Large Amount of Business Transacted at Final Meeting: Foreign Missions

Tarbore, Oct. 21.-The Presbyterian Synod of North Carolina completed to day one of the most fruitful sessions ever held. A large amount of business was transseted and Dr. W. E. Hill, D.D., of Fnyetteville, the newly elected moderator, handled the business presented to the body with dispatch and precision, which shows that he is not only a minister of the Gospel, but a perliamentarian of rare ability. The closing hours of the session were given over to the study of foreign mission work and a narrative of the state of religion in the church.

Thursday evening after prayer by Rev. J. W. Moore, of Japan, a popular meeting was held with J. N. Grier, D.D. of Concord, presiding. A report was presented showing contributions by the Southern Presbyteries as \$1,153,620, and by this synod \$223,861, an increase of The Synod has 42 sons and daughters in the foreign field. Dr. D. W. Richadson, of China spoke,

of China's unique position among th nations as being the most ancient civili nation in literature and arts, of her needy millions and their dire and des perate poverty, of her political, accial moral, and religious destitution, Dr Richardson stated that China's supremneed is a religious need; for beathenism is hideous, sorrowful and hopeless and this is America a day of golden opportunity.

Dr. Lacy I., Little, of China, spokof his work at Kinngyin and gave num erous illustrations of the strong and healthful Christian character that our religion develops among those heathens, of the consecration and beneficent ac tivities of many Chinese Throttans He told of a great evangelistic more ment in one of the Chanese termine which resulted on the haptism; of 1000 on one

ORVIS BROTHERS' REPORT

New York, Oct. 21 - Today's cotton market has been what we expected, errain first, down and then up and later slightly off. The National Ginners' report was officially sales! at 5.700,000. The coupled with the various for the tailroad strike taking place, caused the break. Trade buying and recovery of markacts caused the advance. Furthermore, every speculative market with the exception of Liverpool showed firmness from noon time onward. We may expect continuance of exactle price movements for the present and it is anyhody's guess what is best to do.
