A Novel Christmas Tree.

We learn from a private letter received here from Ocala, Florida, that the Christmas tree of a Sunday school at that place was an orange tree, inken from a neighboring orchard. loaded with its growing fruit. A few such trees would have been quite acceptable to Sunday schools in this section.

Marriage Licenses.

During the past month 29 marriage licenses were issued in this county, 18 to whites and 11 to blacks. This was the largest number issued in any one month, and the smallest number (only 3) was issued in the ion month of July. The total issued during the year was 150, an increase of 24 over the year previous.
