responsibility. Did you know you "My presence should be the best an

swer for that. I have no time for and no health to indulas in them if I had."

"Then the detective you sent here felegraphed for you?

'He did.

"Then he is a better fellow than I thought."

Oh, he is all right."

Mr. Degraw, more and more cheerful, showed the detective the capity decan

Some one has been helping hunselt to my best sherry,' said he, "or I would offer you a glass after your ride.

"Whom do you mean ?"

"That I don't know." The detective moved nearer to the grate, upon which his eyes knu been

"What is this?" he asked pointing to the ashes beneath, that were wet, or

appeared to be so. I can't say: do you suppose fi is my

wine which has been poured there's "I should like to take a shiff and sor.

But my rheumatism is too much for me. I could not bend my lack so low if I should try."

"But I can," and the artist went down on his knees, butted his nose in the ashes and rose up with a perplexed

face. "My wine is there: what do you suppose it means ?" he cried.

Mr. Gryce shook his head: he was already looking here and there about the room as only a detective can.

You leave your window open?" hremarked. "Generally."

me one has jumped out of it?"

"How do you know that?" "How is the mark of a foot in this down pillow. Evidently a flying leap hes been taken from this couch to th 1 ass beneath.

Well, I did not see that " "And if that is not a proof, look at
