FIRE WASTE.

day that was designated for that our sincere sympathy. purpose by the Convention of Fire Marshals of America and the National Convention of Insurance Commissioners.

On that day all property owners were urged to examine carefully their premises and see that all rubbish likely to cause a fire was removed. Especial attention was called to the importance of examining their chimnevs and flues and see that they are safe for winter use. Remember the old saying that "An ounce of preventive is worth a pound of cure," and use every precaution against fires during the coming winter. A most destructive conflagration can be, and often is, started by a cause that could have been so easily pre-
