FARM PROPERTY NEARLY DOUBLED

lina; Figures Given Out By Census Bureau

Washington, July 26 .- The value of all farm property in the United States on January 1, 1920, according to the as compared with \$40,991,499,090 in 1910. The increase in the value of all farm property during the decade was thus \$36,934,539,983, or 90.1 per

Four states reported farm property valued at more than \$4,000,000,000 in 1920, as follows: Iowa, \$8,525,270,956; Illinois, \$6,666,817,235; Texas, \$4,461. 579,497; and Nebraska, \$4,193,825,242.

The average value of all farm property per farm for the United States as a whole in 1920 was \$12,085, as compared with \$6,444 in 1910.

In six states the average value re ported per farm in 1920 was above \$25,000. These states were Iowa, with \$39,942; South Dakota, with \$37,833; Nebraska, with \$33,707; Nevada, with \$31,546; California, with \$29,158; and Illinois, with \$28,100.

Value of Farm Land The value of farm land alone in the

United States in 1920 was \$54,903,453, 925, as compared with \$28,475,674,169, in 1910, representing an increase of \$26,427,779,756, or 92.8 per cent. This value was obtained by subtracting from the value reported for farm land and buildings together itotal real estate value) the value reported separately for buildings.

The average value of land alone per farm in 1920 was \$8,514, as compared with \$4,476 in 1910.

Farm Buildings Farm buildings in the United States were valued at \$11,430,855,631 in 1920, as compared with \$6,325,451,528 in 1910. This represents an increase of \$5,195,

404,103, or 80.7 per cent. The average value of buildings pet farm in 1920 was \$1,773, while the average in 1910 was \$994.

Implements and Machinery The value of farm implements and machinery in 1920 was \$3,595,317,021. as compared with \$1,265,149,783 In 1910. representing an increase of \$2,330,167. 238, or 184.2 per cent. This large increase is due in part to the fact that prices of farm implements and machinery were unusually high at the beginning of the year 1920.

The value of implements and machinery per farm in 1920 was \$558, as against \$199 in 1910.

Live Stock The value of live stock on farms in the United States in 1920 was \$7,996, 362,496, as compared with \$4,925,173.610 in 1910. This represents an increase of \$3,071,188,886, or 62.4 per cent.

Nine states reported live stock valued st more than \$300,000,000 in 1920, as follows: Iowa, \$614,326,268; Texas, \$589,321,953; Illinois, \$446,154,064; Mis souri, \$389,839,045; Nobraska, \$328,460, 991; Wisconsin, #322@12.115; Kausas, \$318,025,292; New York, \$313,554,695; and Minnesota, \$305,163,825.

The average value of live stock per farm in 1920 was \$1,240, as against \$774

The North Carolina figures are: Value of farm property in 1920, \$1,250,166,995; in 1910, \$537.7.6,210. Land in 1920, \$857,815,016; in 1910, \$343,164,945.

Euildings in 1920, \$218,577,944; 1910 \$113,459,662.

Implements and machinery in 1920 \$54.621,363; 1910, \$18,441,619.

Liwestock in 1920, \$119,152,672; 1910 180 640 084 Value of all farm property per farm in 1920, \$4,634; in 1910, \$2,119.

NO PART OF BIBLE TO BE

WITHHELD FROM SCHOOLS

Goldsboro Argus.

Before the regular service tast night Major John D. Langston was called to the platform by Mr. Ham and made public to the vast audience a resolution passed by the Graded School Board of Trustees, to the effect that in the future no part of the Bible -either from the Old or New Tesament-would be with held from being read in the public schools. This bit of news was received by an applause lasting several minutes During the last days of the Ham Ramsay meeting, the Exangelist has given to his audience the best he has in the way of gespet messages, using as his subject last night, "Repentance Toward God and Faith in Jesus Christ," applieable slike to the sinner and

A Real Hair Saver and Beautifier

Found at Last—Shows Results at Once or Nothing to Pay
If your hair is thinning out prematurely gray, brittle, iffeless, full of dandroff and your head itches like mad, quirk action must be taken to save your hair.

