H. A. LONDON, Editor.

Governor will be elected. The judicial officers, members of the Legislature and Representatives in Congress are the most important officers to be elected. All the Justices of the Superior court are to be elected, and about half of the Judges of the Superior court, and yet their election of a Governor. Our people do not seem to appreciate the value of a pure judiciary, and the importance of electing learned and prized the best fixed of the local and prized the lates and prized to the seed to the seed to take sufficient interest in the nomination of the judicial candidates. The voters of every county take much interest in the nomination of the judicial candidates. The voters of every county take much interest in the nomination of the judicial candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the nomination of the judicial candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the seed candidates. The voters of every county take much interest in the nomination of a candidate for the Legislature and in vorking for his election, the original and an advantage of the seed of the hole and the introduction of the police. The candidates are the bottom of which was set with sharpend of the hole and barries was Scattic tention in the indicate the tention of the police in the bottom of which was set with sharpend was a Scattic tention in the barries was Scattic tention in the barries was Scattic tention in the interest was Scattic tention in the place of the hole and the introduction of the indicate of the hole and the heritag working for his election, than they do in the nomination and election of

It is thought by some persons that all those, who have been disappointed in obtaining a feet at all the regretted and the regretted. pointed in obtaining a federal office, will become sore head democrats, or even republicans, but we cannot be-lieve this. They will not in this way and sleet storm which has been rig admitthat they were democrats for the ing throughout the Northwest since make of office, and desert when they Saturday has seriously interferred

Drs Mornes, Jan. 1 .- The path of officers who attempt to enforce the prohibition law in Iowa is not al-ways strewn with roses. Wedneday night deputy sheriff Pierce went to the saloon of Lorenzo Ilis., in Des Moines, with a search warrant. Politics will this year engage the attention of the people of North Carolius to some extent, but will probably not be very exciting. The elections will not be as important as those of two years ago, as no President or Correct will have tall the cellar. But found it locked. When the bar keeper refused to open the door. Pierce broke it open, Descending the staircase by a dim light, he saw a beer keg in the cellar. Governor will be elected. The judi-cial officers, members of the Legisla-ture, and Representatives in Congress
