Railengh, N. C., April 21, 1900.
Hon. Marion Butler, Chairman People's Party State Executive Committee Belgish, North Carolina.
Six: I received this marrians your etter of the 2ndt in t. in which you guggest a joint selate between the candidates of the Democrate party for State offices, and the candidates of the People's Party for like positions.

The question to be presented in the people for their approval in Au metal and around which all other questions center is the adoption of the Co-stitutional Amendment. The People Party in its late State offusenties, while urging objections to the amountment, declared concerning it, we do not make it a porry question, and expressly said that it "must be determined by the judgment, and considere of each individual voter by the property of the program of the property of the program of The question to be presented to the convention. This attempt to raise an issue not made by your convention as manifestly the result of a ment un-derstanding with the Republican perby and in time with the action of your party organization since [1891] which has been employed to foster schemes of co-operation with the Republic of party and to prevent the individual voter of the People's party from parcipitating in the naming of candida or dictating its policy of a a most of common knowledge in North Ca in a that there is a perfect under standing between the leaders and the Federal office-holding, element of the Peoples party and the Republican party, and in pursuance of this unde standing they have secured the nomi-nation of a State ticket and asked for a joint debate in order to divide and divert the attention of the white pa-pie white their Republican allies arengaged in their schemes of attenual engaged in their schemes of alternating to grain fasted nervo rule on to.

State Later on by these same factions, the Poople's Party will undomit
edity be ted into fusion with the Republican party upon the legislative. county and Congressional tickets in all counties, and districts where it is thought that fusion will do any good towards the defeat of the magnificent and the perpetuation of negro saf-frage in North Carolina.

Under these circumstances it is im-posetble to consider the gerganization party. Until the organization of the Pooples party in this State process its right to be treated as a political entity, separate and distinct from the Republican party, by refusing to fuse with that party upon State, county legislative and Congressional candi dates, the Democratic paris contact
