The Work in Demostyania

The Work in Permetrania, What the Permeylvania Division at the L, A, W is doing in this matter of supplying the wheelmen of that State with good roads may be judged by the result of the last meeting of the Good Reads Commission, of which H. B. Warrell, the representative of the La W. a charman. In dis-cussing the work of the commission, Mr. Worrell and "We have been securing data from many surveys and Mr. Worred said We rave been securing data from many sources and have obtained nuclei information from other States. We are endeavoring to prepare a broad and comprehensive plan which will be equitable in all dis-tricts. Equilization of taxation is perhaps lies most important element of our work, and it is the intention of the command tax State and in all the commission to ask State aid in ad-dition to Us iztation which is now assessed by townships. Our labors will not send for some time to come, however "
