MURDERER KILLS HIMSELF IN JAIL

Charles E. Davis Commits Suicide Out of Remorse For Drunken Act

FOUND HANGING TO BARS OF CELL BY UNDERSHIRT

Prosperous New Light Farmer Takes Own Life As Soon As He Is Freed From Surveillance of Other Prisoners; Shadrick, Other Uxpricide Now Being Closely Watched

Within forty-eight hours after he had fatally shot his wife in a period of drunken dementia, Charles E. Davis, prosperous farmer of New Light township, in Wake county, hanged himself by his undershirt in his cell in the Wake county jail yesterday morning.

Davis, who was placed in the jail Monday morning, did not recover from his stuper sufficiently to realize that his wife was dead until late Tuesday afternoon. When informed of the tragedy by Jailor Jordan, Davis expressed great surprise and remorse. Within a few hours he attempted to ham himself by his suspenders, but this attempt was frustrated by other prisoners.

At the first moment he was free from the surveillance of the four mon detailed by Jailer Jordan to furnish him medicine and watch him, he hitched his undershirt to the bars of his cell at about the height of his waist, and, tying the garment around his neck, lowered his body until he was in an almost prone position. The body was found by Charlie Patterson, a prisoner, at 3:15

gence in connection with Dayle' death Sam P. Shadrick, a former inmate of the State Hospital for the Insane, who also shot his own wife at his home near Wake Forest Monday morning, is being closely watched to prevent a similar occurrence.

"I would do the same thing if I had nerve enough," was Shadrick's statement yesterday morning, but he afterdenied any intent to commit suicide.

Davis' body will be removed to his home from a local undertaking estab-Lishment today and will be buried in the family burying ground this after-noon at 1 o'clock.

HICKORY SELLS BONDS TO HOUSE IN CHICAGO

Brownlow Jackson Has Inside Track For United States Marshal

Hickory, Dec. 1.-The city of Hickory sold \$30,000 worth of sewage disposal last night to a Chicago house and at the same time announced the completion of the plant, which will give general relief to all towns and cities along the Catawba river. The First Security Trust Company of Hickory was one of the five bidders, its offer being practically the same as that of the Chicago

oncern.

The question of putting jitney drivers under bond also was discussed at the meeting and it is likely that the board will require a hill of character as well as bond on the part of such applicant. Two of the three men held in Morgan-ton jail on the charge of murder hold drivers' licenses.

Brownlow Jackson of Henderson, ac cording to word reaching here, is being groomed for United States marshal of the western district to succeed Chas. A. Webb and it is said that Mr. Jackson, who for years has been prominent in Re publican party circles, has the inside track. Catawba county Republicans were hopeful that Sheriff John A. Isen-hower might land the job and they will work for him, in spite of the fact that ward has come that Mr. Jackson has the andorsement of political chiefs. The postoffice vacancy is also receiving some consideration, but Postmaster Bagby's term has three years to run yet, and unless he is ousted, which is not probable, interest in it will not become acute until after the next congressional elec-

Interest in hard surface roads and streets has become acute since the heavy mins of the past few days have made the highways hard to travel, and business men and farmers in this section will be willing to stand for almost any reasonable taxes in order to build good Traffic from the mountains which has been heavy, was practically suspended this week, snow beyond Blowing Rock and sleet and mud this side the popular summer resort just about stopping all vehicles. Many bushels of apples and potatoes will come down in constant wagen, later in the minutes. covered wagons later in the winter.

GREENSBORO MAN HURT BY TRAIN HITTING FORD

Greensboro, Dec. 1 .- T. J. McAdoo city building inspector and electrician about 50 years of age, was severely though perhaps not seriously, injured about the head this morning about 10 s'clock, a negro chauffeur was badly bruised and the car which Mr. McAdoo was driving was completely demolished when passenger train No. 15, which op-erates between Raleigh and Greensboro daily, struck his Ford coupe at the crossing just above Sergeant's Alley, throwing the occupants a considerable distance and breaking the car in in-

Both of the injured men were hur-Both of the injured men were hurriedly taken to local hospitals. After an examination Mr. McAdoo was pre-hounced by attendant physicians as resting well and, it is believed that the injuries will not prove of a serious or fatal character. The negro chauffeur was also reported as doing well.

