THE POLITICAL OUTLOOK.

Elections were held last week in the States of Massachusetts, Connecticut, New York, as a forerunner to Pennsylvania, Wisconsin, Michigan, Illinois, Virginia and Mississippi. There will be New York and Virginia to-day with the greatest interest to both parties throughout the Union. The Virginia election was held upon the same day as the Pennsylvania election last year. It was then conceded that Pennsylvania would give a Democratic majority of 30,000. From the returns we take the following:
