Bennum & Headen have their store well full of new goods, which they are offering very low for cash. An elegant stock of ready-made clothing.

We take pleasure in calling attention to the "adv." of the old and reliable firm of J. J. Thomas & Co., which needs no introduction or recommendation to the people of Chatham.

Messrs. Job P. Wyatt & Brothers, successors to Wyatt & Taylor, are doing business at the old stand, where they will be pleased to see their many Chatham friends. Give them a call.

A colored woman in Galt township, the wife of Hanson Lambeth, is the mother of 21 children, of whom 14 are now living. She is now 70 years old, weighs 139 pounds, and is in vigorous health.

Read the new advertisement of that enterprising firm, Woodburn & Son, in whose stock of "Exposition Goods" you can find anything you may want and at bottom prices. When you go to Raleigh be sure to call.

Read the advertisement of Cross & Linehan, the senior partner being our former countryman, Capt. John W. Cross, who will take pleasure in visiting his friends in Chatham. Their stock is large and carefully selected.

We think you would be very much surprised and pleased with the splendid stock of goods W. L. London & Son are now showing. You would call and take a look. Their stock of ladies' neck wear is the prettiest you ever saw. They have all kinds of fancy goods very cheap.

We are requested by President A. H. Perry to announce that the County Alliance will hold its next quarterly meeting on Tuesday, the 8th of this month. The time of the quarterly meetings was changed at the last meeting of the State Alliance from the second Friday to the second Thursday in January, April, July and October.

A FATAL EXPLOSION—On last Thursday near the Chatham and Moore county line, at the saw mill of G. W. Raines, there was a powder explosion that killed a man named Kimball, and wounded Mr. Raines so badly that he is expected to die. Mr. B. B. Brown, a negro, was also badly hurt. The powder was in a log in the blacksmith shop and was ignited by sparks from a piece of iron that was being welded for a wagon tire.

CHATHAM'S EXHIBIT.—It begins his post of duty and at once proceeds to look as if Chatham will yet have a creditable exhibit at the great Southern Inter States Exposition at Raleigh. As will be seen in another column, a public meeting was held here at recess of court on last Tuesday and a number of public spirited and energetic citizens were appointed and have consented to collect articles and material in their respective neighborhoods. We hope that every citizen of Chatham, who has any county pride, will at once aid these gentlemen in collecting material and doing all that can be done to get up such an exhibit as will reflect credit on our good old county. Time is short and prompt action is necessary!

A STRANGE DEATH.—On last Friday Mr. Irby Phillips died very suddenly near the residence of his son in law, Mr. W. N. Strangham, about four miles from here. After breakfast on that day he went to a field, a short distance from the house, to pick peas, and when his grand children went to call him to dinner, they found him sitting in a corner of the fence perfectly dead. Heart failure is supposed to have caused his death. The deceased was 74 years old, and for many years had been a resident of this place, where he made a large number of friends. He came here from Caswell county over 35 years ago and engaged in the manufacture of tobacco until the close of the war. Since then he has been merchandising and farming.
