Tell your neighbors that they will miss a grand occasion if they fail to come here next Saturday to the Democratic barbecue and speaking. So large a crowd is expected that our commodious court-room will not be able to hold them.

On account of the big barbecue and Democratic rally to be held here next Saturday, October 12, there will be no other Democratic speaking in the county that day or night, as everybody in the county is expected to be here Saturday.

On last Sunday a seventeen-year-old son of Simon Alston (colored) was accidentally shot in the arm by another negro youth, who was snapping an "unloaded" pistol. This occurred at Mitchell's chapel, about three miles west of this place.

On last Sunday the 12-year-old son of Mr. Robert L. Tysor, of Oakland township, was kicked unconscious by one of his father's horses, and it is a wonder his skull was not fractured, the hoof striking him on the forehead. Dr. Chapin was sent for and with a few stitches sewed up the wound, and the boy is getting on all right.

On last Sunday night by invitation of Rev. V. A. Royall, the pastor of the Methodist church at this place, Dr. J. H. Ibric delivered an address that was heard with much interest by a very large congregation. Many said it was the best temperance address they had ever heard, and, at the close of the services, many went forward and shook hands with the speaker.

Hunting wild turkeys out of season and in violation of the game law is rather an expensive pleasure, as was experienced by two of our countymen yesterday, W. W. Fields and Madison Clark, who were convicted in a magistrate's court at Goldston and fined, the former \$5 and the latter \$10 more. Much interest was taken in the trial, about 75 persons being present and a regular jury trial was had, something rarely had in our magistrates' courts.

That the automobile is a most uncertain way of travelling was illustrated last Friday by the experience of two citizens of Raleigh. They had an important business engagement here that day with other parties, and in order to get here before the train (which usually arrives about noon), they started in an automobile but when about twelve miles from here it broke down and they had to travel with a mule team and consequently did not arrive here until late that afternoon.

The Seaboard Air Line will run a special train from Hamlet to Raleigh on Wednesday and Thursday of next week, on account of the State Fair, and persons can go from here both mornings in time to connect with that train at Moncure, as has been customary at our previous fairs. The special will leave Raleigh in the afternoon at 5:40 o'clock and connect at Moncure with train to Pittsboro. Through coach will be run from here to Raleigh and return. The train will leave here at 8:30 o'clock, as usual.

We regret to hear of the death of another gallant old Confederate soldier, Mr. Jesse Johnson, of Albright township, who died last night, aged about eighty years. He had a stroke of paralysis Sunday and died from its effects. He was the father of Prof. R. P. Johnson, our popular county superintendent of schools.

Democratic Speakings. Hon. E. W. Pou, Democratic candidate for Congress, and H. M. London, Democratic candidate for Presidential Elector, will speak at the following times and places in this county: Bennett-Thursday, Oct. 17, 12 m.

John Harris' Store--Friday, Oct. 18, 2 p. m. Thraikill's Store--Saturday, Oct. 19, 1 p. m.

It is somewhat of a coincidence that just forty years ago this month the fathers of the above named speakers canvassed this county together, one of them as the presidential elector for the State-at-large and the other for this congressional district.

Primary Poll-holders.

According to the rules prescribed by the Democratic State executive committee for holding the senatorial primary each of the three candidates is entitled to have one poll-holder at each precinct, and those poll-holders must be appointed by the chairman of the Democratic county executive committee in every county upon the recommendation of the candidates. In this way every candidate will have one of his friends at every voting place.

The following have been appointed the poll-holders in this county, the first name at each precinct being a Clark man, the second a Kitchin man and the third a Simmons man, as follows:

