—Be sure you see the millinery, dress goods and ladies' cloaks at Poe-Atwater Mercantile Co.'s store, at Bynum, before you buy elsewhere.
—The size of Democratic majority in Chatham will depend on whether or not there is a full vote. With a full vote it will be considerably over 500.
—If you want a suit of clothes made to order, fit guaranteed, then be sure to see the samples at Poe-Atwater Mercantile Co.'s before you buy elsewhere.
—The price on the old reliable Geo. E. Nissen's Co. wazons has been reduced \$5 for spot cash. Now is the time to buy a wagon. Sold only by Bynum & Headen.
—Don't go to Durham or Raleigh. Go to W. L. London & Son, in our clothing, dress goods, shoes, hats and millinery.
—The friends of Mr. Walter D. Siler have just cause to be proud of his splendid speech and able canvass. His election is certain and we predict a brilliant career for him.
—If you want to save money on foot wear Bynum & Headen is the place. They sell the celebrated Lewis Bros. shoes for ladies and Lewis and Chaddock Turkey shoes for men.
—Mr. J. R. Wetherington, of Sanford, offers extraordinary bargains in boys' and men's clothing. Big stock ladies' wraps and fans, dress goods and shoes. Mail orders solicited.
—Chatham has never had a better clerk of the superior court than she will have for the next four years in the person of Mr. James L. Griffin, whose election is now assured.
—The Republicans have not nominated any candidate for Congress or Solicitor in this district. It is suggested that they do not want a Solicitor, so as to save some of them from being prosecuted.
—W. E. Hay, of Burlington, N. C., will sell you men's hats, boys' hats, men's good suits \$1.95, boys' suits \$1.50, good caps 10c, ladies' jackets \$1.50, caps 50c. Be sure to go and see his big stock.
—Men's ladies' and children's underwear, all qualities, both in cotton and wool, are at London's Popular Store. Now is the time to buy these goods. They have extra sizes for men and ladies. A big stock of white and red flannel, cotton flannels and other goods to keep you warm.
—A. Max, at Durham, is slashing prices right and left, and all his customers leave his store lumpy with their good bargains. The other merchants accuse him of slaughtering prices, but his goods must be sold regardless of cost. Go there as soon as you can, before the best bargains are gone.
—Farmers, you will find at London's the celebrated iron beam Oliver Chilled plow, the best plow made; also Backeye wheat drill, Thomas' disc harrows, the best heating stoves made, they give more heat with less wood than any other stove. Call and see them. Bring your cotton seed.
—The rush continues at A. Max's store, at Durham, where his large stock is being sold at and below cost. Hurry up and go there before the best bargains are gone. There is something to please everybody, men, women and children. Goods of all kinds are being sacrificed every day. Now is your chance for the best bargains you ever had.

—Toll all your neighbors that they cannot vote unless they register before sunset next Saturday.
—We much regret to learn that Mr. S. A. Perry, of Rock Hill township, is critically sick. He is one of Chatham's best citizens.
—Where will the Republican candidates get 1,200 votes to take the place of their disfranchised negroes? Echo answers "Where?"
—The railroad fare will be \$1.85 from here to Raleigh and return next week. This includes 50 cents for admission to the fair grounds.
—Those candidates, who have heretofore been dependent on negro votes for their election, now feel "like one who treads alone some banquet hall deserted."
—We are requested to announce that the admirable Henry Blount will lecture at Siler City next Friday and Saturday nights in the interest of the school there. Admission 25 cents.
—Mr. Peter Johnson, of Hadley township, who disappeared two or three weeks ago, has returned home and application has been made for his admission to the State Hospital at Raleigh.
—The many friends of Mr. Joseph W. Wamble will be pleased to learn that the Supreme Court has decided in his favor the long pending suit brought against him by Greenberg Burns and wife.
—We are pleased to learn that Mr. C. N. Justice, of Hickory Mountain township, is recovering from his severe sickness. The trained nurse who has been with him for three weeks has returned to Raleigh.
—The desperation of the Republican candidates is shown when some of them have the audacity and mendacity to assert that Major Martin, who stole over \$25,000 from the State Treasury, is a Democrat!
—The following citizens of Chatham are drawn as jurors at the next term of the Federal court at Raleigh: C. H. Johnson, J. R. Wamble, J. G. Newwood, W. A. Scott, Nanna Henry, E. H. Heavell, Rufus Gardner.
—With 1,200 of their negro voters disfranchised the Republican candidates have no chance of carrying Chatham, and they know it. It is no wonder they so hastily opposed the adoption of the suffrage amendment!
—We regret to hear of the death of Mr. Walter Clegg, a son of Mr. John B. Clegg, of this township. He died of typhoid fever last Sunday at 47 years of age. He was leaving for Raleigh last Tuesday at Chatham church.
—Not only has yet obtained that Republican award of \$250,000 (Jan. 1, 1902) for the whole county, but for the whole county, and for the whole county, and for the whole county.
—The name friends of Mr. Herbert W. Dixon of Raleigh will be glad to hear of the death of his young son, a child no more than a person as in disposition, 7 years of age, of whom he is with the angels in heaven.
—The Republicans have not and will not nominate any Congressional candidate in this district. They have refused to endorse Hon. John W. Atwater, many of them declaring that they would rather vote for Hon. E. W. Pou than for him.
—The outlook in Chatham becomes more encouraging for the Democrats every day, and there is gradually to doubt whatever of their carrying the county by a good majority. While this is true, yet every Democrat ought to work as if the election depended on his individual efforts.
—The only charge brought against Mr. Walter D. Siler is that he is too young. Many men are elected to every legislature no older than he is, and Republicans cannot complain of his youth because they are continually charging that the Democratic party ignores the young men!
—The Fusion county commissioners abandoned working our roads with convicts, and yet levied and collected over \$1,000 for road purposes long after they had stopped working them. And it is said that they still owe a considerable debt which they will leave for their Democratic successors to pay. They certainly made a complete failure working the roads with convicts.
—The senatorial candidates (Menchum and Patterson), who were nominated by a secret caucus of eight men at Hadley, will not meet their competitors in the canvass, but are represented by an attorney both in Moore and Chatham. If by any chance they should be elected we wonder if they would send their attorneys to Raleigh to represent them there also!
—Charles Young, the negro charged with assaulting and afterwards murdering Mrs. Ed. Lewis, white, was burned at Fayette City, Arkansas, by a mob of infuriated citizens.

MARK THROWS OFF. The former Populist leaders in this county have at last thrown off their mask, and now admit that they are Republicans. They are now trying to get the name of the party changed to the Republican party. Mr. W. C. Poole, an agent for Sheriff, now acting in the capacity of a Populist, has been seen in the streets of this county. He is now trying to get the name of the party changed to the Republican party.
