The Two-Thirds Rule.

feats the choice of the people: it has a tendency to create a dead lock in convention, thereby engendering strife and bitter feeling the results of which are felt at the ensuing election. Twelve or fourteen years since the proposition was made in convencorrespondent, who was a delegate, a reconsideration as there was a threstened withdrawal of a part of the delegation. He expressly stated that he did it in the interest of harmony, that the rule was undemocratic and impolitic and that he trusted, that if the rule was adopted, the action of the convention would not be made a precedent. The motion prevailed. The two-thirds rule was adopted and has been fastened like an incubus upon the party ever since. Two years ago the convention refused to adopt the majority rule, and as a consequence we were bady beaten. Let us profit by bitter experience. Let the voters at the primaries drcuss the subject and instruct their delegates to reestablish the orthodox

democratic, majority rule. Away with a "modus operandi" which puts it in the power of a mi-"Let her go, Gallagher."