SEIZE WHISKEY ABOARD VESSEL AT MOBILE, ALA

Mobile, Ala., Dec. 1 .- A force of eus ms officers tore away the side of a nucture is the fire room of the fruit namer Norma, arriving here today om Tela, Honduras, and seized five sea of whiskey. Nine members of the sea of whiskey. Nine members of the sea of whiskey of the national allocation act.

CARRY OFF HONORS

Thirty-five Men Answer First Call For Practice In Basket Ball

rinity College, Durham, N. C., Dec. 1. -Trinity has well-founded hopes of again carrying off State championship deen, N. C.) honors in basket ball this season. With Hathaway, Moore, and Richardson, of last year's champs, on the floor, Coach Egan is now working out the material contesting for places on the varsity. Two weeks should see the fermation of

the squad.
Thirty-five men answered the first call for practice Monday afternoon. Dividing these men into various squads, Coach Egan at once gave every contest ant a thorough workout, studying their fine points in the game. This system will be followed until fifteen of the best have been selected to contest for places on the squad. With the varsity named, the first game will probably be played with the Durham Y. M. C. A. which this year numbers several for mer university stars and college play-

Hathaway, captain of last year's champs, is showing up well, although he suffered a broken leg in a baseball game during the summer. His workout pointed to the fact that he would shorty be showing his old form at guard which last year often held his opponent scoreless.

Moore was there with the goods Mon day afternoon. As a member of last year's squad his work was excellent. This year will witness his further de velopment as a player. Of a powerful build, he is expected to be one of the mainstays of the varsity soon to be se

Richardson, the six-foot-two center Charlie Patterson, a prisoner, at 3:15 from Union county, is again taking the from Union county, is again taking the pressly exonerated resources in connection with Daylo death. of the next rew weeks will get him

ready for the approaching games.

Neaf, who as a sub last year, gave in dications of developing into one of the best guards in the state, is certain to

get in some good work.
With these men as a foundation, and veral former high school stars trying for berths on the squad, all indications point to a scrapping five from Trinity. Skin Ferrell, Hyp Martin and Brick Starling, members of last year's champ team and three of the best players in the state, will be missed after their long season of work on the Trinity squad, but with the material offering, their place can be filled. Ferrell and Martin last year complet

ed their courses at the Law School here, and are now practicing their profes-

Starling, whose long goal from cen-ter won the state championship from State in the final game, was elected captain of this year's team but later withdrew from school to accept a position. This necessitates the election of a captain to take his place at once upon the formation of the varsity.

Oh, That's Different. "Esther, what did you do with mama"

"Oo, mama, I frowed it in the waist banket. "In the waste basket—you naughty child."

WARNS AGAINST FAKE AUTOMOBILE DEALERS or try to, those who are nearest me, and this I will do."

Wells Gives List of Authorized Distributors of "Liberty" Cars

People in and around Raleigh who are interested in automobiles are being warned of a misleading advertising

Mr. Guy E. Wells, president of the High Point Motor Company, of High Point, who is the distributor of the well-known Liberty Six automobile for this vicinity, has made the announcement that a former dealer in Raleigh has been advertising at fairs and through various mediums as Liberty distributor for North Carolina and

Mr. Wells accordingly has registered a protest to the News and Observer and wishes to let the public know that he is the official Liberty distributor. He has just received a notice from the Liberty Motor Car Company, of Detroit which gives him the following official list of distributors in North Carolina and Virginia:

Charlotte, N. C. High Point, N. C. Lynchburg, Va. Norfolk, Va.

The notice received from the factory at Detroit also carries the encouraging news that following the recent downprice re-adjustment of Liberty cars, there has been a considerable stimulus of sales of the popular six. The prices of the car which have been guaranteed until next July are as

PATTERSON GIVES \$1,000 FOR RELIEF

Roanoke Rapids Man Makes Largest Gift Yet To Child Feeding Fund

(From North Carolina Headquarters, American Relief Administration, Aber-

Contributions amounting to \$1,465.29 were received yesterday by Henry A. Page, North Carolina Chairman, American Relief Commission, Aberdeen, N This brings the total amount contributed in North Carolina during November to \$5,002.41.

