Tobacco year at LUMBERTON ENDS

Market Averaged Nearly \$10 a Hundred For Season; Plans For Fair

Lumberton, Sept. 4.- The Lamberton tobacco market closed yesterday for the 1921 season. The market here sold 2, 389,470 pounds this year for \$221,713.56 an average of \$9.28 per hundred pounds. While the average for last year has not been learned, it was about twice as much as the average this year.

Excessive rains about the beginning of the curing season did great damage to what then appeared to be a fair crop of tobucco. The "gom" was washed off the leaves, and as a result much of the tobacco was thin and without "life." Some farmers sold their crop for around \$500 the sere, while others did not get enough for the crop to pay for housing it. There was no demand for any to baccos except good grades. The quality of the 1921 crop in this immediate sec tion was not as good as in 1920.

Many farmers who produced a poor crop this year declare they will no plant tobacco next year. The appear ance of the holl weevil may change the minds of many before planting time, however, the weevil having covered the tobacco growing territory of Robeson county. The tobacco crop in the south ern part of the county was of a much better quality than the crop around Lumberton, and the average on the markets in that section will be considerably higher than the average here.

Plans are being perfected for making the saventh unnual Robeson County Fair, which will be held here October 18 to 21, inclusive, the "biggest and best" fair of them all. Farmers are already picking exhibits of agricultural products, live stock, hogs, poultry, etc., to have on display during the fair. Several interesting features will be added

LEGION MEETING AT LENOIR ENTHUSIASTIC

Lenoir, Sept. 4 .- Over 100 ex service men attended the smoker given by Caldwell post 29, of the American Legion in the Lenoir club rooms last night. Those present included representative men from all sections of the country. Post Commander F. D. Grist made a report on the State meeting held at Hondersonville recently. Mayor James Pritchett introduced the chief speaker of the evening, Capt. R. G. Cherry, now mayor of Gastonia, and a man who is nlive to the interests and workings of the American Legion. His subject was "Ideals of the American Legion."

Captain Cherry was followed by D. R. Williams, former captain of 140th Field

The Logion decided at the meeting to have automobiles ready at noon on Saturday, September 17, to convey any ex-service men to Morganton to present before the Clean-Up Squad," which will be at Morganton from Soptember 17 to 20, inclusive. Every man in Caldwell county who has a claim or thinks he has government claim will be transported to Morganton for the purpose of appearing before the Clean-Squad, and proving same.

Plans are also being formulated by cue to be held on Armistice Day. There will be a parade of ex-service men in the afternoon followed by a street

members in 60 days, and from the en Sthusiasm gathered from the smoker, it his expected that it will be accom-

NEW CITY MANAGER FOR GOLDSBORO REQUESTED

Goldsboro, Sept. 4 .- City Clerk Ty-Goldsboro citizens requesting that the ped schools in the State.

From of aldermen elect a local man Graduates from this school have made the petition, is a matter of speculation here, it being said that a number & E. College, Raleigh. of the aldermen are in favor of retaining the incumbent and will stand up for discussion.

TOM TWADDLE'S PRESS POEM. An editor sat in a dingy old den, Trying to think up a thunk But all had been said again and again.

And all that he writ was punk!

Semething stuck out from behind his

ear,
It was no cupid's wing'
It hung in disuse like the quill of

goose,
I am sorry to say such a thing:
He felt as grim as original sin
Yet his heels were as high as his head
While he tried to think what it might
have been
If Bassaclanca only had fied!
His pens were all rusty

If Bassacianca only had fied!
His pets were all rusty
His ink bottles near dry.
His paste-pot too musty
To be setting near by.
A fresh thought he tried to grasp.
But fell in a well worn rut
All his efforts brought glas!
Was the hull of an old chestnut!
'Tis all-bost funny to relate
How hard he was up against fate,
For when he essayed to think up
joke

