The "glorious fourth" next Wednesday.

Remember the sale of the old Phillips store next Saturday.

FO Mr. John A. Crano, of this township, recently killed an owl that measured 4 feet, 6 inches, from tip

Our farmers are complaining very much of the grass in their vrops. There is a fine prospect for an abundant crop of grass

Don't forget that you can buy

the cheapest goods in the county at the store of J. B. Harris, which are being sold at and below cost.

Jewelry store south of the court been heard of? It is said that the house. He thanks his customers for two women greatly enjoyed the offitheir liberal patronege in the past, cer's disconditure and laughed hea-and solicits a continuance of the tily at him when he returned to John-

any worse than usual it will be be cause of our absence. This convention of the Press Association prom ises to be one of the pleasantest ever held, and we doubt not will be much enjoyed by all who attend. We see it stated that the Press Association Asheville and all go on an excursion to the Warm Springs. We will try to tell our readers all about it when

Poortso as Occurs. - Deputy mar shal Ira Phillips seems unfortunate in making arrests, although he is an active officer. We recently mentioned the incident of the "300 pound moonshiner" lying on his back and telling the officer "to take lum." and of the same officer, that book place last work. He had a warrant for the arrest of Mangam Johnson, a noted conty, who was born in the year moonshiner in the western part of 1891, is credited with having living this county, and, after inquiring the way to Johnson's house, went in that direction to capture him. After riding through some fields the officer suddedly come upon a cabin in which were two women and a men quietty.

The plan is to build a memorial chapel tot. The building at total total the same of the capable of holding two thousand personness. This to be called the Swain wound. The afflar is greatly regret to this county, and, after inquiring the children, and great grant direction to capture him. After riding through some fields the officer suddedly come upon a cabin in which were two women and a men quietty.

Substant Wille B. Moore, iving near Burgaw, in Pender capable of holding two thousand personness. This to be called the Swain wound. The afflar is greatly regret to the building two thousand personness. This to be called the Swain wound. The afflar is greatly regret to the building two thousand personness to be building two thousand personness to be building two thousand personness and the strength of holding two thousand personness to be building two thousand personness. This to be called the Swain wound. The afflar is greatly regret to be one story high, with a self-super is the delty the friends of the two brother than a self-super in that the total the same than a self-super in the two brothers are the country, who was born in the year capable of holding two thousand personness to be under the same that the discretion to easily for the two brothers are the flat the same that the total the same that the capable of holding two thousand personness. This to be called the Swain wound. The afflar is greatly regret to be one story high, with a self-super is won are not of influence in that the total the same that the total the same that the total the same that the capable of holding two thousand pe now we have another amusing exploit sitting. The officer thought that the man was Johnson and feld him to The first cotton boll that we surrender, and asked has if his name have seen this year was sent to the was not Mangam Johnson. Before Recome on last Friday by Mr. Thomas the name on it reply one of the women quickly said, "no, his name is Head

en." The officer insisted that it was Johnson but the man and both women declared it was "Wiley Head-Johnson did live, and going out in the yard pointed to a house some when from some unknown cause he distance off. The officer was sorely puzzled what to do, for as he had friends did all in their power, but never seen Johnson he was not cur-could not avert his terrible fate. never seen Johnson he was not cur-tain that he had accested the right man. He finally told the man to go with him to the house where he said Johnson lived, and if his statement was true he would release him. The man objected to piloting the officer to a neighbor's house to arrest him Episcopal Church at this place will and begged so much to be let off, give an entertainment, on the 4th of that the officer at his refersed him July, for the purpose of buying an and rode off to the house pointed out. When he arrived there be found that he had been fooled, for the We take pleasure in calling at secapant of the house was one or our tention to the advertisement of so best citizens who informed him that excellent a school as that of which the manife just released was follows on peach crop is chaost a complete full prof. W. C. Doub is the accomplished himself. Upon hearing this friend Phillips hurried back to dolmson's thin section. Mr. W. W. Patterson, one of the largest shippers, the facil has rotted on the trees.
