

—Send your laundry to Brooks' store by Tuesday, July 28.
 —Read the advertisement of Mann-Tillman Company's special sale.
 —If you need a good hat or pair of shoes attend the special sale of Mann-Tillman Co.
 —Among the goods at Mann-Tillman Company's special sale is \$300 worth of pants.
 —Dr. Harle (dentist) can be found in his office at Pittsboro from now until the 1st of October.
 —For gents' furnishing goods, try Geo. H. Brooks. Shirts, collars, ties, shoes etc. at reduced prices.
 —Last: In Pittsboro, a lady's gold clasped bracelet. Finder please return to this office and be rewarded.
 —Several communications advocating candidates arrived too late for this week's issue, but will appear next week, if space permits.
 —The attention of the ladies is called to the special sale of hamburgs and laces by Mann-Tillman Co. at less than cost.
 —The Pittsboro nine went down in defeat before the Bynum nine here Friday afternoon to the tune of 22 to 8. Heavy batting and errors explain the large score. "Nuf said."
 —Your attention is called to the advertisement of W. L. London & Son in this issue of The Record. These goods will be sold exactly as advertised, and now is your time to save money.
 —A lady's gold breastpin was lost on the street in Pittsboro on last Sunday, for the return of which to The Record office a suitable reward will be paid. In the pin was a ruby stone surrounded with small pearls.
 —The members of the Pittsboro baseball nine desire through the columns of The Record to thank the young ladies of the town for the "benefit" law party given by them Monday evening which was a success both from a financial and social standpoint.
 —Correspondents desiring articles published next week are requested to send them to The Record office not later than Monday night, or they may be crowded out, and they are again requested to make their communications as brief as possible.
 —The value of advertising in The Record was forcibly illustrated last week. A two-line advertisement was published, offering a cow for sale, and in two days the cow was sold and there were several applicants for her. And yet some people say it does not pay to advertise!
 —There was an election held last Wednesday upon the question of levying a special school tax for the school district at Rives' Chapel (in Hickory Mountain township), and out of the 38 registered voters 18 voted for the tax, which was defeated as the law requires a majority of the registered voters.
 —A Sunday School Conference of the A. M. E. Church will begin tonight at the colored Methodist church here and will be one of the largest gatherings the colored Methodists here have ever had. The principal address will be delivered by Rev. R. H. W. Leak, of Raleigh, one of the smartest preachers of his race, generally known as "Parson Leak."
 —There will be an old-fashioned spelling bee at the school auditorium Friday night under the auspices of the Daughters of the Confederacy to which the public generally, both young and old, is invited to attend and enjoy an evening of genuine fun and pleasure. There will also be music and recitations by an accomplished elocutionist. The price of admission will be ten cents. Get out your "blue book" and go to spelling.
 —The Bynum ball team defeated the Sanford-Jonesboro nine for the second time this season on the latter's grounds on last Thursday, the score being 3 to 2. Lee, the crack Raleigh league pitcher, was in the box for Sanford but he was batted much more freely than was Abernethy, the skillful Bynum twirler, who held the Sanford batters down to three hits. Each team scored a run in the 7th and 8th innings, the Bynum nine making the winning run in the 9th inning.
 —Among the recent applicants for teachers' certificates from county superintendent of schools R. P. Johnson, three white teachers received first grade certificates and three received second grade certificates. Among the colored applicants one received a first grade certificate and eight received second grade certificates. Two white teachers also stood the examination for the five-year certificates and two young men were examined for admission to the A. & M. College at Raleigh.

Wednesday; returning it will leave Portsmouth at 8 p. m. Thursday, August 6th, thus giving two full days at the seashore resorts. Coaches will be attached for colored people. Roundtrip rate from Pittsboro will be \$3.50.

Pleasant Picnic.
 On last Saturday there was a Sunday School and Masonic picnic at Merry Oaks that was attended by a very large crowd and was much enjoyed by all who were so fortunate as to be present. Speeches were made by Rev. George Underwood, Rev. Richard Clark and Hon. John W. Atwater and others. Mr. Joseph D. McIver acted as master of ceremonies. One of the most enjoyable features of the occasion was the very good singing, led by Mr. Tom Churchill.
 At the recess in the exercises a most sumptuous dinner was enjoyed by all that large crowd, everybody having a plenty to eat and of the best quality, such as our Chatham housewives know so well how to prepare. Altogether it was a most enjoyable occasion, and the only drawback was the rain which fell late in the afternoon and threw a decided damper on some of the crowd.

