Nearly 100 voters were at Harper's X Roads last Saturday afternoon to hear the political issues discussed by Messrs. R. H. Hayes, W. D. Siler and O. A. Hanner, and judging from the interest taken the Democrats of old Bear Creek township will do their full duty at the coming election.

The millinery opening at W. L. London & Son's last week was quite a success and they thank the public for the generous patronage given it. From now on through the season you can find the newest in millinery and they will not let their stock run down, but will add to it as the new designs come out.

A large crowd should be here on Friday of this week at 2 o'clock to hear Hon. T. W. Bickett, of Louisiana, the Democratic nominee for Attorney-General speak on the political issues of the day. He is considered one of the best stump speakers in the State and a treat is in store for all who hear him.

Ladies, before you buy your dress goods for this season take a look at the line they are carrying at W. L. London & Son's this Fall. The noblest line of 50 cent materials ever shown by them before. The exclusive dress patterns will not fail to interest you. A splendid stock of skirt materials.

McCain, of Vance county, Presidential Elector for this district, will be seen elsewhere in this issue, will address the voters of Chatham at several appointments September 23, 24 and 30. Tell your neighbor about these speakings and be sure to go yourself.

As will be seen elsewhere in this issue, Sheriff Milliken will on Thursday, October 8th, begin on his annual rounds to collect the taxes, so that the public will be governed accordingly. The county candidates, as has been the custom for years past, will accompany the sheriff at these appointments and have a joint discussion on the issues of the day.

Bridge at Moore's.

The boards of road and county commissioners of this county were in joint session here last Monday, as previously advertised, and awarded the contract for rebuilding the bridge over Haw river at Moore's mill to Mr. W. H. Hearne, of Bynum, the contract price being \$1,878.50. This was the lowest bid by several hundred dollars of any of the half a dozen bids submitted, the highest bid being \$9,798 for an iron and steel structure.

The bridge is to be a wooden lattice one, similar to the one washed away, and will be completed, Mr. Hearne tells us, with favorable weather conditions by December 1st, certainly by January 1st. Our commissioners are to be commended for their prompt action in letting the rebuilding of this bridge, which is so important a link between western and eastern Chatham.

Coroner's Inquest.

A coroner's inquest was begun yesterday and continued today over the body of a young negro named John Manning Milliken who died under rather peculiar circumstances yesterday morning on the plantation of Mr. Joe W. Womble, five miles south of here.

On Monday afternoon the deceased and another colored boy named Rob Pugh were engaged in hauling up fodder together, and Pugh states that when making the last trip his companion fell out of the wagon, striking his head, but thought nothing seriously of it. That night Milliken appeared to be in a stupor and early next morning a doctor was sent for but when he arrived the negro was dead. A post-mortem examination of the skull showed that it was broken. The acting coroner (Mr. Spence Taylor) and jury, as we go to press, are still at work on the case, and will probably not render their verdict before late this afternoon.

A mortgage from the Carolina Power & Light Company, of this State, to the Standard Trust Company, of New York, was filed here in the office of the Clerk of the Superior Court and recorded this week by Register of Deeds W. This mortgage is signed by John D. Mortimer, vice-president of the Carolina Power & Light Company, and by L. L. Stanton, vice-president of the Standard Trust Company, covers 83 printed pages and contains 20,000 words.

Killed by a Horse.

Mrs. Alexander Ketter, aged about forty years, wife of a farmer residing near Crater's Mill, seven miles west of the city, lost her life in a somewhat peculiar manner Wednesday night while returning from services at Harmony Grove church.

It appears that Mrs. Ketter was walking with some friends in the middle of the road when she was run into by Anderson Hege, a young man on horseback. She was knocked down and it is believed that the animal's front feet struck Mrs. Ketter on the head, as she was knocked senseless. She was removed to her home, where she passed away at 3 o'clock this morning. According to the information that came to The Sentinel, Mr. Hege, who was also en route home from Harmony Grove church, struck his horse two or three times with a whip or switch. The animal dashed off at a rapid speed, got beyond control, and ran into Mrs. Ketter, resulting as above stated.

The deceased, besides a husband, leaves five children, two of them being twins, about two years old. Mr. Ketter, who is a poor man, but an industrious farmer and a splendid citizen, has the sympathy of many friends in his bereavement.

Carelessness Causes Three Deaths.

San Diego, Cal., Sept. 18.—Carelessness of a nurse in leaving water containing atropine where it was accidentally used in taking medicine, has, up to tonight, caused three deaths among patients at the county hospital. A fourth death is expected and four other persons are seriously ill.

All patients were taken violently sick Thursday afternoon and evidence of poison was so great that an investigation was started. Finally a nurse, Miss Mary Arthur, 19 years old, said that she had neglected to throw out some water in which there was a quantity of atropine and that the patients had got hold of it. She realized her mistake as soon as the inmates became ill, but did not confess her error until the investigation had brought the deaths almost home to her.

Resolutions Condemning Judge Peebles.

Salisbury, N. C., Sept. 18.—At the closing session of Rowan County Sunday School Convention, held at Thyatira, Rowan county, this week, resolutions were adopted directing P. S. Carlton, president of the association, to investigate the report that Judge Peebles had directed a nolo pro in the case of a man indicted for disturbing Sunday school exercises, and if the rumor is well founded the convention places itself on record as condemning the action of the judge. The matter was propagated in the convention by the ladies in attendance.

Chapel Hill News: Mr. Ralph Merritt informs the News that Mr. R. H. Lloyd, on Rt. No. 3, raised a best this year that was 22 inches long, 18 inches around, and weighed 9 and a half pounds. The big "devil wagons" between Durham and Chapel Hill, have been playing in hard luck this week. On Monday morning one of the Durham Auto Co.'s machines stalled in the creek at Strowd's ford and the passengers had to walk to Chapel Hill. On Tuesday morning between two and three o'clock, while one of the big wagons was coming around the second curve on the Strowd hill, the "devilish" thing left the road and went down a steep embankment with fourteen passengers aboard. It struck a pine tree and hung up, but fortunately no one was injured.

Henry Haymore, of Sarry county, killed a bald eagle the other day which weighed 30 pounds and measured 7 feet 6 inches from tip to tip. This was the first seen in many years. The man was hunting squirrels when he got a shot at the eagle.

Maj. D. H. Hamilton, who for the past ten years has been Clerk of the Superior Court of Orange county, died at his home at Hillsboro Friday morning, after a brief illness, in the 71st year of his age. During the war he was a brave and capable officer attaining to the rank of major.

Don't be afraid to give Chamberlain's Cough Remedy to your children. It contains no opium or other harmful drug. It always cures. For sale by G. R. Pilkington.

The commissioners of Harnett county will rebuild the bridges which were destroyed at Duke and Lillington by the recent flood. It is estimated that the two bridges will cost \$30,000.
