Bunshine over the members wile Where the be a human d in the clove And sunshine filling the bly caps Till every one brimme I over, unshine over the hery hills, And over the disspling river, And I wished the sum and the menmer day Might shine and in Discover.

We turned uside in the river path, The highway insuits for salary For the quiet of the willowed medes Seemed better for our loce-making. My fove was silent, and I was shy, And my thoughts were each a rover, Of that sweetest of all summer days That ever the san shone over.

We heard the blids in the willows groen As they planned their first estimation. And what the rabin ang to his nort-Waston sweet for my poor worst' telling. It seemed, no we walked down the river back, My love and I together. That at host the would was in perfect tune In the glad, bright summer weather I cannot tell what I said to her, As we came to the field of clover

I only know that the tobics merrily sing His sweetest of sweet songs over And though I know not the words she said, For whether she -poke at all, That day I count among summer days As the sweetest one of all. -Elen E. Restord in Baldwin's Monthly

THE VIGILANTES.

The early history of California and Nevada was filled with tragic deeds. From the spring of 1850 until long afcells and led upon the scattold. ter the Washoe excitement, the entire Pacific coast north of Lower California was filled with wild and adventurhastily placed about their necks. Masous spirits, all searching after gold. Merson should on the left, a large nowerful man, about forty years old: next Every mining camp of any note had to him, on the right, stood bally, a its roughs, all well around, well-drilled in the use of weapons, and as reckless man of medium size, about thirty years old, a miserable wretch who stated in of life as any bandit who ever eat a gail, just before he was hanged, that he throat. These darsdevils were trequently employed by mining compahad killed two persons besides Johnnies to drive on miners and hold with and one of them was a child, mining projecty, in order to save the Threedingered Jack stool on baily's trouble of appealing to the courts to right; he was a man of small stature adjust their difficulties.

The writer arrived in the wilds plevion, and black, pleving eyes. He looked truly the bandit that he was mining town of Aurora, Nevada, in the spring of 18-2, when the "Wide Buckley stood on the extreme right-Wint and "filed del Monte" mines he was a small, slender youth, of about were at war over supposed valuable twenty years. He asked to have the mining ground. Each company, acting upon the claim that might make, right, imported from Washers a lot of the most villainous and re-ddes roughs said, with a suile to the executioner: to be found in Nevada - After a num, "rope," Masterson and Buckley died bravely her of doubs between the two for tions. employed by the Wide West owners on the one silecand the Real del Monte on the other, the adjustment of the disputed ground was smally left to the courts, and the rowles, being thrown out of employment in their legitimate business of threat-outtings went to work at a trade which, one of them said, would pay better highway rols. a wild ery, saying: hery. After robbing a number of persons, tour of the worst villains murdered and roblast, in the public four men were taken from their cells streets of Aurora, a kind hearted old man by the name of dolorson who had fed them in his hotel without receiving any pay. The names of the murderers were Masterson, Daily, Buckley, and Three-ingered Jack. The four assassing, after doing their bloody work, left town al once, and started for Mono Lake, all well mounted, and each heavily arouch The sheriff, Mr. Francis, with about ten picked men-