Don't wait until the hair root is dead, for then nothing can prevent baidness.

Get from J. C. Brantiey or any good druggist today a bottle of Parisian sage—it doesn't cost much and there's nothing else you could use that's so aimple, safe and effective.

You will surely be delighted with the first application. Your hair will seem much more abundant and radiant with life and beauty—all itching ceanes and your scaip feels cool and comfortable Parisian sage is in great demand by discriminating women because it is daintily perfumed, does not color or streak the hair, and keeps it justrous, sett and foury.

Be sure to get the genuine Parisian sage (Giroux's) for this is guaranteed to give perfect satisfaction or nothing to pay,—Adv.

WAYNE BATTERY

Over Doubled In North Caro- Sixty-nine Men and Four Officers Form Goldsboro Unit

Goldsbore, July 26. Night before last in the old Company D armory, says an article in the Goldshoro Ar-Fourteenth Census, was \$77,925,989,073, gus, the Wayne Battery was officially mustered into the State and feders service as a unit of the North Carolina National Guard, Major Bistine, a regular army infantry officer now station ed at Camp Glenn, conducted the in spection and muster. The formality marked the end of the active campaign which has been conducted to organiz-National Guard mait in Goldsboro.

The unit as accepted, is composed four officers and sixty-nine men While this is four more than the minimum required, there is still room for others who may wish to enlist The Battery can be recruited up to strength of 114; and an active effor will be made to increase the presen number.

The Wayne Battery is now officiall designated as Battery A of the Fiel-Artillery of the North Carolina No tional Guard. It is the first and rank ing unit of the artillery regimen which is to be formed in this State and this gives its first members ad ditional epportunity for rapid ad

vancement.

The present personnel of the hattery is as follows: Captain, Kenneth Royall, Brist lieutenants, Edward Michaux and Sam Britt, second lieutenant, Ernest Lashley, members: Lonia O Allen Lewis Assan, Edgar Anderson, William H. Andrews, Carl J. Baldwin, William W. Barnes, Issiah Bradshaw, Carl W. Hrendle, Horace Brock, Leslie Brown, Weiten W. Brown, William O. Butler, Jr. Lannle W. DETAILS OF OFFER FOR MUSCLE SHOALS PLANT

Henry Ford Must Modify Proposals Considerably Before They Are Acceptable

Washington, July 26.-Details ! cury Ford's proposals for taking over the Muscle Shoals, Am., power projects nitrate plant were given out at the War Department and Secretary Weeks said Mr. Ford's tender would have to receive considerable modificaon before they could be accepted. Mr. Ford requires a practical guarantee from the government to devolop 600,000, horsepower at Muscle Shouls, which cannot be given, the secretary declared, though his tender is being studied by nancial and engineering experts. There is a possibility also, Mr. Weeks added, that an offer for the properties would e made from another source.

The Ford proposals, carefully carried it into detail involve money payments o the government sufficient to return o it \$40,000,000 within the hundredyear period for which he asks a lease, and in addition, a rental of 6 per cent on the same value. Mr. Ford asks further expenditures of \$28,000,000 to complote the power and nitrate plants, agreeing to make additional payments on the same basis. Proposing to use the plants for the manufacture of

Be Careful What You Wash Your Hair With

Most soaps and prepared shampeo ntain too much alkali, which is very njurious, as it dries the scalp and inkes the bair brittle.

The best thing to use is Mulsified co canut oil shampoo, for this is pure and cats anything else all to pieces. You can get Mulaified at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water nd rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleauses thoroughly, and rinses out easily. The bair dries quickly and evenly, and is soft fresh looking, bright, fluffy, wavy, and easy to handle. Besides it loosens and takes out every particle of dust, dirt and dandroff. He sure your druggist gives you Mulsified. (Adv.)
