The passenger train on the littleters' relicated to the littleters' daily, except Sundays, at 9.35 a

-Today is the "Glorious Fourth",

some times are not realized yet gen rived for the "first cotton bloom."

-On many farms the crops are

budly "in the grass" because the Q. A. Palmer, B G. Womble, Noah ground has been too wet to plow. R Smith, W S. Webster, H. Hen the corn generally is looking remarkably well and promises an Pressont Irrus Conference of the corn for the cor markamy abundant crop.

township, died on last Tuesday Gilmore, in Oakland township. About night, aged about ninety years. Sho and her nusband, who survives her, man in a large furniture house at were about the same age and had Richmond, and next month he will, been married over sixty years.

-W. H. Edwards, dentist, will Recom notes with pleasure his de visit Bynum on Monday and Tuesday, and Pittsboro on Wednesday, Miss Bertha Harris, of Raleigh, is Thursday and Friday, following the third Sunday of each month, prepared to do all kind of dental work, Office next door to By num & Headen. Miss Mande Hackney, of Durham

-The oldest tax payer in this county, as appears from the tax lists, is a colored man in Williams township, named Fred Stone, whose age is tisted at 105 years. He is well preserved in body and mind, and mington, is visiting Miss Lucy Lonson with a many pole page. can now walk several miles in a

certificates to Misses Sue Thomas, Eilie Marks, Myrtie Gunter, Fannie Farrell, Fannie Gough and Josie their regular monthly meeting last subject.

School Scatistics - Through the courtesy of Mr. J. T. Paschal, rogis terof deeds, we are enabled to publish some statistics about the public C. C. Hatch, for supplies, schools of this county as contained in W. L. London & Son, to his official report just made to the supplies, State Superintendent of Public In- J. P. Boon, for repairing struction. The number of white shoes, children in the county between the Edwards & Broughton, for ages of six and twenty one years is stationery &c. 6,120, of whom 3,118 are males and Barnes Bros. for blanks &c. 3,052 are females. There are also 1. T. Brooks, insolvent fees, 3,196 colored children, of whom 1598 Altred Johnson, for repair are males and 1598 are females, quite a strange coincidence. All these children, however, do not attend school, Dr. L. A. Hanks, as superfor the number of white children en-rolled in the public schools is only H. A. London, for legal 3.676, of whom 1931 are males and services and advertising, 1745 are females. There is a larger Womack & Hayes, for lenumber of colored children, in pre-portion to their relative numbers, Barnes Bros., for tax re-

attending school, there being 2,705 of them.

There are 92 school districts for whites and 45 for colored. The average length of school terms in the county is ten weeks for whites and the county is ten weeks for w not quite nine weeks for blacks. Edwards & Broughton, for There are 20 white male teachers of blank books, the first grade and 10 of the second, Harrell's Printing House, and 10 white temale teachers of the for stationery &c. first grade, 12 of the second and 3 of the third grade. There are 7 col-ored male teachers of the first grade, 10 of the second and 6 of the third: J. T. Paschal, for services as and 4 colored female teachers of the first grade, 7 of the second and 6 of John Barringer, for repair-

the third grade.

The average salary paid the teachers is \$22 a month for white males, \$22.23 for colored males and \$19.43 for colored.

Dr. W. M. Burns, for flour.

Weather Forecasts —Through the co-peration of the Postmuster General and the Secretary of Agriculture the daily predictions of the Weather Burean will be telegraphed every day to the postmuster at this place (and at all distributing offices), who will buildetin the same and also mail copies to the outlying offices which can be reached in time to make the forecasts of value. This service may be of much value to the farmers, estimated license to retail spirituous of the News: Mr. Hugh Reid, that a levy of five cents additing steeping is the owner of the champion milker. The cow is young and it is continuous.

Order I, that William T, Bradford of Meckleuburg, is the owner of the champion milker. The cow is young and it of ordinary stock, yet at each adiking steeping steeping is given by the farmer who reported the case to us says he has often heard of convex giving six gallons per day, but not six gallons at a milking. However that is the undoubted record of the farmers, estimated to the farmer Prives Pittstore daily, except Sundays, at 9.33 a forecasts of value. This service may maked 3.30p. m., and arrives at Pittstore at 11.45 be of much value to the farmers, es wonderful how accurate are these weather predictions, for while they