Contributions have increased noticeduring the past few days, but if North Carolina is to do her full part there must be considerably greater increases daily. In order to prevent the death of an appalling number of these innocent, helpless children in Europe Mr. Hoover, through the American Re-lief Association Child Feeding Fund, is asking America to give \$23,000,000 with which to purchase food and clothing. There are more than one hundred million people in the United States. North Carolina has a population of two and a half million. Based on population North Carolina's share of this \$23,000,000 is two and one-half per ent, or \$575,000. There has been, of course, a considerable amount donated by North Carolinians through the Literary Digest which is conducting s most magnificent campaign in behalf of this fund, but to date North Carolinians have contributed, through the North Carolina headquarters of this fund, only a little more than \$5,000 of the half a million dollars which according to population, is their share

of the amount required. Surely North Carelina is not willing to fall so far short. Unless, however, North Carolinians awake immediately ordernament a liberal to the mill

To insure North Carolina doing he and scores of North Carolinians, as full part in this worthy cause, scores equally well blessed with this world's goods, must follow the lead of Mr. Sam

P. Patterson, that generous hearted cotton manufacturer of Roanoke Rapids, who contributes today \$1,000. There must be fifty or a hundred men in the State who are able to match his con tribution and who would like to have the satisfaction of saying, when spring is here, "I was responsible for saving he lives of 100 children last winter." Hundreds of North Carolinians must match the splendid example of Mr. W. A. Erwin, another generous hearted cotton manufacturer of Durham, who gave \$500, and thousands upon thoumust contribute \$250, \$100, \$50 and \$25 in order to prevent North Carolina falling far short of her share in this work of saving human lives. There are 10,000 people in North Caro-lina more able to give \$10 than the young lady who writes from Charlotte as follows: "I am enclosing money order for the poor "little 'innocents' of whom you have spoken in the Charlotte papers. I wish it were 500 times as much, and it would be but for the fact that I am only an humble clerk in a department store, supporting a "No mama, the waist basket what the wash lady carries the waists home only need to have it because in."—Florida Times-Union

SUFFERINGS ENDED AFTER SEVEN YEARS

Mrs. Phillips' Rheumatism Was Gone One Month After She

tite got so poor that I couldn't eat enough to keep up my strength.

Gone One Month After She
Started On Tanlac

"I have been taking Tanlac only one month, but already it has put an end to a case of rheumatism that had been troubling me for seven years," said Mrs. Helen Phillips, 2407 Durham street, Tampa, Fla.

"I was all crippled up with muscular rheumatism for so long I had little hopes of getting well. It was worst in my arms and legs and at times I could assreely get around. My right shoulder also hurt terribly and it was all I could do to move my arm about. I had gotten into a badly run-down condition and felt weak and were out all the time. Then I had the influence that I took it to build me up, not having any idea it would help my rheumatism, but it has done both. I am simply overjoyed at my wonderful improvement and I just feel that I am almost starting life over again. The recumstic pains have all gone and I am as active as I ever was. My appetite is just splendid and everything I cat agrees with me perfectly. That tired, weak feeling has left me and I now feel well and strong in every way."

Tanlae is sold in Raleigh by F. W. Parker Drug Co. and Silver Drug Co., in Zebulon by Zebulon Drug Co., in Garner by G. B. Montague, in Apex by A. V. Bancom Pharmacy, and in Lucama by Lacama Drug Co.

DEFENSIVE STEPS (Continued from Page One)

France and Belgium Register Copies of Correspondence With League

New York, Dec. 1 .- France and Bel gium, according to information just re-ceived by the League of Nations News Bureau, have registered with the League Secretariat at Geneva copies of official correspondence revealing the nature of the recent agreement entered nto by these countries for mutual de fense against Germany. They refer to this understanding as "a series of military measures to meet the eventuality of a new German aggression against Belgium and France."
They state that they made this com

munication in order to conform to the provisions of Article XVIII, of the Covenant. In the letters exchanged the agreement is described as follows: The understanding in question is

purely defensive and has reference ex-clusively to the case of an unprovoked aggression. Its object is to reinforce the guarantees of peace and security re sulting from the Covenant of the League of Nations.

"It is recognized as a matter course that the two States retain undiminished their rights of sovereignty in respect to the imposition of military burdens upon their respective countries and in regard to determining in each case whether the eventuality contemplated by the present understanding has in fact arisen.

The Treaty Registration Section of the League Secretariat has announced that under the section of the Covenant requiring treaty registration fifty-five international agreements have thus far been received and registered by League. They include, among others, fifteen from Great Britain, eleven from France and nine from Germany. The last paged though not a member of the lichgae, agreed to register all its literates pay that went he constituents igned with Soviet-Russia, Latvia and other States not in the League.

