occasioned by the resignation of years old. Judge Seymour as Judge of the

Justice of the Supreme Court, and his appointment will no doubt be confirmed by the Senate. When the Senate Senater Hear, a Republican from Massachsettis, most bitterly denounced Coukling, saying that he did not believe him to be honest and his devation to the Supreme Beneb would be a diagrace to the judicial eraine. This is rather strong language to be used by a Senator against a man whom the President deems worthy of being a Judge of our highest court: The appointment took everybody with great surprise, not the least hint of it bring been anguested, and it is uncertain whether Coukling will accept. In 1873 he declined the position of Chief Justice, that was offered him by

panies, having no connection what shop men ever with each other, the first insuring only lifes and the latter only property.

GRANT's Green seems insatiate and Washington, D. C., Feb. 25th, 1882 deserves public condomnation. A most persistent effort is being made by him and his friends to secure the passage of a bill by Congress to pay him the sum of fifteen thousand dol- its shadow, are the Unit contest and him the sum of fifteen thousand dollars every year during the remainder of his life. This is about twice the smount of taxes paid by the people of Chatham county to the State of North Carolina. General Grant has remlered valuable services to the Union, but he has been well paid for them. For several years he was General of the armies and received an annual salary of \$20,000. In 1868 he was elected President and was paid \$25,000 a year; so that he has domand for action at this time and success to Roleville. Crosse of the horizontal transition and the salary increased to \$50,000 a year; so that he has domand for action at this time and success to Roleville.