Farrell for Commissioner.
 Mr. Editor: As Mr. W. O. Farrell has announced himself as a candidate, subject to the action of the Democratic county convention, for county commissioner, I wish to say that he is well qualified to fill the position. Two years ago in the convention, he at that time being a candidate and in the lead, when the gallant O. A. Hanner raised his voice for a man from the western part of the county, I remember well how Mr. Farrell sprang from his seat and withdrew his name in favor of one from the western part of the county. Now I think with all fairness to Mr. Farrell he ought to be nominated, not just simply for that but because he is fully competent. Give us W. O. Farrell from Centre and two more good men for commissioners and Hayes for the Legislature and the balance will be O. K.
 J. M. Keek.
 Evans, N. C., July 20.

County Commissioners Suggested.
 Mr. Editor: I wish through the columns of The Record to second the nomination of one person for county commissioner who was highly recommended in The Record of last week. That man is Mr. W. M. Lindsey, of Rock Rest township. He is one of his township's best business men, and a most talented young man of whom any township or county might be justly proud. I think he would make an excellent county commissioner. I also wish to second the nomination of Mr. W. O. Farrell, of Centre township, who needs no recommendation. And, furthermore, I would like to suggest to the Democratic voters of Chatham that we nominate Messrs. W. M. Lindsey, W. O. Farrell and N. J. Wilson, who is a member of our present board, as our candidates for county commissioners.
 I. W. Durham.
 Roseco, N. C., July 17th.

NOTICE TO BRIDGE CONTRACTORS.
 Notice is hereby given that at the next regular meeting of the board of county commissioners on August 3rd bids will be received for the repair of the roof to the covered bridge at Bynum. Bids for either shingle or tin roofing will be received. If contract for an entire new roof is given, the bid will be for 550 linear feet of roofing; if only the damaged part is repaired, 297 feet of roofing will be required. The rafters are 8 1/2 feet long. Persons interested can make their own measurements and figure on both kinds of roofing, if they choose. Prospective bidders are advised to be present in person when submitting their bids.
 S. W. HARRINGTON,
 Chairman.
 July 21, 1908.

Candidates Suggested.
 Mr. Editor: I wish to suggest the following ticket:
 For the Legislature—R. H. Hayes.
 For Sheriff—G. W. Perry.
 For Commissioners—N. J. Wilson, W. O. Farrell.
 This ticket completed with good men success is ours.
 C. D. Moore.

New Hope township, July 20.

The Primaries.
 The Democratic primaries, which will be held on the 1st day of August, will be attended more largely than any that have been held in this county for many years. The chief interest is in the nomination of sheriff, for which there are five candidates, all of whom are good men and have many friends. The next most interesting contest is for that of register of deeds, for which there are three candidates.
 These primaries, or precinct meetings, will be held at the usual voting place in every precinct, beginning at 3 o'clock in the afternoon. According to our plan of organization a vote must be had for the different candidates whenever anybody demands a vote, and this will probably be demanded at every precinct. Indeed all the candidates, in anticipation of this, have had their tickets printed and distributed. When the votes are counted the chairman and secretary of the precinct meeting must certify in writing the result, showing the number of votes received by each candidate and also the proportionate part of the precinct's vote in the county convention to which each candidate is entitled.
 Every precinct can elect as many delegates to the county convention as it wishes, but those delegates (whether few or many) can cast only as many votes as the precinct is entitled to in the county convention.

Visit to Siler City.
 On last Friday the editor of The Record spent a few hours at Siler City for the first time in nearly two years, and we were pleased to note the marked improvements that had been made there in that time. It is now the largest town and most important station on the old Cape Fear & Yadkin Valley railroad (now a branch of the Southern) between Greensboro and Sanford. It certainly could not now be recognized as the place known as "Mathews' Cross Roads" only twenty-five years ago!
 The most marked improvement since our previous visit is the fine hotel erected last year by Mr. F. M. Hadley and so well kept by Mrs. Thackston. It is a commodious brick building furnished with all modern conveniences, such as water-works, bathrooms and gas. The bedrooms are neatly furnished with first-class furniture, and altogether it is a hotel that would do credit to a much larger town. There are now quite a large number of brick stores and in front of them are smooth cement sidewalks equal to those seen in many cities. The cotton mill is running on full time, day and night, although most mills have curtailed their work. Siler City can now boast of being the metropolis of Chatham, as it has nearly twice the population of Pittsboro, although just one hundred years younger.
