On Tuesday of last week a young negro named Henderson Heath was arrested by Constable J. C. Bowers, of Hickory Mt. township, on the charge of stealing two bushels of wheat from Mr. Dewitt Smith. When crossing a creek, on the way to the magistrate's trial, the prisoner made a pretense of fastening his shoe and suddenly making a dash for liberty escaped.

On Monday night of last week Mr. Charlie White, who lives near White's bridge in Oakland township, had the misfortune to have his barn and stables burned by fire. He was awakened about one o'clock at night by the frantic braying of a mule which had escaped from the burning stable. Another mule and two cows were burned to death and all of this year's wheat and oat crop and fodder were consumed by the flames. It is not known how the fire started.

The present price of cotton must be a sad disappointment to those Republicans who so confidently predicted that the price would fall to six or seven cents if Wilson was elected. This prediction is like many others made by the same persons during campaign times.

Personal Items.

The '42 Club' will meet Friday afternoon of this week at 3:30 o'clock with Mrs. B. M. Poe.

Mr. J. D. Griffin left yesterday for Raleigh to fill his former position as one of the House employees.

Mr. S. E. Barbee, of Clayton, has accepted a position with the Chatham Oil and Fertilizer Company here.

Mr. Fred W. Bynum has gone to Raleigh to attend the extra session of the Legislature, which begins today.

Mr. D. B. Melton returned to his home in Tarboro Sunday, after a visit here to his daughter, Mrs. J. W. Pegram.

Mr. James S. Milliken left Monday for Philadelphia where he will enter the third-year class of the Jefferson Medical College.

Mr. Jas. H. Kidder will arrive from New York tomorrow to spend some time at his hunting lodge, 'The Covey,' one mile east of town.

Mr. J. C. Lanier leaves here Sunday for Atlanta on his annual collecting trip for the Wrought Iron Range Company. He will have charge of 42 collectors and will be gone a month.

Baptist Association.

The 155th annual session of the Sandy Creek Association will be held next week with Mt. Pleasant church in Randolph county, beginning on next Thursday, the 2nd of October. All the Baptist churches in this county west of Haw river belong to this association, as do also many of the Baptist churches in Alamance, Randolph, Lee and Moore counties.

This is said to be the second oldest Baptist association in the United States, and among its members are many of our State's best citizens. The introductory sermon next week will be preached by Rev. J. B. Willis. No doubt many of our countrymen will attend this session.

The Grit Contest.

Our enterprising contemporary, the Siler City Grit, has just closed one of its popularity contests by which it has added 424 new subscribers to its list. This contest was over the prizes offered for the most popular babies in the county, and the prizes were well worth contesting and working for. The first prize was \$50 in gold, the second \$30, the third \$15, the fourth \$10, and other prizes in merchandise at some of the stores in Siler City. The scale of votes was 5,000 votes for one year's subscription, 2,000 for six months, 12,000 for two years and 20,000 for three years.

The contest closed last Monday and the votes were then counted, and the prizes announced as follows: First prize to Mary Womble Elkins, second prize to Nina May Phillips, third George Curtis Perry, fourth Hugh Edwin Peoples.

Married Fifty-Five Years. Editor of The Record: My wife and I have been married fifty-five years the 8th of last August. She is 73 years old and I am 78. We have had 7 children, four of them now living. We have 25 grandchildren and 5 great-grandchildren.

My mother is quite well, although she will be one hundred years old next May. She has a good appetite and enjoys her meals. She goes to the spring now and then and carries a bucket of water to the house and does not seem to weary over it, which is remarkable for anybody in their hundredth year.

Meetings of Committeemen.

The last Legislature passed a law that there should be held in every township annually a meeting of committeemen and county superintendent for consultation in regard to the selection of teachers for the public schools.

Last Saturday, Sept. 20th, I held the last one of these meetings in Hickory Mountain township, at the Charley Burke schoolhouse. It took me two weeks to make these rounds of townships. In several townships every district of both races was represented by committeemen, and in all the townships these meetings were well attended.

These committeemen did not quit their work and go to these appointed meeting places, in sunshine and in showers, merely to satisfy an idle curiosity as to what would be done at these meetings, but they did so on account of an interest they felt in their schools.

And it has been said that committeemen are the most zealous schoolmen in the county, and I believe it. I was highly pleased at their good attendance and at the enthusiasm they manifested.

In some counties there are formed associations of school committeemen for the purpose of planning better things for their schools. These meetings, I am informed, are very successful in promoting school interests.

Why might not Chatham county occasionally have such meetings?

Teachers, please remember that the last public examination of this school year will be held in my office in Pittsboro on the second Thursday in October for white teachers, and on Friday following for the colored teachers. There will be no private examinations given unless the applicant was prevented from attending the public examination on account of strictly providential hindrances.

A Cavalry Review.