MOORESVILLE TELEPHONE COMPANY WANTS A RAISE

Petition Vigorously Opposed In Hearing Before Commission Yesterday

The Corporation Commission yesterday heard the petition of the Moores-vill Telephone Company for permission to increase the charge for telephone service in the town of Mooresville from \$3 to \$3.25 per month, and a vigorous opposition to the granting of the increase from Z. V. Turlington, representing the town of Mooresville. The petitioners were represented by Harry P. Grier, of Statesville.

The petitioners asserted that had lost money consistently for the past six months under the present rate, and that they have been unable to keep up their plant, or to make necessary additions to it. Mr. Turlington contended that the company was under-capitalized, they having gone into business with only \$3,000 paid in capital and that the only additions that have been made to the capital stock were in the shape of stock dividends. Decision in the case will be handed down later.

NOTICE OF SALE

\$200,000 Union County, North Carolina Road and Bridge Bonds

Sealed bids will be received by the Board of County Commissioners of Union county at the county courthouse, Monroe, N. C., until December 20, 1920, when they will be publicly opened for the purpose, at not less than par and accrued interest, of \$200,000 face amount of Road and Bridge Bonds of Union county, consisting of two hundred bonds of the denomination of \$1,000 each, to be dated December 1, 1920, to mature serially in annual installments as follows: Five bonds on December 1 in each of the years 1921 to 1930, inclusive; seven bonds on December 1 in each of the years 1931 to 1940, inclusive, and eight bonds on December 1 in each of the years 1941 to 1950, inclusive; bearing interest at the 1950, inclusive; bearing interest at the rate of six per centum per annum, payable semi-annually on June 1 and December 1. Principal and interest will be payable at The National Park Bank in New York City.

Bids may be addressed to the undersigned clerk of the Board of County Commissioners and must be accompanied by a certified check upon an incorporated beank or trust company, or a sum of money, for or in an

or a sum of money, for or in an amount equal to two per cent (2%) of the face amount of bonds bid for, to secure the county against any loss resulting from the failure of the bidder to comply with the terms of his bid.

bid.

The successful, hidder will be furnished with the opinion of Messrs. Reed, Dougherty & Hoyt of New York City, that the bonds are valid obligations of Union county. The bends will be printed under the supervision of the United States Mortgage & Trust Company of New York City, which will certify as to the genuineness of the certify as to the genuineness of the signatures and seal on the bonds. The bonds are to be issued under a special act which authorizes an unlimited tax

to pay the bonds. The right is reserved to reject any or all bids, By order of the Board of Commis-sioners of Union county.

M. C. LONG, ... Clerk of the Board of County Com-missioners, Monroe, N. C.

Dated November 29, 1920.

Goldsboro Sale of Bonds Below Par Held Valid

which will be formed to depress the price of such bonds and it is in viola-tion of our usury law and will inevitably force the repeal of that statue which for so long a time has been a protection to our people; for who will lend money to a farmer, merchant, or any other legitimate business at aix per cent if such towns as Goldsboro are allowed to sell six per cent tax free bonds at from four to six per cent below par, which privileges will be extended to other cities by special act and we may see the sale price of municipal bends brought down to a far lower figure still."

Characterizing the interpretation of the legislative set as "extremely un-fortunate" Associate Justice Brown adds in lris dissenting opinion that this leg-islation, "at one blow strikes down one of the most valuable amendments ever made to our constitution. The decision is disastrous to the efforts of the General Assembly to maintain the credit of the cities, and towns of the State by forbidding the sale of securities beow par."

SONG AND PIANO RECITALS BY ARTISTS AT OXFORD COLLEGE

Oxford, Dec. 1.—The recital Saturday evening by Madam Franceska Kaspar Lawson in the college chapel was as charming as Madam Lawson herself. The program included classical airs and modern songs by American composers, closing with the air from Carnival of Venice. In this and in the Swiss Echo Song as sung by Jenny Lind, Mme. Lawson proved herself an artist of of unusual merit. Her pure voice has been perfectly trained and easily met the domands of these two difficult selections. Her perfect diction is especially to be commended. Miss Brueser accompain ed Mme. Lawson in her usual skilful

and sympathetic manner. November 23rd Oxford College had the great privilege of enjoying a piano recital given by the gifted pianiste, Madam Birdice Blye. The artist was in excellent form and played with that inspiration, beautiful tone, coloring and feeling which always characterizes her and all were charmed by her agreeable touch and fine interpretations. She received a rousing reception being recalled for numerous encores which were very graciously given. The favorite
