

Local Records.

Letter from "Buck" received too late for this issue, but will appear next week.

Only fifty cents from now until the election. Tell your neighbors to subscribe at once to THE RECORD.

Lockville Roller Mills flour will please your wife. Ask anyone that has tried it. Let them grind your wheat.

If you want good flour carry your wheat to Lockville Roller Mills. Do not let your wheat get musty before threshing.

We regret to hear of the death of the 7-year-old son of Mr. Cicero Farrell, which occurred near here last Tuesday night.

A large crowd is expected here next Saturday to attend the Farmers Institute. Every farmer in the county can learn something by attending.

W. L. Eubanks & Co., at Love corner, near the court-house, carry a line of coffins and caskets. Prices right. Orders filled by one of 8 years experience in the business.

The time of the season has come when cut prices in summer goods are looked for. W. L. London & Son have begun their cut price sale on all lawns, organdies and white goods.

The ladies of the Methodist church will give a lawn party tomorrow (Friday) night from 7 to 10 o'clock, at the Methodist parsonage, to which the public is cordially invited.

A very interesting game of base ball was played here last Saturday afternoon between Mt. Pleasant and Pittsboro nine, resulting in a victory for the latter by a score of 13 to 9.

Manly Smith has bought out the stock of groceries of W. L. Eubanks & Co., at the old "Love corner," where he is prepared to wait on his friends. Berries and other produce taken in trade.

The fund for Chatham's Confederate monument now amounts to \$1275.89. The last contributions were \$8 from Judge Walter Neal, of Laurinburg, and \$2.50 from L. L. Wrenn, of Siler City.

The Chapel Hill and Bynum teams crossed bats on the grounds of the latter Wednesday afternoon, July 4th. The Chapel Hill nine won, though only after a hard struggle, the score being 12 to 9.

The county commissioners, at their meeting last week, granted the petition for the establishment of the stock law in the forks of Haw and Deep rivers, below and including Haywood. It does not go into effect until next March.

The best line of 50 cent and \$1 shirts you ever saw, with a splendid line of men's summer under wear, are among the articles now being made a specialty at London's Popular Store. Don't forget that they are selling their straw hats at half price.

The county commissioners met here, on last Monday, for the purpose of hearing complaints as to the valuation of property, but there was no complaint from any body. The tax lists returned this year are made out better than usual, and reflect credit on the list takers.

Dr. C. G. Upchurch, of New Hope township, has recently obtained his license to practise medicine and has settled down in the neighborhood where he was born and reared. So many of our young men move away that those who do remain in the county ought to be encouraged. We wish our young countyman much success.

Rev. Daniel McGilvary is on a visit to his daughter at Statesville. He is remembered by our older citizens, having taught school at this place over fifty years ago and was ordained in the Presbyterian church here as a missionary to Siam. This is his third visit from Siam since he first went there forty-eight years ago. His old friends here would be pleased to see him again.

Quite a remarkable fish story was told THE RECORD by Mr. W. O. Farrell. He says that on the 4th a party of neighbors went on a fishing frolic near the mouth of Roberson creek, and a large eel was caught. When they started to prepare the eel for cooking two snakes were found in it and one of them was alive. We understand that all the party did not "see snakes" on that occasion.

Miss Lizzie Utley, of Apex, is visiting Mrs. Laura Horne.

Mr. C. W. Sanders, of Smithfield, has been here on a short visit.

Miss Affie Griffin, of Liberty, is visiting her brother, Mr. Jas. L. Griffin.

Mrs. Mary Powell has returned from a visit to Raleigh.

Miss Ida Bynum has gone on a visit to relatives in Fayetteville.

Misses Lottie Johnson and Alice Surles, of Durham, are visiting Miss Lily Moore.

Mr. Zeb. V. Straughan, of Ashpole, is visiting his father, Mr. Isaac Straughan.

Mrs. Jeannett Pickard, of Arkansas, is here on a visit to her uncle, Mr. R. H. Hayes.

Misses Sadie Hodges and Mamie Elliot, of Linden, N. C., are visiting Miss Betsy London.

Mrs. Mattie Thompson and children are visiting her sister, Mrs. George A. Matton, at High Point.

Mrs. Mary C. Brewer has returned from a visit to her son, Mr. Charles S. Brewer, at Carthage.

Mr. Rufus M. London, of Rock Hill, S. C., is expected today on a visit to his uncle, Mr. H. A. London.

Miss Betsy Roberson, a nurse at Highsmith Hospital, is on a visit to her mother, Mrs. J. R. Roberson, near here.

Miss Fanny E. Thompson, who has been teaching in the D. & D. School at Morganton, is spending her vacation here with her mother, Mrs. Mary Thompson.

Mr. F. C. Williams left Saturday for Hamlet to accept a position with W. R. Bonsal & Co., who have recently taken the contract to build an immense dam across Pee Dee river in Richmond county.

Coroner's Inquest.

The coroner of the county, Mr. John M. Edwards, held an inquest last week on the remains of the colored infant, which was found last month near Osgood, as published in THE RECORD of June 28th. The jury of inquest rendered as their verdict that the child was killed by its mother, a colored woman named Maria Evans. In accordance with the verdict the coroner issued a warrant for the woman's arrest, and she was brought here to jail to await her trial at our November court.

The woman says that she did not kill the child, but that it was born dead and she carried it to the woods, where its remains were found a week later. No one was present at the child's birth and therefore no one except the mother knows whether or not it was born alive, but the witnesses who found the infant testified that rags were stuffed in its mouth.

Visit to Graham.

