

PROTEST AT OPEN PARK

Sunday Observance Discussed: Also Whiskey Advertisements

At a meeting of the ministers of Raleigh, held this afternoon in the chamber of commerce, a committee consisting of Rev. A. D. Wilcox, Mr. John T. Pullen and Rev. L. F. Johnson, was appointed to confer with the management of Bloomsbury park with reference to closing certain features in the park on Sundays.

Rev. A. D. Wilcox presided and Rev. C. E. Maddy acted as secretary. Various methods for securing Sunday observance by the park operators were discussed, but it was finally decided that the committee mentioned take up the matter at once, and meet again next Saturday at noon to report and take further action if necessary.

Bloomsbury park, Raleigh's new electric park, which was opened on July 4, has been open every day of the week, all the attractions and features running Sundays just as on

other days, with the exception of the dancing pavilion, where the orchestra gives sacred concerts on Sundays. The sentiment of the ministers present at the meeting today was that an agreeable arrangement with the park officials could be made by the committee at once and that unpleasant friction could be avoided in the future.

Liquor Ads.
The ministers placed their condemnation on whiskey advertising in the street cars by adopting the following resolution, introduced jointly by Rev. E. E. Maddy and Mr. John T. Pullen:

"Resolved, that we, the ministers' conference, of the city of Raleigh, commend The Raleigh Times and The News and Observer for refusing to carry whiskey advertisements and that we deplore the policy of the Raleigh street railway company by allowing whiskey advertisements to be run in their cars, and respectfully petition the management of the company to remove all liquor advertisements from the cars, and refuse to accept such business hereafter."

W. A. MASSEY NEW SENATOR

Is New Senator From Nevada and Not George Wingfield.

The stories sent out by the press associations to the effect that George Wingfield was the new senator from Nevada, seem to be incorrect. State Treasurer B. R. Lacy calls our attention to the fact that the Congressional Record gives W. A. Massey as the name of the new senator.

WILSON CAN'T COME

Writes Governor That He Will Be Unable to Visit Asheville—Marshall May Come.

Governor Kitchin joined some days ago in an urgent invitation by the Wilson Democratic Club of Asheville to Governor Woodrow Wilson, nominee for president of the United States, and Gov. Thomas R. Marshall, nominee for vice-president, to come to Asheville as early in the campaign as possible for a big ratification jubilee. There came today to Governor Kitchin a reply from Governor Wilson regretting that it will be impossible for him to come and from Governor Marshall saying that he will visit Asheville if he can possibly do so. Governor Wilson's letter reads:

"My Dear Governor Kitchin: "It was very gracious of you to join in the invitation of the Wilson Democratic Club of Asheville, in urging my attendance at their ratification meeting, and it is a matter of genuine regret to me that I literally cannot come. I hope you will express to the gentlemen concerned my warm appreciation and sincere regret. With warm regards," etc.

The note from Governor Marshall is as follows: "My Dear Governor: "Let me thank you for your letter of congratulations and say to you that if consistent with the duty that I owe to my office and to the national committee, I can get to Asheville during the campaign, the pleasure and honor will all be mine. Very sincerely," etc.
