Ought a Director of the Insane Asylum try to make money out of it? Ought the Director of any public institution use his place for his personal profit? Ought the Chairman of the Directors of the Penitentiary furnish from his own mill musty meal to that institution?

Ought the honest men of Chatham vote for a man who has done these things? Magistrates Meeting. The magistrates and commissioners of the county held a joint meeting last Monday for the purpose of considering the question of rebuilding the bridge at Moore's mill, that had been destroyed by the recent freshet.

The Chairman of the commissioners stated that the tax levied this year would be sufficient only for the ordinary expenses of the county, and on motion of J. W. Calder the whole matter was indefinitely postponed, and the meeting thereupon adjourned. End of Volume II. With this issue THE RECORD closes the second year of its existence and completes its second volume. The term of subscription of many of our readers expires this week. If they wish to renew, please remit at once. We have endeavored to make THE RECORD worthy of support, and feel that we have given every subscriber his money's worth. No paper can be published on a credit, and THE RECORD adheres to cash subscriptions. We would dislike to part company with old subscribers, and therefore hope they will promptly renew.

A Snake Story.

Now this is a true snake story, so hearken incredulous reader. Our esteemed friend, Dr. D. H. Albright of this county, has sent us the skin of a snake shed this year, and accompanying the skin was the following note: "ALBRIGHT TOWNSHIP, Sept. 4th 1880. Error Record: I send you this summer's shed of my Gen. Hancock barn rat killer. The old fed measures 7 feet, and has destroyed rats by the hundreds for me, and of course I would not sell him for any reasonable amount. Yet the slaughter he has made among the rats at my barn will be nothing compared with the slaughter Gen. Hancock will make with radical office holders after the 4th of next March. Can any township in Chatham beat this? D. H. ALBRIGHT."

THE CHATHAM CONVENTION!

A Grand Occasion--Great Enthusiasm--A Splendid Ticket. ONWARD TO VICTORY!

The nominating convention of the democrats of this county was held at this place last Monday, and it was an occasion never to be forgotten. No such convention has ever before been held in Chatham county! It was a grand day for the democracy of our good old county, and we doubt not is suspicious of a glorious victory in November. No convention of this county has ever before been so largely attended; no convention has been composed of better delegates; the proceedings of no convention have been so orderly and well conducted; greater enthusiasm has never been exhibited; more general satisfaction with the ticket nominated has never been known, and never has any convention of any party in Chatham nominated a better ticket! Yes, we are proud of the democracy of our county--proud of their convention, and proud of their nominees. We very much doubt if any county in North Carolina will have a ticket equal to ours, and we are very sure there can be none better. We do most heartily congratulate the convention upon their good work, and in the name of our fellow-democrats do return them our warmest thanks. Of course, every man's first choice for every office was not nominated; that is an impossibility, but there is a general satisfaction with the ticket as a whole, and a determination to elect them all--from Senator to Surveyor--and that they will be elected no one can doubt. We pity the men who may run against them--that is, if any one will be so anxious to be beaten! More interest was manifested in the nomination of the candidate for the sheriff's than for any other office, and we are not surprised that the friends of two such excellent gentlemen should stick so closely to their favorites. Between two such good men it was hard to make a choice, and it is no wonder that eighteen ballots were had; but when a choice was at last made and Brewer was nominated, Taylor and his friends pledged him their hearty support, and will do their utmost to elect him. This, however, is only what we might expect in a contest among honorable men. Sheriff Taylor was not re-nominated--not because of any dereliction of duty, for Chatham has never had a more faithful and efficient officer--but because our people believe in "rotation in office," and they thought six years' service was sufficient. For the information of our readers, who were not present, we publish as follows a full report of the PROCEEDINGS OF THE CONVENTION: The convention of the democratic party in Chatham county assembled in the court-house at Pittsboro' on Monday, the 6th day of September, 1880, and was called to order by Thos. B. Womack, Chairman of the County Executive Committee, who requested H. A. London, jr., to act as temporary secretary. The roll of townships was called by the secretary, and every township was represented--fifty-eight delegates being present out of the sixty who had been elected. On motion of W. H. Hatch, Hon. John M. Manning was unanimously elected President; on motion of J. S. Henley, S. H. Crutchefield was elected Vice-President, and, on motion of R. W. Taylor, M. P. Muse and M. F. White were elected secretaries. On motion of J. A. Womack the following resolution was adopted: Resolved, That this convention adopt the rules of the House of Representatives of North Carolina for its government, with these exceptions: 1st, The call for the previous question shall not be allowed. 2d, A motion to lay on the table may be debated by one speaker on each side, not to extend beyond five minutes each. W. S. Gunter introduced the following resolution, which was adopted: Resolved, That the balloting be taken in the following order: 1st, Register of Deeds. 2d, Sheriff. 3d, Senator. 4th, Representatives. 5th, Surveyor. 6th, Coroner. G. W. Thompson moved that a majority vote nominate the candidates of the convention, which was lost; yes 22, nays 30. J. S. Henley moved that the voting be viva voce by calling the roll of townships, which motion was adopted. W. S. Gunter placed in nomination for the office of Register of Deeds the name of L. R. Exline, and, on motion of J. S. Henley, the rules were suspended and the nomination of L. R. Exline was made unanimous by acclamation. The name of S. W. Brewer was placed in nomination for the office of Sheriff by S. J. Tally, and the name of John W. Taylor by Samson Edwards. The roll being called the result

Equinoctial Storm.

