—Politics quite lively now.

—If you need any furniture call on Royal & Borden, at Durham.

—A lot of coffins — walnut, oak and pine — for sale cheap, by B. Noyce, Jr.

—Read the "ad" of Elias Stone & Co., the leading merchants of Durham.

—SENATOR RAMSEY WILL SPEAK AT PITTSBURG ON SATURDAY, THE 27TH OF OCTOBER.

—The Pittsburg Lyceum will meet Friday night at the residence of Mr. John Womack.

—Messrs. Cooke, Strood and Miliken spoke at Liberty, in Randolph county, yesterday.

—Mail and passenger train will run on Sundays hereafter on the C. F. & Y. V. railroad.

—Read the very interesting letter of Prof. Ernest T. Bynum, who is now studying at a German university.

—A farm for sale, with good buildings and stables, on C. F. & Y. V. R. R., 4 miles above Sister City, by F. A. Siler.

—The Registration books are now open all over the State for the registration of voters, and will close at 12 o'clock on the 27th of October.

—The "possum" hunters of this county can enjoy their favorite sport after next Sunday, as the "possum" law expires on the 1st day of October.

—Does any unprejudiced and sensible man really think that such men as Wicker, Self and Bryan, elected to the Legislature, could possibly do anybody any good?

—Mr. M. T. Kelly, of Williams township, has lost at the Pittsboro office some samples of his tobacco crop, that are as bright and fine as can be grown anywhere.

—The demagogue rally that was advertised to be held at Pittsboro, on the 13th of October, has been postponed until the 2nd, occasioned of a Methodist quarterly meeting being held near them in the hills.

—Suppose every county in the State should elect to the Legislature such "reformers" as Wicker, Self and Bryan, what sort of reforms do you think they would accomplish? What would become of our good old State?

—They have at W. L. London & Son's a car load of Acid Phosphate and Guano for wheat, which they will sell very low for the cash. They have a very large stock of ready made clothing, children and boys' clothing. A house full of general merchandise at bottom prices.

—Do you wish to have your home pretty as well as comfortable? Look at the carpets, rugs, curtains, table covers and nice furniture at W. L. London & Son's and you will be sure to buy. They are the cheapest you ever saw. Special low prices in crockery.

—On Saturday, the 6th of October, one of the largest crowds ever assembled in Chatham will be here to hear Senator Ransom speak. He is undoubtedly one of the most polished orators North Carolina has ever produced, and we wish that every man, woman and child in Chatham could hear him. He is now nearly 70 years old, and this may be our last opportunity to hear this great orator.

—PUBLIC SPEAKING.—Capt. E. S. Parker, the democratic candidate for Solicitor, and other distinguished speakers will address the people of Chatham at the following times and places:

Goldston, Friday, Sept. 28th,

Carter's school house,

Cook's shop, Monday,

Hackney's Tuesday,

PERSONAL ITEM.—Mr. and Mrs. L. J. Huntington have returned from a visit to Asheville.

We are pleased to learn that W. H. File, of Hickory Mountain township, and wife, have returned having left a visit to Mr. John S. McGehee's, in which will be narrated.

Among the young lawyers, to whom the Supreme court granted recessions on its 4th Friday, was W. H. R. Davis, of this place.

Mr. and Mrs. Chapman, of W. L. London & Son, have returned from a visit to Mt. Airy.

PASTOR ASSOCIATION.—The 15th annual session of the General Association of the Methodist Episcopal Church was held last week with Love's Creek church, in Matthews' Township, beginning on Thursday and ending on Sunday.

All the old officers were elected, as follows: Rev. O. T. Edwards, moderator; W. C. Douglass, clerk; and Daniel Hamon, treasurer. The introductory sermon was preached by Rev. W. H. H. Lawhorn. There was a very full attendance from the churches composing the association. Two new churches were admitted, one at Aberdeen and the other at Sanford. The church at Liberty withdrew and joined the new Greensboro Association.

A number of interesting subjects were discussed, and several able speeches were made. There were several visiting members from other associations, and the attendance from the surrounding country was unusually large, and everybody was entertained most hospitably.

Next year the association will meet with Bipes Chapel church, in Hickory Mountain township, and Rev. James Jordan is appointed to preach the introductory sermon.

PASTOR INVITATION.—The popular party to its plan of organization and machinery has invited the democratic party. For years past, many of the present populists have denounced the machinery and plan of organization of the democratic party, and yet when they start out on their crusade of reform, the very first thing they do is to adopt the democratic party machinery!

This of itself refutes all their former denunciations. The truth of the matter is, the democratic party in North Carolina has had for many years the fairest and best mode of obtaining the wishes of all its members. Under its plan of organization and party machinery the democratic party allows and desires every man to express his preference for all the nominees of its conventions. And moreover, when the populists propose their party machinery they find that they could not possibly improve upon the democratic plan and consequently adopt it. Accordingly the populists of Chatham held their primaries at 3 o'clock on the Saturday preceding their county convention and each township elected its delegates just as the democrats had always done, and each took as its basis of representation exactly the same.

And by this way which has become the established general rule, whenever, for so many years, the democratic and county conventions, and have opposed to buy democratic delegations?

—Does any unprejudiced and sensible man really think that such men as Wicker, Self and Bryan, elected to the Legislature, could possibly do anybody any good?

—Mr. M. T. Kelly, of Williams township, has lost at the Pittsboro office some samples of his tobacco crop, that are as bright and fine as can be grown anywhere.
