

H. A. LONDON, Editor.

DEMOCRATIC NOMINEES.

- For President, WILLIAM J. BRYAN, of Nebraska. For Vice-President, JOHN W. KERN, of Indiana. For Governor, W. W. KITCHIN, of Person. For Lieutenant-Governor, W. C. NEWLAND, of Caldwell. For Secretary of State, J. BRYAN GRIMES, of Pitt. For Treasurer, B. R. LACY, of Wake. For Auditor, B. F. DIXON, of Cleveland. For Attorney-General, T. W. BICKETT, of Franklin. For Superintendent of Education, J. Y. JOYNER, of Guilford. For Insurance Commissioner, J. R. YOUNG, of Vance. For Commissioner of Agriculture, W. A. GRAHAM, of Lincoln. For Commissioner of Labor & Printing, M. L. SHIPMAN, of Henderson. For Corporation Commissioner, B. F. AYCOCK, of Wayne.

PUBLICITY in campaign contributions is demanded by the platform of the Democratic party adopted by the national convention recently held at Denver. While a large sum of money is needed to pay the necessary and legitimate expenses of every political campaign, especially the Presidential campaign, yet a great deal of money is used in every campaign improperly and oftentimes for corrupt purposes.

It will be remembered that four years ago Judge Parker, the Democratic nominee for President, asserted that large sums of money had been contributed by wealthy corporations for the Republican campaign fund, and this was denied by President Roosevelt in the most indignant and emphatic manner. And yet it was afterwards proved to be true, and many thousand dollars were proven to have been contributed by several insurance companies in New York.

The new treasurer (Mr. Sheldon) of the Republican national committee has announced with quite a flourish of trumpets that after the election he will publish the sources from which he has received contributions for his campaign fund. That will be somewhat like "locking the stable after the horse is stolen." It would be better and have a better effect if he would not wait until after the election but publish the contributions as they are received.

Mr. Taft, the Republican nominee, has announced that the national committee of his party will accept no contributions this year from any corporation. If they adhere to this the Republican campaign fund is likely to be many thousand dollars less than it was in 1904!

A grand ovation was given Hon. John W. Kern, the Democratic nominee for Vice-President, on last Wednesday night, by the citizens of Indianapolis, which was participated in by Republicans as well as Democrats. The main speech was made by Vice-President Fairbanks, who spoke in the most complimentary manner of Mr. Kern, saying that he admired him as a neighbor, friend and fellow-citizen and rejoiced with him at the great distinction which had been conferred on him.

It is quite a co-incidence that four years ago, when Mr. Fairbanks was nominated for Vice-President by the Republican convention, Mr. Kern made the speech of congratulation at the ovation then given Mr. Fairbanks by Democrats and Republicans of Indianapolis. Such pleasant interchange of neighborly courtesies and compliments serve to soften the political asperities.

The president of the American Federation of Labor, Samuel Gompers, has declared that he will support Bryan for president and will work for him.

QUITE a novel and unique race is being run from New York to Chicago, a distance of one thousand miles. It is being made by 2,000 boys, each of whom is to run a half mile and each carrying a silver tube containing a message from the mayor of New York to the mayor of Chicago. After each boy has run his half mile he delivers the message to another, who is waiting for him. The start was made at 10 o'clock last Wednesday morning from the steps of the city hall in New York.

JUDGE Walter H. Neal rendered the State a valuable service in his charge to the grand jury of Wake county, last week, in calling attention to the frequency of homicides in the United States and the few convictions for them. He very forcibly showed how cheap human life is regarded, and how inadequately murderers are punished.

He very properly ascribed this inadequacy of punishment to the disadvantage under which the prosecution labors in selecting jurors, giving the defendants so many challenges and the State so few.

Womble, Brooks and Hayes.

