Cump Bussy.-A little four year gations of this fact. old child was very severely, and it is thought fatally, burnt near this place thought fatally, burnt near this place thought fatally, burnt near this place a few days ago. It is the same old exteemed countyman, W. M. Thomas, story—the child's mother, a negro eq., has sent us the following interwonan named Mary Rives, baving statement of some reminiscen cas of some of our Bear Creek friends: their children from fire.

A PRIZE OFFERED .- To any one rending us the names of three new subscribers, accompanied with the money for one year, we will send the North Carolina Farmer for one year and a dozen papers of garden seed. We make this offer for only one month, Farmers read! Bynum & so that you must harry up, if you want the seed and the best farmer's

THE UNIVERSITY MONTHLY .-- This is Bor Shaw & Harris have in stock the name of the neat little periodical a full line of Fresh Garden Seed and published by three students from each of the literary societies at our State University, and which will be alumnus of that venerable alma mater We acknowledge the receipt of the second number, the reading of which carries as back twenty years, when we thought the old camp is was a little world within itself and its high dignituries were the proud and lordly

Science Cover.—The Spring Term Stermon Cotar — The Spring term of our Superior Court begins next Monday, and will be held by Judge Graves. This will be the first court ever held in Chatham by this Judge, always be pleased to serve his old who is a stranger to our people. He is highly spoken of wherever he has held court, and is said to be an incorruptible and impartial Judge. He is from Surry county and was elected in 1878. It is thought that the basiness of the term may be transacted in one week. There are 46 cases on the civil issue docket, 12 on the summoos docket and 16 on the State docket, and none of them of special

Castings. He has just received a crowdattending court for it is usually large atock of Corn and Cotton Hoes, an occasion when nearly the whole

JUSTIFIABLE HOMICIDE -- On last Remember if you wish to carry Frichty Justice J. A. Womack held a of taking his meal. Several broth-per wife a new Spring dress you can preliminary trial in the case of the ers of the deceased have passed away State against Anderson Evans, charged by deaths almost as sudden. He with the murder of Houston Powell, has received a new lot this week. He with the morder of Houston Powell, is selling his Winter Goods at cost and discharged the defendant, the root cash. A large lot of Bonans evidence showing that he acted in Sheeting and Span Cotton low for cash. Sugar, Coffee, Cheese, Crack ers, Caba Molasses and Cannel Goods of all kinds, just received.

The Mums.—The "mumps" is on the increase in our town, and the increase in our town, and the increase in the sugar to the deceased, and both were negroes. The fatal blow was struck in this number of its victims, as well as the victims themselves, continue to swell. Waks, where a corotar's inquest was

been a case of justifiable homicide of attending promising boy, and was about of years old.

Working the street of a case of justifiable homicide of our town, like the roads in the county, have been worked within the past few days. Next week is county work you know. What a pity county week, you know. What a pity county week didn't come offener if it approaches has such a good effect upon our streets and roads!
