through a period of years by bond issues to total not in excess of \$3,000,000 per year. He advocated a tax of five cents on property and a one cent tax on each gallon of gasoline. Although he urged the Rotary clubs assembled to give big project a vote of endorsement, the Rotarians contented themselves with a vote of thanks to Mr. Hill for his address.

By higher endorsement of the plan advanced by Mr. Ed Latham, of Greensboro, and it received the hearty support of all the Rotarians present. The meeting last night was presided over by T. B. Fuller, president of the Durham Rotary Club. Other speakers were H. Smith Richardson, of Greensboro and Prof. W. C. Smith, of Greensboro.

STATE REMAINS FOURTH IN VALUE OF ITS CROPS

Despite the low prices of the principal crops this year North Carolina will continue to stand fourth in the value of its crops for 1920 by the estimate of the United States Department of Agriculture Commissioner W. A. Graham announced yesterday. "If there is any excess in our cotton, tobacco or other crops beyond the estimate," Major Graham states, "it will be credited to the State in the final report. In 1917 this amount was sufficient to raise the State from 7th to 5th place."

NEW YORK STATE FIGHTS HICHER RAILROAD RATES

Empire State Will Fight It Out Before The U. S. Supreme Court

Albany, N. Y., Nov. 19.—The Supreme Court of the United States is timely called upon to decide the jurisdiction of the Interstate Commerce Commission over intrastate passengers and baggage rates, it was announced today at the office of Attorney General Newton. The order of the commission yesterday that the railroads operating in New York establish intrastate passenger rates from 3 to 3.5 cents a mile, will not end the fight of the State authorities for a restoration of the two cents a mile rate between Albany and Buffalo, the Attorney General said.

"This is a sweeping and entirely new decision," said Attorney General Newton, regarding the commission's order. "Heretofore, the States alone have exercised the power to fix local rates. During the war Congress fixed all rates, but under the Esch-Commins bill the old State rates were restored. The appellate decision of the Supreme Court at Albany decided last week that the old two cent fare on the main line from Albany to Buffalo was restored September 1, when the Federal war time control was terminated. The railroad appealed to the court of appeals where the question will be argued next Monday.

FURNITURE MAKERS TO BEGIN CUTTING PRICES

Asheville, Nov. 19.—Closing an eventful convention here, members of the Southern Furniture Manufacturers Association recommended substantial reductions in the price of furniture to take effect before the big sales in New York and other big centers in January. Price cutting has already been started by some of the dealers, it was said.

It was tentatively decided to have the special meeting on December 15 in High Point instead of Greensboro, as it was announced yesterday.

ROLESVILLE FARMER CAUGHT AT STILL

C. B. Chappell, prominent farmer of near Rolesville, who was caught working at a whiskey still by Deputy Marshal Stell, Richardson and Ramsey was yesterday bound over to the federal grand jury under bond of \$300. It was the defendant's first time in court.

UNKNOWN ELEVEN BEATS DAVIDSON

Conquerors of Carolina Lose To Presbyterian College By Score of 7 To 0

Clinton, S. C., Nov. 19.—Showing decided superiority throughout the Presbyterian College of South Carolina defeated Davidson College here this afternoon by a score of 7 to 0.

Capt. McMillan caught a forward pass from Sholar in the quarter and ran the necessary 30 yards for the touchdown. Davidson was unable to advance the ball until the closing moments of play, the home team threatening from the early part of the contest.

The winners made nine first downs while the losers were able to negotiate but two. Castle and McFadden did the best work for Davidson.

Presbyterian	Position	Davidson
McMillan	Left End	Faison
D. Blakely	Left Tackle	Hammett
Williamson	Left Guard	Romefelt
	Center	
Kirven	Right Guard	Brady