Washington, Sept. 21.—President Wilson will be given an opportunity during the first week of October to review the largest aggregation of mounted troops of the regular army that has assembled in Washington since the grand review in the late sixties of the seasoned veterans led by General Grant, Sherman and Sheridan. This aggregation, composed of the Tenth, Eleventh and Fifteenth Regiments of cavalry, has been encamped at Winchester, Va., since the middle of July and will break camp October 1.

It is planned to have these regiments march to Washington where the President may review them. During their stay here they will be encamped at Fort Myer, Va., and at the Washington barracks. There are 2,000 men and horses in all. Their work at Winchester trying out various plans of troop, squadron, regimental and brigade formation and the latest drills and exercises as set down by the cavalry board which studied European cavalry methods for some time has put them in the finest condition.

Robeson's Champion Cotton Picker.

From the Red Springs Citizen.

Master Ben Frank Stanton is again to the front as champion cotton picker of this section. Last year he picked in one day 310 pounds, and this year he beat his own record with 331 pounds in one day. Ben is 14 years old and weighs only 100 pounds, and is the son of Mr. H. M. Stanton, one of our most progressive and successful farmers.

Died of Lockjaw.

Pittsburg, Sept. 22.—Raymond Clew, five years old, and Catherine Flynn, aged seven, pupils in the public school of Morrisville, Pa., died of lockjaw in a hospital here today as a result of picking the wounds on their arms after having been vaccinated. The children were compelled under a law to submit to vaccination at the opening of the school.

MANY GOING TO CIRCUS.

Barnum & Bailey Attracting Thousands With Many New Novelty Features.

The Barnum and Bailey Greatest Show on Earth is attracting unusual interest this season with its wonderful program of European novelties, its rebuilt parade, its complete menagerie, and its recently added \$500,000 world-class spectacle of 'Cleopatra,' all of which will be seen in Raleigh on Oct. 9.

The parade, which takes place at 10 o'clock in the morning, is three miles in length. In the menagerie will be found the only baby giraffe on exhibition anywhere on earth. The inaugural spectacle of 'Cleopatra' is produced on the biggest stage ever devoted to an open air amusement. It is erected in the main tent of the show. There is a cast of 1,250 characters, a grand opera chorus of 400 voices, an orchestra of 100 musicians, a ballet of 350 dancing girls, 650 horses, five herds of elephants, caravans of camels, and an entire trainload of special scenery, costumes and stage effects. This is the greatest spectacular, theatrical and circus event in the history of amusements in America.

Among the many European novelties on the regular program which follows the spectacle, are Katie Sandwina's wonderful strong-woman act and novelty feats by a company of Japanese warriors and jiu jitsu experts, Winston's riding and juggling seals, the Fillis troupe of dancing and jumping horses, a brass band of stallions, Berzac's mule and monkey circus, the Siegrist-Silbon family of high air vaulters and somersaulters, Mae Wirth, the greatest bareback and somersault rider in the world; Victoria Codona, queen of high wire experts; the Georgetty family of strong arm jugglers, the Florence, Les Jardy and Les Deko families of acrobats, seven herds of trained elephants, and the fifty funniest clowns in the world.

The Barnum and Bailey circus for more than fifty years has stood at the head of the world's amusement affairs. This year it is more interesting than ever before, and twice as big. It travels on a train more than a mile in length, covers fourteen acres of ground, and has nearly 1,560 employees, 700 horses, nearly two-thirds of the elephants in America, 110 cages in the menagerie and over 2,000 wagons and other vehicles. The two performances that will be given in Raleigh will be exactly the same as those presented at Madison Square Garden, New York, where the season was opened in March. Not one detail has been changed. The great spectacle was said to be the most notable dramatic event in the history of amusements in that city, while the circus proper was credited with being the best ever given there.

The Spanish Princess' Affliction.

Manchester, England, Sept. 21. Relatives of the Queen of Spain have been shocked by the news that the second daughter of the Queen, like her second son, will be both deaf and dumb, says the Manchester Guardian.

It is feared that the little Spanish princess is totally deaf and unless this can be corrected she will probably never be able to speak.

The pessimistic reports of the Royal physicians and specialists have nearly broke the heart of the Queen. She goes constantly with her children to the convents of the religious orders in and near Madrid to ask for prayers of intercession on their behalf and particularly of late on behalf of her young daughter.

Sanford Express: To give you some idea of the high price of things that are put on the Sanford market we will state that a farmer came to town one day last week with 36 chickens, 4 hams and 2 pigs for sale. When he left town he carried away \$36.80 as total receipts for these things. The farmer may have been the bottom rail years ago, but he seems to be on the top rail now. The man who is working on a small salary or wages with a family to support is the fellow who is getting it 'in the neck.'

Nothing better for indigestion or biliousness. Price 50c and \$1, at G. R. Pilkington's. advt

The mine output of gold, silver, copper, lead and zinc in California in 1912, according to Charles G. Yale, of the United States Geological Survey, was valued at \$26,383,946, an increase of \$1,209,269 over the corresponding value for the year 1911.

Deafness Cannot Be Cured

Local applications, as they cannot reach the diseased portion of the ear, there is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. It is not an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.