Editor Record: The time for our Democratic convention is not far off, and I wish to say a few words as to the wishes of a great many Democrats in this section. We want C. W. Womble for Sheriff. He made the race once when no one could be elected on our ticket and only was beaten by seven votes. And a more honest or better man does not live in Chatham, and he is a true man in every respect, and a true Democrat. It is reported that Mr. C. W. Womble will run independent if he fails to get the nomination. This is done by men desiring his defeat and I know it is not true.

A good many of us are for W. E. Brooks for one more term as Register of Deeds. He has been faithful and true, and the only charge I hear against him is that he has had it long enough. If he had not done his duty well I would say so too, but as he has filled the office well and has been courteous to everybody, I say give him another two years. I have often seen people who had a good horse that suited them well trade it afterwards regret it.

Give us Womble for Sheriff, Brooks for Register and Hayes for the Legislature, and we will give a rousing majority in this part of Chatham.

T. M. Bynum, Goldston, N. C., July 20th.

Boling for the Legislature.

Mr. Editor: I wish to ask the friends of Mr. M. J. Boling, candidate for the Legislature, to be sure and attend the primaries promptly, get his tickets out among the voters and urge his nomination.

Mr. Boling is a business man, a brainy man and if elected will do honor to old Chatham. He is the man who is covering New Hope, Williams and other townships with phones and wires, and is doing so much for Siler City and is willing to do as much for all of Chatham. He is the same Malley Boling who was born and reared near Merry Oaks, the son of the late Joe Boling. Let us rally up boys and show the people of Chatham that we not only need but want a business man to the front.

H. F. Wilson.

Williams township, July 20.

Hayes for the Legislature.

Fellow Democrats of Chatham: It is with pride and pleasure that I endorse every word that has been said in favor of R. H. Hayes for the Legislature. I consider the people of Chatham fortunate in having the privilege to nominate such a man. We all know Mr. Hayes; he needs no introduction and he will take care of our interests. So, fellow citizens, let us go to our primaries on the first day of August next and nominate R. H. Hayes for the Legislature.

W. J. Durham.

Roscoe, N. C., July 20, 1908.

Womble for Sheriff.

Mr. Editor: Mr. C. W. Womble has announced his intention of asking for the nomination for sheriff of Chatham county at the next convention of the Democratic party. Let us go for Mr. Womble. All who know him can truly say that he is a good man and a Christian gentleman. Give us Mr. Womble for sheriff and victory will be ours.

W. H. Gilmore.

Goldston, N. C., July 16.

The Democratic State executive committee will meet at Raleigh tomorrow night and elect a chairman, who will probably be Mr. A. H. Eller of Winston.

Lindsey for Commissioner. Mr. Editor: I desire to say a few words through your paper in advocacy of the nomination of Mr. W. M. Lindsey for county commissioner, who comes from the northern central part of the county. In my opinion he is as good a man as we can get for the place both in business qualifications and strength; he has a large relationship and an extensive acquaintance over the county. He never shunned a duty and has gone where others refused to work for his party. We can depend on him as he is strictly honest and a Democrat to the core. I think if party wisdom to rotate in office. Let the different sections be represented thereby adding to our noble old Democratic party new life and fresh blood, and the victory is ours.

M. G. Elmore.

Lindley, July 18, 1908.

Commissioners suggested.

To the Editor.

Among the many candidates suggested for the various county offices, few have been mentioned for the position of Commissioner. This is an important office and one in which experience is invaluable for the successful performance of its duties. Let me suggest the names of three men for this position who combine experience with other qualifications that would make for us an active and efficient board. If the convention will nominate S. W. Harrington, N. J. Wilson and W. O. Farrell, we think that no mistake will be made.

Respectfully, J. B. Atwater.

Bynum, July 21st.

Mr. King on His Feet Again.

Mr. C. E. King, former newspaper correspondent of this city, is again in business in Boston, occupying a suit of rooms in the Journal building. Warrants were issued by some of his creditors for his arrest after his disappearance several months ago. Mr. King, however, suddenly appeared and delivered himself up, declaring that he had gone away to recuperate from an attack of nervous prostration, and was amazed to learn of the charges against him.

