R. has been discontinued, and also on the Carelina Central the Sunday night train from Wilnington and the Saturday night train from Charlata have been discontinued. Charlotte have been discontinued.

STOREGERES APPOURTED -- David S. Burns, of this county, has been appointed a Government store keep He is the same individual whom Ike Young removed from the place of deputy collector, because he re joiced at Garfield's assassination.

.... VALUE OF ADVERTISING .- We can cite another instance of the value of all that our Legislators must have intend-vertising in the Ricono. In our last ed to defeat the execution of the Law issue there was a lost mule advertised, by making it includent upon an offi-and in consequence of the advertise- cer to order the erection of those

The Tows Clock.—We are request of the Law, so far as the time of the Law, so far as the time of the Law, so far as the mean of the second to the fund to the fund the second to the se may be disposed to assist in its pur- Commission then it was the indispen-chuse, and should be sent to Mes. J. sible duty of the General Assembly to J. Jackson. The names of the donors, with the amounts given, will be published in the Resource.

Novia Haremsa —Mr W. T. Dor-sett, of Hadley township, informs us that, one day last summer, he found on his farm a partrilge nest in which were thirteen eggs. He took out the eggs and carrying them to the house grass Seeds. Offering their stock of Rendy-made Clothing at cost for Casin behold instead of eggs next morning he found thirteen young particidges. The partridge that laid the ergs had no doubt been sitting on them for sometime and the warmth of the room that night finished the hatching.

Journaustrie --- We are pleased to know that our esteemed friend, J. W.

Harper, formerly editor of the Kin will pay you to call at London's ston Journal, has returned to our will pay you to call at London's with brotherhood and will publish the sfore you purchase : as he is going Newberne Commercial News He will doubtless attain the success that he so much deserves. Brother Nunn, the present proprie

> success. But Kinston will not be without a paper, for our clover young friend, Mr. Josephus Daniels, late unmager of the Wilson Advance, will begin the publication of the Free Press in that town, on the 6th of and we predict that it will be April. one of the newiest papers in the State.

An Inconvenience.

We heard many complaints made last week by citizens of Moore county, who were attending our court, about

shoe. Lumberton Roberonian: A small around the fire at Mrs. Hardys child of Alice Black was burned to death on the 21st inst, by being left tion of matrimony. P. J. Caraway n the broke with other children Jr. one of the number, asked Miss while the mother went to a neighbor's Sally Hay if she would have him if around the fire and marthage the state of the number, asked Miss for a distance of forty miles, and yet

The Fish Law.

CHATHAM COUSTY, March 24, 32. Mn. Epuron :- Sun : Your editorial. in your valuable paper of the 16th inst. upon the subject of the Fish Law" is worthy the careful consideration of all persons interested upon the fish question. But it does seem

Novar, Hyremso, ---Mr W. T. Dor-tt, of Hadley township, informs us at, one day hest summer, he found in his farm a partrilige need in which above referred to at an early day and het the good people of Chatham kaow why it is that those fish-ways have not been put on those dams. One of

thought by our convergence of the "Fish Law" his feet becoming entangeed a dis-rendering inoperative the "Fish Law" his feet becoming entangeed a dis-passed in 1880. They only modify it plow gears. He was dragged a dis-passed in 1880. They only modify it tance of 400 yards, and killed. His passed in 1880. They only mony at ance of 400 yards, and knied. The institution will show. Nor do we agree there is no "Fish Commission". We in the field a mangled corpse. Buyers of Sewing Machines end now buy directly from the Manufactures, thus saving Agents' profiles. Read Willets & Co's Advertisement think that the State Board of Agricul. in the field a mangled corpse. ture is the Fish Commission, and the duties of the latter are devolved upon the history of Goldsboro was so much the former by subdivision 7 of section building going on at one time as the 7 of chapter 274 Laws 1876-77. We think, therefore, that our Legislature is not to blame for the failure to open

is not to blame for the failure to open shuice-ways for the passage of fish in our streams, but that the State Board of Agriculture is responsible therefor, and the people have a right to de-mand that the law be enforced.—En-RECORD.]

State News.

Robbins, of this city, brought into the matter ended. our office this morning a peach of this year's growth nearly as large as Goldsborn' Messonger: The post a partridge egg, which he gathered master at Hertford, Perquimans Co., from a young eree on his plantation one John Eason, has detaulted to the
