PITTSBORO. CHATHAM COUNTY. N. C., WEDNESDAY, APRIL 20, 1910

Will Have Another Chance at U.S. Senate

PRIMARY ELECTION TO BE HELD

senator Percy's Suggestion That His Election Be Repudiated or Endorsed, Adopted by Legislature-Will be Held in November.

Jackson, Miss., Special .- After endersing the suggestion of United States Senator Leroy Percy that a nimary election be called in effect to serve as an endorsement or repudiation to the people of his election to Cengress, the Mississippi Legislature adjourned sine die Saturday after probably the most sensational legislative session in the history of

The resolution as to the primary adopted by the Legislature instructs the State Democratic executive committee to call the election to select s party senatorial nominee for the regular term which will begin in 1913 to be held during the month of this State. Nevember of this year. In this priwill both be candidates. Should the result be untavorable to Percy he screed, in his address, to tender his resignation as United States Senator for the present term to the next session of the State Legislature, an apmintment to be made by the Govemer to held until the nominee seletted at the proposed primary is stated in 1913. Both Senator Percy to Chairman Lomax of the Demoagreeing to this plan.

Both Virginias File Objections.

Washington, Special .- The State of West Virginia and Virginia Satarday filed in the Supreme Court of the United States exceptions to the report of Charles E. Littlefield, special master, to ascertain facts as a basis of arriving at the proportion of the debt of Virginia before the organization of West Virginia, that the latter State should pay to the

According to the report West Virginia may be called upon to pay between \$3,000,000 and \$9,000,000 to the mother State. The principal objection made is that West Virginia, objecting to the master including in the aggregate amount of ordinary expenses of Virginia from 1823 to 1860 the sum of \$18,000,000 as interest on the public debt.

Football Victim Finally Passes. Annapolis, Md., Special.—Earl Wilson, the Navy football player, died Saturday morning.

Wilson, who was from Covington. Ky., was injured October 16 last, in the game against Villa Nova College. It was while making a flying tackle that the back of his neck struck violently against the ground. An exsmination revealed a fracture between the fourth and fifth cervical vertebrae, and the spinal cord was severely depressed, causing complete paralysis from the shoulders down, An operation was performed by which the pressure on the spinal cord was relieved, and physicians felt that this would bring about his recovery, but in vain.

Other Lucky N. & W. Employes. Roanoke, Va., Special .- The train-

men and yardmen employed by the Norfolk & Western Railroad get an merease of 6 per cent in pay. The new wage schedule was arranged at conferences held between the management of the road and representatives of the employes.

Eight Farmers are Guilty. Cincinnati, Special,-Eight Grant founty, Ky., farmers were found guilty of conspiracy in restraint of trade by a jury in the United States district court at Covington, Ky., Saturday. Of the twelve men indicted

one was dismissed by order of Federal Judge Cochran and three others were acquitted in the verdict given by the jury. Fines ranging from \$100 to \$1,000 were imposed. Taft Endorses Southern Congress. Washington, Special. - President

Taft Saturday received the executive committee of the Southern Commercial Congress. A full statement of the purpose of this patriotic endeavor was made to him by John M. Parker of New Orleans and G. Grosvenor Dawe, managing director, of Wash-

President Taft expressed his unreserved interest in this co-operative endeavor to make the advantages of the South fully known.

The executive committee appointd Thomas L. Field, now of London, but formerly of North Carolina, agent general for the British Isles.

New Orleans Port Clear.

New Orleans, Special.—That reports of fraud in the weighing of sugar at the port of New Orleans were without grounds and that the government had not lost a penny in this connection was the gist of the report which Assistant Attorney General W. T. Denison placed in the jury in this city.

10 YEAR OLD MOTHER. Daughter is Born to a 10-Year-Old

county hospital several days ago. It

was reported that the young mother and child were doing well.

Convention of Women Suffragists. Washington, D. C.—The president of the United States, the first chief executive of the nation ever to greet a convention of women suffragists, braved the danger of facing an army of women who want the ballot; had the courage to express his opinion, and was hissed.

So great was the throng that sought admission to the hall that hundreds were turned away.

President Taft was welcoming to Washington the delegates to the convention of the National Woman Suffrage convention. He frankly told them that he was not altogether in Colonel Duncan B. Cooper and Robin sympathy with the suffrage move-Cooper, Cather and son, convicted ment, and was explaining why he could not subscribe to its principles. He said he thought one of the dangers in granting suffrage to women was that the women as a whole were

'less desirable class." When these words fell from the president's lips the walls of the coninine hisses. It was no feeble demonstration of protest. The combined ing a dissenting opinion in the case hisses sounded as if a valve on a

President Taft assured them he had not had his feel ings injured in the least.

10 CHILDREN A DISGRACE.

Suffragette Advocates Quality and Not Quantity in Children. Washington, D. C .- "Ten years hence, to be the father of ten children will be as much of a disgrace as being a confirmed drunkard is at present," declared Mrs. Lareine Helen Baker of Spokane, Wash., a suffragette who will be heard along original lines of thought at the convention of the National Women's Suffrage associaion, which opened in this city. Her studies of children all over the world, she said, had convinced her that "not more than 10 per cent of them are children of love, and the other 90 per cent are not wanted." "Roosevelt, poor ignorant man,

she continued, "urges large families, but I tell you it is quality in children, not quantity. Woman suffrage will better children, for it will produce better thinking. It is the mental, not the physical, that rules progressive action today and teaches us that the greatest crime of the ages is too many "When they (parents) have learned

that fully nine-tenths of all the babies born every year are nothing more the birth rate will decrease and we shall have a better and stronger race, "Before I leave Washington," said Mrs. Baker, "I intend to find out how many millions of dollars are being appropriated to stamp out diseases in animals and to improve the breed of horses, pigs and live stock of all sorts: in fact, evereything but the human species. What humanity needs is a Luther Burbank, I would have been imprisoned a few years ago for advocating these views, which, happily, all progressive thinkers are now coming to adopt."
