

DISSOLUTION SALE

THERE is to be a change in the management of this Wide-Awake Firm, and on July the first our Mr. Fred Woolcott will retire from active duties, and the management of the business will be entirely with Mr. Walter Woolcott. To make this change we have decided to offer the entire stock that we have on hand at a **BIG SACRIFICE**, and it is with this in view that we are going to give you an opportunity, such as is seldom presented, to buy merchandise at less than they were ever offered before. We have only one object in view, and that is a big reduction of stock, and we realize the fact that we have to make some startling reductions, and this we are going to do. This will surely be a harvest to the Bargain Seeker, and to those who want to buy at prices that were never attempted before, for we are going to put prices on everything in the house that will surely move them—for when we are through with this **TEN DAYS' SALE** we want to look at nothing but bare shelves—for we are determined to close out every dollar's worth of merchandise that we have in the house. This is an opportunity seldom offered, and it is for you to save dollars on any purchase you that make.

We give a list below of a few of the items that we offer. You will find them priced lower than you have ever seen them before, and you will also find hundreds of other things, equally cheap. :: :: :: :: :: :: :: :: :: ::
