

WEDNESDAY, Nov. 17, 1909. H. A. LUNDON, Editor.

A recent notable trial in France strikingly illustrates the difference in the administration of justice in that country and in the United States. We allude to the trial of Madame Steinheil on the charge of murdering her husband and stepmother. At her trial the presiding judge acted so very differently from the judges in this country. In that trial, which seems to be the practice in all trials in France, the judge acted as a prosecutor and not only closely questioned the pris-

oner as if he was the prosecuting from his office!

ures of the practice in French | ball. courts. One is the having "substitute" jurors, just like the foot- Point cadet and the killing last ball and baseball teams have sub- Saturday of a member of the Ungame. not sworn when the are other jurors are empanelled, brutality of this dangerous sport. and when any of the regular ju- should certainly be rendered less rors are disabled from duty, they dangerous by forbidding the presare then substituted in their ent way of playing it.
