the report, a call being made for a new and original and just system of taxation in place of a buaglesome re-vision of a tax bill made for war pur-Business Men Have Banquet Harnett County Town To Give Newton Day Observed With poses. "The mere multing ever, runithe present revenue law will avail nothing in the formulation of a just and reasonable tax bill" says the report, that "there is nothing secrement about pres-net revenue law," improvised to meet the emergency of war. Quoting at length the earnest recommendations of last Congress, "for a thorough rectification of the inequalities, ineffectualiproblem of Federal revenue revision is in no sense a partisan project," deview the exhibits. W. C. Femister made claring, however that in the pending the address of the day and a display bill there is not fulfilled the pledges of fireworks tanight featured the close of the Republican party to the country, of the second day.

The country has not been given the seminor consent the exhibits that the rolling which was confidently expear are more varied and better than pected. The injustices of the reduction of

the surfaxes from 65 to 32 per cent is pointed out that in this "the purprose of the Republican party seems to have been centered upon the exemption of millionaires from the higher surtaxes and the exemption of corporate interests and monopolies from the payuent of proper taxes upon inordinate profits." And the statement is made that the committee has divided the isome tax payers of the country into two classes, the first with incomes above \$66,000 a year, the second under \$66, 000, that the average income of persons in the first class is more than \$150,000 a year, while in the second class it is but \$3,400 a year, and that with 11,077 lionaires in the first class and 31,683 people in the second class the inequality is manifest. \$66,000 is 6.6 er cent interest on \$1,000,000 for one year, and person with such an income s therefore a real millionaire, and the tepublismes have given substantial relief to the millionnires and no substanthat relief to the ordinary tax payers, proof of the statement that "we have cen teld that the Republican party is committed to the exemption of the great and concentrated corporate wealth f the country from the taxes presently laid upon excess profits." And drastically the report raps the present capital stock tax repeal, the disparity between erporation and individual and partnership income taxes, the transportation tax, and the retention of various mis-Hancons taxes of an "irritating, magging and vexations character."

Penrose Drive Raited. It is said that the speech of S nator Simple of last Friday in which us the Democratic leader in revenue legislation he made such a startling exposure of the deep laid Republican plan to reeve the rich and the powerful corporamore of the country of a large part of their taxes at the expense of a great only of the people has not only halted the drive of Senator Penrose to shove brough the tax revision bill but has cross her forces into confusion and disordered retreat, indeed that it has vidently driven the Republican National laders into a state that borders The spech of Senator James fixed made vesterday in the Senate entuated this situation. The Repubican leaders are plainly equirming under the white light that Senators Simcons. Reed and their associates have urned on them and their nefarious scheme to relieve the rich and powerful at the expense of the poor. One effect

these speeches is shown in this craced here the "Court Chronicle" of the administration, in which one of the trusted special writers of that paper serve a wild eved call for Republicans ploted. The orphanage and Hodges to fall into line and save the adminis tration program from disaster. The manifestly an attempt on the part of Republican whips to draw party mes in the present situation with the Republican majority in the Senate absolutely divided and panic stricken as to the fate of their pet measure, the revenue bill, bears the heading in big
