

**APPEAL TO LEGION  
ISSUED BY EMERY**

**National Commander Appeals  
For a United Country To  
Legion Members**

Indianapolis, Ind., July 2.—John G. Emery, National Commander of the American Legion, today issued the following Independence Day statement:

"Ours is a land of visions made real. Oppression brought to a self-reliant race of colonists the vision of an independent nation. Statesmen of those colonies met, drafted and 145 years ago signed the deathless document which proclaimed that vision to the world. Soldiers and sailors of those colonies through seven years of war fought in support of that declaration and at Yorktown achieved the victory which made the vision an accomplished fact. "Over the Alleghenies, across the Mississippi and the westward prairies, beyond the Rockies and to the waters of the Pacific was carried the national frontier by those who marched onward in fulfillment of the national vision. This vision of a united country triumphed in Civil War over the vision of a divided one.

"With the world aflame with the conflict between the forces of oppression and autocracy from which our colonists fought themselves free and the forces of democracy and freedom which the victory of 1783 established in the world, we crossed the ocean to fight again. The vision which first revealed itself on these shores one hundred and forty five years ago found a rebirth in the victory of 1918.

"While proclaiming the effect, let us not overlook the same cause which made possible the world triumph of the vision of American ideals and institutions of government. The cause lies in the fact that in the beginning our colonists were inspired by a sense of individual responsibility and obligation to the state. What was true then is true today. Each of us, as individuals, has our duty and our obligation to our country. And in the loyal performance of that duty resides the hope and the security of our national institutions.

"The American Legion can have no higher mission than to continue to work to instill in the hearts of all, this sense of individual obligation to community, State and nation."

**BRIGHT PROSPECTS FOR  
BUILDING ROADS IN EAST**

**Chowan County Plans To Vote  
Issue to Secure  
Money.**

Elizabeth City, July 2. Representatives of the Elizabeth City Chamber of Commerce and of the Pasquotank County Highway Commission who attended a good roads meeting of the Hertford Chamber of Commerce, the principal feature of which was an address by W. A. Hart of the State Highway Commission, bring back encouraging reports of the prospect of cooperation on the part of the Perquimans county authorities with Commissioner Hart's good roads program of this section.

The Hertford Chamber of Commerce at the close of this meeting with only one dissenting vote passed a resolution declaring it to be the sense of the meeting that the chamber petition the county commissioners to issue and sell their part of the county's good roads bonds authorized by the legislature as may be necessary to build 20 miles of hard surfaced road from the Chowan county line to the Pasquotank line and from Winfall and Belvidere to the county line; the money derived from the bonds to be loaned to the State.

**KINSTON SECRETARY LEAVES  
FOR NEW POST AT HICKORY.**

Kinston, July 2.—Carel H. Van Herwie, secretary of the Chamber of Commerce here since last fall, left today for Hickory, where he will labor in the same capacity for the community trade body. Van Herwie is one of the best known commercial secretaries in the South. He formerly resided in Pennsylvania, where he did newspaper work and was engaged in other lines. He is a native of Belgium. Van Herwie came here from Mount Airy, and professes a particular fondness for the North Carolina hills. His successor has not been named.

**BLADEN FARMER REPORTS  
FIRST COTTON BLOSSOM**

Charlie Deese, of Clarkton, reports a cotton blossom that was picked on June 28th. Mr. Deese is a little behind the upland farmers, but his cotton is coming along fine, according to N. A. Currie & Company, who send the bloom.

Wire drawing was begun in Mason, Blissett in 1860.