The autumnal equinoctial storm has come earlier than usual (unless we are to have another this month), having begun on the night of the 7th inst. The change in the weather was very sudden. For many days it had been exceedingly hot--unusually so for the season--but to-day winter clothing and fires are comfortable. The storm has interfered very much with fodder-pulling and we fear much fodder has been injured, this being the season when our farmers are busy pulling fodder. And by-the-way the corn crop on the uplands in this county is remarkably good this year, better than for several years past.

County Commissioners.

The County Commissioners held their regular monthly meeting last Monday and Tuesday--all the members being present. The following accounts were allowed: I. H. Clegg moved that the nomination of Sheriff be postponed until the other nominations were made, which motion was lost; ayes 11, noes 39. Eleventh roll-call, Taylor 28, Brewer 31. Twelfth roll call, Taylor 29, Brewer 29. Thirteenth roll call, Taylor 29, Brewer 29. Fourteenth roll-call, Taylor 25, Brewer 33. Fifteenth roll-call, Taylor 23, Brewer 35. Sixteenth roll-call, Taylor 23, Brewer 35. Seventeenth roll-call, Taylor 20, Brewer 38. J. A. Womack withdrew the name of John W. Taylor. On the eighteenth roll call S. W. Brewer received 52 votes, and was declared duly nominated. Nominations for Senator being in order, John McIntyre presented the name of D. H. Marsh, and Hon. J. M. Moring (the Vice-President being in the chair) presented the name of A. H. Merritt. The roll being called, resulted 40 for Merritt and 18 for Marsh, and the former was declared nominated. Nominations for two Representatives being next in order, W. A. Lineberry presented the name of O. A. Hanmer; H. W. Peoples presented the names of John Manning and Junius A. Alston; Lemuel Ellis presented the name of Joseph H. Bland, and L. B. Bynum presented the name of D. H. Marsh. The roll being called, was announced 51 for Manning, 31 for Hanmer, 7 for Bland, 17 for Alston and 14 for Marsh. Mr. Manning having received more than two-thirds was declared nominated as one of the two Representatives. On the second roll-call the result was announced as follows, viz: Hanmer 28, Alston 15, Marsh 12 and Bland 5. The third roll-call resulted: Hanmer 37, Alston 14 and Marsh 9. The names of Messrs. Marsh and Alston were withdrawn, and on the fourth roll-call O. A. Hanmer received 58 votes and D. H. Marsh 2, and the former was declared nominated. The nomination for Coroner being in order, I. H. Clegg presented the name of Samuel P. Teague, jr., and N. R. Harris presented the name of Dr. O. B. Strowd. The roll being called resulted: Strowd 50 votes and Teague 10, whereupon the former was declared nominated. For Surveyor J. M. Burnett presented the name of Leroy Cole, J. S. Henley the name of Rufus B. Clegg, and J. H. Williams the name of J. W. Strowd. The roll being called resulted: Clegg 32, Strowd 8, Cole 20. On the second roll-call the result was announced: Clegg 38, Strowd 9, Cole 13. The name of J. W. Strowd was withdrawn. The third roll call resulted: Clegg 45, Cole 15, and the former was declared nominated. On motion, J. S. Henley, A. G. Marks and J. H. Williams were appointed a committee to notify the nominees of their nominations. On motion of J. D. Wicker the nominations were made unanimous. W. P. Hadley moved that the thanks of the convention be tendered the President and Secretaries, which was unanimously adopted. The committee appeared with the nominees, all of whom accepted their nominations. On motion the convention then adjourned.

A Plucky Boy.

Mr. M. W. Barber, of Boon township, informs us that on last Saturday evening a negro child of four years, fell into his well, fifty-two feet deep. Willie Lee, a white boy being at hand, went down with a bucket to rescue the child, and when in five feet of the water, met the little fellow on his way back. Clambering up the rock wall, Willie set him in the bucket, and he was hoisted to the top. Upon examination, two slight bruises, one upon the head and on the leg, were found as the result of the fearful leap--Lexington Exchange.

Another Warning.

On last Friday, at the old depot, about one mile from this place, a little negro boy, named Wiley Killbrow, went into the house where his little brother was, and seeing a pistol on the shelf, took it up and said to his brother, "I'm going to shoot you." And, to make good his word, he cocked the pistol and fired away. The ball entered the left cheek of his little brother and lodged near the ear. He was brought to Dr. N. B. Herring's office at this place to have the ball extracted, but the doctor thought it best to let it remain. Wiley said he did not know the pistol was loaded.--Toisnot's Sunny Home.