How hand he was up against fate,
For when he essayed to think up a
joke
Even the point of his pencit broke!
Dreaming he viewed life's battle field
Meeing friend and foe again.
His paper was passport, sword and
shield
in many a well-fought campaign!
The pen is mightler than the sword"
Ferhapa 'lis true as some may think
One diffuses it's ensmies' blood
and the other confuses with ink!
Hip! Hurrah!' The banner waves,
Over fresh victories won!
A damp editorial raves.
Over fresh victories won!
I inks is chief, how could anyone
if inks is chief, how could anyone
that Binks was born a hero?
If the paper said it was no?
Or that Binks was born a hero?
If the paper trumpet had failed to
blow,
How sould was know of victory's
dawn?
In the red letter day's bright morn
When the paper was fairly sluiced
With victorious pokehery julce!
And we heard the editor crow!
Say! How else were we to know?
Its circulation as free as a kits
Unit see all around behind, and before.

STRIKING EVENTS IN NORTH CAROLINA HISTORY WILL BE SCREENED FOR EDUCATIONAL USES

White Man's Ships the Armides and Barlowe Expedition First Appear Off Coast of North Carolina.

regular motion picture service, reaching the most remote rural sections in the various counties; a service owned and operated entirely by the State Department of Public Instruction.

Early in 1917 this great idea origi unted in the mind of W. C. Crosby of that department, and the first test was made in a small rural school in Wake county. It succeeded admirably, and carly in June of that year the first "Community Day" was featured in the town of Mebane, in Alamance county with addressus by Governor Bickett and State Superintendent Joyner, the entire community playing games and dining together in the open and Mr. Crosby directing the moving pictures in the evening, in a new tebacco warehouse Governor Bickett and Dr. Joyner were enthusiastic, Governor Bickett urged the Legislature to provide for visual education, and it responded promptly and handsomely.

The next stage was the purchase of trucks, with electric lights and power, picture making machines, films of a varied and always fine type, a commun ity service worker and a mechanic with each truck. County after county was brought in touch with the new move ment, which has attracted much aften tion in other states and has added immensely to the pleasure of rural life and to the development of community spifit as well.

The North Carolina Historical Comnission, thanks to its chairman, Secretary of State J. Bryan Grimes, had an arly vision of making a pictorial history of the State. A motion by Chair man Grimes to that effect was adopted in 1913, but lack of funds prevented its being carried out.

Mr. Crosby the director of the Divis

known as slides and of course available

In the sutumn of 1920 a pageant of Sir Walter Raleigh, the Shepherd of the Ocean," was put on at Raleigh by local talent admirably well, and this deepened interest in the State history. adding the elements of beauty and charm to a wonderful degree. ageant was effectively put on by Miss Elizabeth Grimball, who in the early summer of 1921 directed another, the "Pageant of the Caps Fear," at Wilmington. This was superbly presented, also by local talent, and still further adanced interest in the early life of North Carolina and paved the way for a popular demand for the dramatization picturing of the most notable event in the three hundred and thirty seven yours since the landing of Amadas and Barlowe on Boanoke Island in August, 1584.

Late in September the State Division

ELECT NEW MEMBERS OF FACULTY AT TRINITY

English; G. W. Vaughn Assistant In Physics

mittee of Trinity College has elected Tuesday with one of the strongest Dr. Allan H. Gilbert as professor of Botary Club came to its climax last faculties in its history. Both of the English and George W. Vaughan as dormitories have been filled, with ap assistant professor of physics. The plications on file and more pending committee affirmed the selection of Students from other counties and even James Baldwin as director of Athletics.

> Those in attendance at the meeting leigh; Col. J. F. Bruton, of Wilson; Dr. W. P. Few, president of Trinity; and M. E. Newsome, treasurer of the college.

