To avoid damage in this line, in- | CHANGED THE REGULAR ORDER

The rich old man of 75 was going to marry the beautiful young woman of 25. It was a case of preferring to be the old man's during to a young man's slave, so the girl said, says the Deire't Free Press. The old man was greatly tickled when he first wen the fair be bur's trusting affections, but after a bi-he took a thinking spell and then bchuckled to himself. At first thought be lad feared to put her love to the test, because of a breach of promise suit, with a decision and a judgment ngainst him, which he was able to sat isfy to almost any amount a tender hearted Jury might award the guileess and innocent plaining.

He chuckled because this fear had

been dispelled. For an old man he had

a great head.
"My love," he said to her very tenderly, almost saidy, just after he had checkled, "I know there is a great dis-parity in our ages and that my money

"You dear old darling," she exclaim ed, as she put her soft white hand over his mouth and shir on the further sup-ply of his remarks on that line, "don't you talk that way. You know I love the control of the control of the control of the con-You more than anybody. And what is money to a hungry heart?"

He was not very good on conundrams and gave this one up, but he had some-

ference," he said, doubtingly, yet hope Only as it makes life easier for you,

dear," she insisted in tones that only a woman could have used. He held out his dense to her with bears of gratiqued in his eyes, and she hid her fould upon his breast.

"I am so gial to hear you say that, durling," he said very sorely. "You know my elifidical have objected to my marroving, but that is all removed now property except so much as will settle
