KENILWORTH INN BURNS THE NEWS IN BRIEF TWO AMERICANS SLAIN

Confirmation Received of the Killing of American Missionaries at Adans -Others Connected With the Mission Are Safe.

Constantinople, By Cable.-Confirmation has been received here of the killing of two American missionaries at Adana. The murdered mission aries were Mr. Rogers and Mr Maurer. The others connected with the missions are safe, including Mr. Christie, who is at Tarsus.

Three French warships are hurrying to Mersina, where the situation is desparate. Foreigners and many Christians have taken refuge in the consulates. The local troops and the against the invasion of the Moslems, who are sweeping down in large numbers. The American vice consul at Mersina, John Debbes, has been British warship is proceeding to Alexandretta, which is threatened by the

Moslems. The Chamber sent a deputation to the barracks to explain to the soldiers the evil results of disobedience. The Deputies for Alephao and Adana demanded immediate measures to restore order in the Adana district and to punish the ringleaders of the massacre. A motion to this effect was adopted unanimously. According to the latest news from Adana, the missionaries do not dare to leave the mission house. They are suffering from lack of provisions and medieines, and have sent an appeal to the Adana is still burning and it is reported that not less than three thou-

sand people are homeless at Tarsus. Late telegrams received from the British vice consul at Adana state ered. It burned faster, the firemen that there are apprehensions of further trouble at that place.

Black's Livery Stable in Ashes Six

Horses Burned-Loss \$25,000. Charlotte, N. C., Special.-A fire which dared the utmost efforts of the threatened to wipe cut of existence dwellings, a conflagration brought thousands to view the confliet, was that which razed to the ground the long, two and three-story brick structure which it early claimed as its own. Result, six horses dead, the building and contents, ineluding vehicles, harvesting and farming machinery entirely destroyed, with an approximate total loss of \$25,000; with damage done to the stables of Mr. R. C. McManus nearby to the southeast on College street to the extent of about \$1,200 and a similar amount of loss charged up to Mr. A. W. Whitaker's stables, which done to the two latter establishments was wrought by the collapsing of heavy brick walls which carried with

WASHINGTON NOTES

Congress will have many ship subsidy bills to select from, if it con-The Edison Phonograph Company cludes to act on that kind of legislation during the Sixty-first Congress. Representative Sulzer, of New York, is the latest members to introduce a bill on the subject. His bill provides for a graduated system of tongard to New York statutes governing nage taxes in favor of American the behavior of children, calling them built ships and against foreign ships.

"It follows closey the poicy of the early statesmen," said Mr. Sulzer, explaining the bill. "During the continuance of the old law the United States had the finest deep sea carrying fleet in the world."

The Democratic senators will not delay the passage of the traiff bill. They held their second conference Saturday and while no formal conclusion was reached on any point there was a consensus of opinion in favor of permitting the Republicans to take entire charge of the measure with the understanding that they assume, as of an equal number of warships of they necessarily must, the entire responsibility for it.

It was stated that the postponement of proceedings in the senate was due to a request from the Democrats, but they take exception to this statement, claims against the New York City and say they will be prepared to proceed with he consideration of the bill whenever the Republican senators desire to take it up.

The nearest approach to a formal egreement of the senators was a reitcration of their former expressions in favor of an income tax. There is no doubt that the party in the senate is united on that point, but there was no effort to bring about a concerted unbaby and it burned to death at poet and essayist, died Saturday derstanding on rates of duty on any morning in London.