- Albright's--John W. Perry, James O. Clark, H. A. Teague. Baldwin--J. J. Hackney, Sr., Carrie Smith, G. G. Ward. Bear Creek--Frank White, Charles White, F. S. Tally. Buckhorne--Thomas Y. Mims, James E. Cross, J. M. Ragland. Centre--C. Walker Hanks, W. F. Bland, Jeter J. Perry. Gulf--M. J. Jordan, J. Rom Moore, George D. Frasier. Hadley--J. A. Perry, Ostia Perry, Walter Mann. Haw River--Dr. P. D. Laster, W. O. Farrell, John Bell. Hickory Mountain--J. Leonard Ray, Ruffin Holt, L. A. Brooks. Mt. Vernon Springs--John Brewer, J. A. Dowd, John Hannah. Merry Oaks--W. T. Edwards, W. J. Bland, C. B. Thompson. New Hope--Bob Farrell, Lonnie J. Mills, R. E. Harris. Oakland C. M. Pattihsall, W. B. F. Johnson, Wharton Seagroves. Richmond--W. F. Norwood, John H. Lane, W. P. Kirkman. Siler City--J. M. Bridges, G. G. Dark, W. J. Hackney. Williams--J. H. Williams, E. J. Riggsbee, W. M. Waller.

Senatorial Primary. There seems to be some misunderstanding with some about the senatorial primary which is to be held on election day, and for their information we will explain as plainly as we can.

The Legislature next winter will elect a United States Senator, and the primary on election day is held by the Democrats for the purpose of selecting their candidate to be elected by the Legislature. The primary is only "a family fight" among the Democrats and is for the purpose of deciding who is their choice for the Legislature to elect. The primary is not a legalized election (although the result of the primary will amount to an election) but the election must be made by the next Legislature.

The Republicans have no hope of carrying the Legislature and therefore there is no need of their having a senatorial primary to determine their choice for Senator. If they wish to have a senatorial primary they can do so, and every Republican can vote in it for the man whom they wish their members of the Legislature to vote for next winter, but of course Republicans cannot expect to vote in a Democratic primary and Democrats cannot vote in a Republican primary. If any Republican wishes to vote in the Democratic senatorial primary he must first vote the Democratic ticket. If the Republicans have a primary they would not let Democrats vote in it, of course, unless such Democrats vote the Republican ticket, and this is all right.

If any former Republican wishes to vote in our Democratic senatorial primary he will be cordially welcomed, but he must then and there first vote for the Democratic nominees.

Chronic Dyspepsia. The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia. "I have been a chronic dyspeptic for years, and of all the medicine I have taken Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, No. 7 Sherman St., Henselville, N. Y. Sold by all druggists.

To aid in educating the public to the necessity for more autopsies, 200 physicians of Brooklyn and Long Island have voluntarily agreed to place their bodies after death at the disposal of science.

Saved by His Wife. She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braines, W. V., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F., "for dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles--grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cents and \$1. Trial bottle free. Guaranteed by G. R. Pilkington. advt

M. Scott. Oakland--W. B. F. Johnson, F. L. May, Charley Phillips. Williams--E. M. Farrington.

Republican Meeting. There was a meeting held here last Monday of the campaign committee of the Republicans and some of the delegates who attended their last county convention. The object of the meeting was to nominate a candidate for sheriff to take the place of J. C. Gregson, who had been nominated at their convention but who had declined the nomination. Only two names were presented to the meeting, Logan N. Womble, of this place, and W. F. Jones, of Hadley township. After these names had been presented the committee retired to the jury room and, after consulting, returned and announced that they had nominated Mr. Womble.

The only other business transacted was the adoption of a resolution in favor of abolishing the fee system for our county officers, and fixing the salary of the sheriff at \$2,500 and the salary of the register of deeds at \$1,500. Several of the delegates announced that they would accept either office at a much less salary.

BARBECUE AND SPEAKING

Atty-Gen. Bickett and Others to Be Here Saturday, Oct. 12.

On Saturday, the 12th of this month, the Democrats of Chatham will have a grand rally at this place, that will be one of the greatest political meetings ever held in this county. There will be several prominent speakers, including Attorney-General Bickett and our next Lieutenant-Governor, Mr. E. L. Daughtridge. The speech of Mr. Bickett alone will be worth riding many miles to hear, for there is no more entertaining speaker in the State than he is and a rich treat is in store for all who will then hear him.

In addition to unusually good speaking there will also be a big free barbecue dinner for everybody, to which men of all parties are invited, including "Independent Progressives," old-line Republicans and Bull Moosers. Let everybody come out and hear good speaking and eat a good barbecue dinner, and have a good time generally.

Beware of Ointments for Catarrh that Contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.
