An Island Town Destroyed.

Manila, By Cable .-- The town of Iloilo, Island of Panay, was totally destroyed by fire Friday morning, with the result that 20,000 persons are homeless. As this dispatch is filed the conflagation is still raging, and owing to the heavy wind blowing it is beyond control. The civil and military authorities are doing everything possible to check the flames and assist the sufferers. No estimate has been made of the amount of damage done and no details of the fire are obtain-

able, owing to communication with Iloilo being seriously affected. Iloilo is the capital of the Island of Paney, located on the east coast. The port, which is the second in importance in the Philippines, next to Manila, is the centre of the sugar import trade.