of the department of English, is a native of New York. He was graduated gree of Batchelor of Arts in 1919. Later he took his Master's degree at Yale and returned to Cornell to secure From 1912 to 1919 Dr. Gilbert was instructor in English at Cornell, Voa year he was connected with the English department of Rice Institute at Houston, Texas. Last year he was em ployed at the University of Tennessee. He has taught at summer sessions of Cornell, Rutger's and the University

of Tennessee. Dr. Gilbert is recognized as an authority on Milton and his age. One of the most productive of modern scholars, his writings have been well received among scholars. H is author of "A Geographical Dictionary of Milton and numerous articles contributed to

the leading English journals. George W. Vaughn, engaged as assistant professor of physics, is a graduthe infantry until the spring of 1919, ate in engineering of Columbia Uni-Then, upon being discharged from the versity, and a graduate student in versity, and a graduate student in steam engineering at Steven's Institue of Technology. During the war he saw overseas service as an electrical engineer. He holds an ensign commission in the Navy and was employed as instructor of electrical engineering at one of Uncle Sam's schools. At present he is in the employ of the Interberough Railway Company, of New

AHOSKIE ADVERTISING ITS TOBACCO MARKET

Aloskie, Sept. 4.—A score of automobiles, piloted by the business men of Aloskie, will leave here early Monfor the family of Aaron Michaelson, a day morning, loaded down with cir-well-known resident, have ended with his return form Logan, West Va., where tion, and telling them "Why Them ers' Should Market Their Tobacco at county hoskie."

The second "Boosters' Meeting," to be held within the past week was staged here last night, when Ahoskie's business interests entered heartly into the program to advertise the local market, the eldest and largest in the territory embraced between the two

his pen.

The was a knock at the door he very a night and day just before he left. The market here will open next well knew.

The younger Michaelson returned home full of "chiggers" and stories of exception joints to large sales for the first day.

whose director, C. A. Rehm, and an ex A chart was made by Mr. Crosby of port camera man, will be on the ground at Roancke Island, which may be termed stages of that notable episode, known in history as the Settlement of Roaneke. United States. The legislature increased The first acene, the arrival of Amadas the appropriation for the community and Barlowe, will have its setting near service and visual education, and from Kitty Hawk bay, on the coast a little northeast of the island; the second axide for making both motion and still seems will picture the arrival of Ralph Lane, the first governor of the colony in April, 1585; the third scene, also on the island, illustrating the arrival in April 1587, of John White, the second gov ernor, and various events until August 27th of that year, when he left for England, nine days after the birth of Vir ginia Dare, his granddaughter, the first child of English birth born in the territory of the thirteen original United States. Miss Grimball will train the players

and direct the various scenes; the cos tumes will be of home fabrication; home talent will play all the parts in the the costumes, the life, of those days of long ago will be re-created. His toric towns like Edenton and Elizabeth City will present some of the scenes All over North Carolina the films and the slides will go, and in the mountain coves as well as along the lonely reaches of the coast these pictures will tell their elequent story through the years to

The still pictures for the slides will be made by Captain Clement, who early in the year went to Roanoke Island and photographed and painted pictures of the first landing, that of Amadas and Barlowe, which have been on view in the State Hall of History

"BACK TO SCHOOL" DEA STRESSED IN CAMPAIGN

Judge Cranmer To Speak At Dr. A. H. Gilbert Professor Of Fayetteville Rotary Club Brings Drive To Close With Splendid Meeting

Fayetteville, Sept. 4 .- The "Back to School" campaign of the Fayetteville night with a largely attended meeting in the LaFayette Theatre, which was addressed by a number of educators of note and by two of the Fayetteville high school's brightest graduates. This movement by the Rotarians has as its object the getting back into school of the large number of boys who for various reasons are quitting their studies before

The principal speaker was Professor M. C. S. Noble, dean of the department of education of the University of North Carolina, Edmon Morris, newly-elected director of the Fayetteville Conservatory of Music, and M. B. Andrews, the new superintendent of the Payetteville city schools, were introduced to the audience. Both outlined their plans for their respective institutions during the coming year.

John A. Oates, chairman of the board of trustees of the Cross Creek schools, also spoke in advocacy of the Rotary Club's effort to sid the boys, and told of the trustees purpose to make the Fayetteville high school an secredited school, from which the graduates could enter the University and other colleges on his certificate of graduation.

One of the best features of the pro gram was the speeches by Herbert Kelly and Osear Parsley, graduates of the high school. Kelly, now a student at the University, answered in the affirmative the query, "Is it possible for a boy to go to college without money?" Parsley, one of the best debaters the Fayetteville high school ever turned out, talked on the subject, "Why I am going to college," stressing the need of a college education in the present day owing to the keer competition in the business and professional world.

