"STAR BRAND" **COMPLETE MANURE**

CORN, COTTON AND TOBACCO!

No fertilizer ever introduced has undergone severer tests, or come out of them with a better record, than the

"Star Brand" Complete Manure.

It has been in use in Virginia and North Carolina since 1873, and during that time has been applied to all kinds of soil under every variety of season. Evidence that it has given general and great satisfaction is found in the fact that since its introduction over

20.000 Tons

have been sold in this market alone; and also in letters and certificates from

5,000 Planters and Farmers

of Virginia and North Carolina, who have used it from one to eight yearsall going to establish it as a fact that, all things considered, it is

Equal to Any and Surpassed by Mone.

We offer it with great confidence for use on the Corros, Cors and Tources crops to be planted in 1882, with the assumee that is in all respects fully equal to what it has been in the past. Knowing the materials which enter into its composition, and manufacturing it under our personal

GUARANTES THE STANDARD.

It has been the aim of all connected with this Guano to produce the hest possible fertilizer at the lowest possible cost and we claim that our extended experience and amusual resources and facilities have enabled us to approach this more nearly than has been done in any other fertilizer with which we are acquainted. These who have been using it unite with us in

By its Use the Consumer Gets the Greatest Benefit from the Smallest Outlay.

An ordinary application of this Guano will cause an increase of 100 to 200 per cent, in quartity—at the same time improving the quality and hastening the maturity of the crop.
