TEMPTATION.

COANS CASHIER'S STORY.

Our bunk was the First National Bank of somewife, a fewer having a pranted by greaterally clean out the serve all that is said. Just keep a late the blood and degree life, either make a sublen susp as a late to population of about 10,000. There were two or three private lanks, but no other institution having the capital and dignity we carried. The sankha dar-numbered wearly thirty peop e. and all were residents of the city and county. Among them were four or sented. At that time I was a young man of 25, and noting as easiler and brokkeener for a manufacturing concern. I led same in each, and with this I have he stock in the new bank. The organization had been completed, and the last ation was ready to open

"danies, I have known you for the past three or four years. Everybody, have the numest confidence in your have purchased \$2000 worth of stock in your I had a ways been the last one in your name to bring your holding to leave, and my hour had been 6 offer you the position of cisates?

Yes, I find many friends. I was began above to the regular night warehouse and industrious. I we assumment. No moneously say I had afternoon, and procuse the last assument. Neightnessed say I had check had departed, the night watch-ever wrong of him in any manner. I had not support to the him wife in more than his wife don't mean to convey the liber that I was an exception. There has never had do I enddealy and to well that a been any scarcity of theroughly rehable young men, nor will three ever be. Lacoupted the position with a feeling of gratifule toward those who had tendered it, and I made up my mind to prove myself competent and worthy in every particular.

In one year we had grasp d half the business of the county. In this years there was only one private bank left. We lead any amount of money to fend on easy terms, and whenever any extension was wanted it was elegerfully granted. That done more than any other man to bring about this state of affines. I say so because all the officers and stockholders said so. In two years my salary was advanced three different times. No mancould have been more fully trusted

My intelligence is among and brench ably followed, and everyladly complimented the bank on its especity in seending my sorvings. I had been with the bank two years and four months be entered. Always the last to go when a singular incident happened You're working too hard and mus-One evening as I sat reading in my take a rest. At a meeting of the board room the thought extre to me like a flash to rob the bank and escape to a foreign country. I pledge you my word I was frightened for a moment. It was as if a voice had whispered in how thoroughly you are appreciated my ears. Rob the bunk! Why, I ton't remember what I said in rewould chop off a finger sooner than pic, but I do remamber that something embezzie a penny! What could have given birth to such a though? I was of my own baseness. Right there in upset and indigment, and yet I could reach of his hand was the money I innot shake off the idea. To my abum tended to the with, and yet he was I found myself beginning to reason lavish in his paises of my integrity. and speculate. It was as if I had a Re-remained only a brief time, and discretely money, and it the vessel's rigging more than one double, and the double said to me.

rich others. You are getting a fair hadn't given up, the idea of money won. somey, but it should be double what it and tight, but a still, small voice was a few thousand shead when you canlay your hand on a fortune any day? I re-much perturbed, but 1-hall at It would be stealing, but then we all wave remember what he said. When steal. You are young and full of he asked for adms I suppose I stated energy and analytism. With \$50,000 at him, for he added: to back you you can go to some foreign country and make millions and me own lant that Pm down here. I the officers that I had sacrificed 1.9 will be carried to "wedge and put cover, and his career could then and