A solo was sung by J. Mebane Beasley, an old Fayetteville, boy, who is preparing himself for grand opers in New

Preceding the meeting last night, Professor Noble was given a banquet at the LaFayette Hotel by the Cumberland county alumni of the University.

MURFREESBORO PLANS HOUSEKEEPERS' WEEK

Aboskie, Sept. 4. September 8, 9, and 10 will be observed as Housekeep-Week in Marfreesboro, this county. Within those three days will be crowded many demonstrations of home devices, under the direct a pervision of the County Home Demonstrator, Miss Myrtle Swindell, Sho will be assisted by Miss M. S. Jones, Tidowater District Agent, and Miss Nancy MacLawhorn, County Home Demonstrator of Northampton County hesides several local women of Murfreesboro. Women from all over the county are expected to be in attendance during the week, which will be held in the school building.

A. C. L. and Town Of Dunn To Fight It Out Over Title To Property

Dunn, Sept. 4.-Final disposition of the time-worn controversy between the town of Bunn and the Atlantic Coast Line Bailway as to which is the right ful owner of the two blocks in the center of town and known as Lucknow Square will come some time during the two weeks term of Harnett Superior Courts, to convene in Lillington next Monday morning with Judge Cranmer presiding. Counsel for the municipalty and for the railroad are equally confident of winning a verdict.

At present the square is used by the railroad as a cotton yard upon which all of the cotton coming to Dunn is sold. All of the staple shipped over the Coast Line is loaded direct from the square. Shippers over the Durham and Southern, however, are compelled to haul the cotton a distance of four

The town has always claimed title to the property and from time to time has considered the construction of a park on it. The matter did not take definite shape, however, until late last year, when the Woman's Club requested permission to create the park. Permission was given. The women moved quickly and attempted to gain posses sion the next day. They were greeted by the railroad with an injunction and

belonged to the railroad company, This injunction still holds. Since its issuance Godwin and Williams, counsel for the town, have secured many depositions in an effort to prove that, while the railroad company might have owned the property when the town was platted, its officials proclaimed these blocks public property at the time other railroad property was sold as building lots to prospective citizens. They will produce many witnesses in an effort to prove this contention when the case comes to trial.

the contention that the property really

It is estimated that the property is worth approximately \$200,000. The Woman's Club intends in the event the town proves its title, to convert one block into an ideal park as a recreation place for country people and other visitors. On the other block it is probable that a community building will be built up to accommodate office forces of various civic organizations and pro-vide club rooms for the American Legion and a public swimming pool.

COTTON PLANTERS IN HERTFORD SIGNING UP

Ahoskie, Sept. 4 .- Farmers of this vicinity met here Saturday afternon, and took preliminary steps towards organizing a branch of the Cotton Cooperative Marketing Association. D. J. MacMillan, of the association, and H. L. Miller county farm demonstrator, were present, both explaining the objects and nims of the association. Several signers were secured at the meeting and still others are expected to sign up within the next few days. Aboskie and locality hope, to furnish enough signers to insure them a cotton storage warehouse for the 1922 crop.
Other meetings already scheduled for

Hertford county are as follows: St Johns, Tuesday, September 6, 10 A. M.; Menola School, Tuesday, September 6, 3 P. M.; Harrellsville, Wednesday, September 7, 10 A. M.; Winton, Court house, Wednesday, September 7, 3 P. M. Murfreesbore, Thursday, September 8 10 A. M.; Como, Thursday, September 8, 3 P. M.

Mrs. Martha Sellars Dies. Mount Olive, Sept. 4.—Mrs. Martha Sellars, wife of Frank Sellars, of Calypao, died at her home there this morning about 3 o'clock, following an extended period of feeble health. She was about 65 years of age, and is survived by her husband and four children -B. C. and J. S. Sellars, Mrs. Russel Best and Miss Linda Sellars. Inter mente took place this afternoon.