Mr. King is again issuing his financial bulletin and declares that the two purposes for which he lives now are to fight his enemies and rehabilitate his business.

Farrington for Sheriff.

Mr. Editor: It is with earnestness that I urge the nomination of Mr. E. M. Farrington for sheriff of Chatham county. He is not only a capable and efficient man, but will make a faithful officer. The east side of Haw river has had no representative in one of the salaried county officers for nearly forty years and casts nearly one-third of the Democratic votes in the county. We feel that we are entitled to a fair share of the county officers. Give us Mr. Farrington for sheriff and this part of the county will receive recognition which it has failed to get for many years.

Stanley M. Riggsbee, Riggsbee, N. C., July 20th.

Sanford Express: Fred, the young son of Mr. J. W. Cunningham, was bitten on the leg by a cat at his home here last Sunday afternoon. Mr. Cunningham fearing that the cat might have hydrophobia, killed it and sent its head to the Medical College at Richmond, for examination. His fears were confirmed when he received a message by wire Monday afternoon stating that the cat had rabies. Mr. Cunningham, with his son, caught the next train for Richmond, where the latter is now being treated.

Wadesboro Messenger: The biggest deal in farming land that has taken place in this section of the State in a long time was the sale of the Wetmore place, at Rockingham, Monday. This place, which is located in Wolf Pit township, Richmond county, contains 1,300 acres, and was the property of Mrs. Fanny L. Wall, of Rockingham. The land brought \$36,425. Messrs. Junius Diggs and Zach Long, of Rockingham, were the purchasers.

Apex Journal: It is now five years since Mail Carrier A. J. Wood purchased the horse that he is now driving over this route. During that time the horse has been in constant service, having traveled something like thirty three thousand miles, or about eight thousand miles more than the distance around the world.

Mr. D. L. Boyd, the Representative in the last Legislature from Haywood county, was acquitted last week in the Superior court of that county for the killing of ex-Policeman Henry Abel on the 16th of last May. It was proved that he killed him in self-defense.

Ex-United States Senator Vilas, of Madison, Wisconsin, suffered a cerebral hemorrhage while asleep at his home Sunday night and there is little hope of his recovery.

Woman's Home Companion for August.

The August issue of Woman's Home Companion is full of delightful stories—just the right sort of mid-summer reading. Just to pick up the magazine and look at the little Dutch boy and the wind-mill on the cover makes you feel cool and comfortable. Then, when you open the magazine, you come across enough stories and entrancing illustrations to give you enjoyment for the entire month.

Some of the authors are Temple Bailey, Juliet Wilbur Tompkins, Marion Hill, Ruth Wilson Herrick, May Isabel Fisk Clinton Dangerfield and Harvey J. O'Higgins. And when we tell you that these stories are illustrated by Orson Lowell, Alice Barber Stephens, Charlotte Weber-Ditzler and other famous artists, you will appreciate what a treat this summer magazine has in store for you.

There are serious and practical things, too. Doctor Hale talks helpfully about "Sleep and Recreation." "The Garden in August," many recipes for summer salads, meats and substitutes for meats by Fannie Merritt Farmer and Christine Terlune Herrick, the Summer Fashions by Grace Margaret Gould, Sam Loyd's Own Puzzle Page, are a few of the things that will interest most every woman who reads the August Woman's Home Companion.

Editor's House Burglarized.

Salisbury, July 18.—The residence of John M. Julian, editor of the Salisbury Evening Post, was entered here last night by burglars who extinguished a light at the editor's head, and while ransacking the house were discovered by Mrs. Julian. Sam Holder, a colored drayman, was arrested for the crime today and is being held for trial.

The total number of casualties to persons on the railways for the year ending June 30th, 1907, was 122,855, of which 11,839 represented the number of persons killed and 111,016 the number injured.