This writer enjoyed the pleasure of participating in the Fourth of July celebration last week at Graham. Notwithstanding the rain in the forenoon a very large crowd was present and all seemed to enjoy the occasion. After the speaking the Confederate veterans formed in double column (200 in number) and marched to a grove nearby, where a sumptuous dinner had been provided for them under the auspices of the Daughters of the Confederacy.

After the dinner the crowd was much entertained in various ways. There was a race between mules, the riders of which were not allowed to use whip or spur, but the one who won nearly wore out his hat by his vigorous beating his mule with it. Prizes were awarded to the ugliest man, the prettiest girl and to the man with the largest foot. The competitors for these prizes were exhibited on the stand in front of the court-house and created much amusement.

This was our first visit to Graham in eleven years, and we were surprised to see so many and such great improvements in the town. It now has a population of nearly 3,000, has electric lights and a splendid system of water works, many brick buildings and handsome residences. It is the centre of many industrial enterprises. In a radius of five miles from the court-house are twenty flourishing cotton mills, and there are besides several other manufacturing plants. In the town is a large cannery, whose output is one million cans of fruits and vegetables. There is an ice factory with a capacity of thirty tons a day. Among other industries are two knitting mills and an overall factory.

On one side of Graham, and only two miles distant, is Burlington, and on the other side is "Haw River," the same distance. The latter is not an incorporated town, although it is much larger than many towns, but it is the site of four cotton mills and has a population of 2,000 or more. Graham's pride, however, is her splen-

did public school building, which is a large brick building that attracts the attention of every visitor in riding from the railroad station to the hotel.

We were pleased to meet at Graham many of our former county men, all of whom seem to be prospering. Our visit was made doubly pleasant by the courtesies extended by a number of the public spirited citizens of the town.

Precinct Primaries.

Every Democrat ought to attend his precinct primary at three o'clock on Saturday, the 11th day of August, and there express his choice for any of the county candidates. According to the Democratic plan of organization "the unit of the county organization shall be the voting precinct," and therefore every precinct must have its meeting when there is more than one precinct in a township. The precinct meetings should be held at the usual voting places. In order that every precinct meeting shall be properly held we copy from the plan of organization the following:

Sec. 6. At every precinct meeting there shall (before the delegates to the county convention are elected) be a vote taken for the different candidates for office, whose names may be presented, and the delegates shall vote in the county convention of their respective districts in accordance with this vote; that is to say, each candidate shall receive in the county convention that proportion of the vote to which he received in the precinct meeting. The chairman and secretary of the precinct meeting shall certify to the county convention the vote received by each candidate at the precinct meeting.

Sec. 7. Each precinct shall be entitled to cast in the county convention one vote for every 25 democratic votes, and one vote for fractions of 13 democratic votes cast by the precinct for governor at the last preceding gubernatorial election: Provided, that every precinct shall be entitled to cast at least one vote in the county convention, and each precinct may appoint as many delegates to said convention as it may see fit.

Sec. 8. The chairman of the precinct executive committee shall preside at all precinct meetings; but in the absence of the chairman of said committee, any other member thereof may preside.

Each precinct may elect as many delegates as it wishes, but will be entitled to cast in the county convention only as many votes as it is entitled to according to the following list:

- Albrights 2
Siler City 2
Mt. Vernon 5
Bear Creek 7
Richmond 4
Gulf 3
Cunnock 2
Osgood 1
Lockville 1
Buckhorn 4
Wilson's 2
Moore's 2
Williams 2
Kiggsbee 3
Balldwin 4
Rock Rest 2
Hadley 4
Hickory Mt. 6
Centre 6

Cut this out and keep it until you attend your precinct primary.

"The Fourth" At Bynum. Bynum, N. C., July 6, 1906.

MR. EDITOR:

Permit me to thank you for the success of THE RECORD in drawing together the select audience, which met at Bynum on July 4th at the Educational Rally. It is estimated that six hundred of Chatham's best citizens were on hand to enjoy the occasion. County Supt. Johnson, W. H. Ragsdale and J. L. Griffin made speeches worthy of July 4th and the cause of education. A table more than 100 feet long was loaded with good things to eat, not more than half of which were consumed.

We did not hear an ugly word, see an ungentlemanly act, nor smell "a bad breath" during the day. As a result of the Rally we have good subscriptions amounting to about \$300 to help in erecting an academy.

To the generosity of all who in any way contributed to the success of the day we return our thanks, and especially to THE RECORD, to the speakers, to the donors of the nice dinner and to the contributors of the academy fund.

Bowel Complaint in Children.

During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appear. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy which it promptly controls any unnatural looseness of the bowels, whether it be in a child or an adult. For sale by G. R. Pilkington.

Headen for Register. Siler City, July 9th, 1906.

EDITOR RECORD: I desire to place before the Democracy of Chatham county the name of Mr. W. A. Headen for its nominee for the office of Register of Deeds. In my candid opinion the party could not make a wiser selection.

Yours truly, F. M. HADLEY, McIver and Yates. Corinth, July 7, 1907.

EDITOR RECORD:

If there is any party that is better than the Democratic party I am not aware of it. It always strives to do justice to all, so we think that the coming convention should give the nomination for the office of Sheriff to J. D. McIver. He is a hard worker and has done as much for the party as any man in this section, and we feel that Buckhorn should have something besides the petty jobs.

Let Joe have the nomination this time. He is too well known for me to say that he would be elected, for we know that he would without doubt. So give us Joe for Sheriff and Robert J. Yates for New Hope, for the House of Representatives. Put good men on for the other offices and we will assure the party victory.

Yours &c., T. O. MARKS.
