

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

Geo. Yulston, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy, and long; and it stops falling of the hair, too.

It is a beautifier, and it is a restorer.

If your scalp is itching, or if you have dandruff, or if your hair is falling out, or if you have any other scalp trouble, you will find Ayer's Hair Vigor a most valuable remedy.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

An Involved Decision.

The ministrations of King's College have given a new and interesting dimension to the history of the world. It is a story of the struggle for the soul of the world, and of the triumph of the spirit over the flesh. It is a story of the struggle for the soul of the world, and of the triumph of the spirit over the flesh. It is a story of the struggle for the soul of the world, and of the triumph of the spirit over the flesh.

The French Revolt.

The number of recruits accepted for the French army for 1914 is only 100,000, against 200,000 for 1913. This is a decrease of 50 per cent. The number of recruits accepted for the French army for 1914 is only 100,000, against 200,000 for 1913. This is a decrease of 50 per cent.

Do Not Keep Cows Too Long.

When a cow is kept too long, she will lose her milk. It is better to sell her when she is still producing milk. This is a common mistake made by many farmers.

AGRICULTURAL.

Attracting Young Men.

It is a mistake to think that agriculture is a dull and uninteresting profession. In fact, it is one of the most interesting and profitable professions in the world.

Do Not Keep Cows Too Long.

When a cow is kept too long, she will lose her milk. It is better to sell her when she is still producing milk. This is a common mistake made by many farmers.

Feeding Chickens.

Chickens should be fed with a mixture of corn and wheat. This will give them the best of both worlds. It is a simple and effective method of feeding chickens.

Do Not Keep Cows Too Long.

When a cow is kept too long, she will lose her milk. It is better to sell her when she is still producing milk. This is a common mistake made by many farmers.

How a Farmer was freed from Misery

WORTHY of a higher recommendation than I can find words to express. This is what Mr. J. H. Phelan of Sherman, Tex., says of Doan's Kidney Pills. He writes: "I have been suffering from kidney trouble for many years, and I have tried every remedy I could find, but nothing has done me any good. I was in such misery that I was almost impossible for me to do my work. It was at this juncture that Doan's Kidney Pills came to my aid, and I procured a bottle from the drug store of C. E. Cravens. I had these pills on hand for some time, and I had not used them until I was in such a state of misery that I was almost impossible for me to do my work. I had these pills on hand for some time, and I had not used them until I was in such a state of misery that I was almost impossible for me to do my work. I had these pills on hand for some time, and I had not used them until I was in such a state of misery that I was almost impossible for me to do my work."

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using Lydia E. Pinkham's Vegetable Compound.

Dear Mrs. Pinkham: I was married for several years and I have been blessed by my home. The doctor said I had a complaint that I could not cure, and I could not have any children. I had to go to the hospital, but I was not cured. I was cured by using Lydia E. Pinkham's Vegetable Compound. I am now well and happy, and I have a beautiful baby. I am sure that every woman who is suffering from any of the troubles mentioned in your book will be cured by using Lydia E. Pinkham's Vegetable Compound.
