Our problem is (a) to avoid being the trespasser and (b) the manner of our conduct towards those who do trespass. In this lesson the second question is "Jim, what makes that noise?" she treated first. Though a man be overtaken in the very act of trespassing, those who are taught and governed by the Holy Spirit (see chapter 5:16-25) are to prove to the world by their conduct that they are thus taught and governed. They are to "restore such an one," considering at the same time themselves lest they, too, stumble. To restore is to replace, "to reduce a frac-

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for her-self. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

THE CHARM

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes Gire once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

A Home-Made Poison Uric acid, unknown in the days of a simple, natural, out-of-door life, is a modern poison created inside the human body by a combination of meat-eating, overwork, worry and lack of rest. Backache or irregular urination is the first protest of weak kidneys. When the kidneys fail behind in filtering out the excess uric acid, there is danger of gravel, dropsy or Bright's disease. Boan's Kidney Pills strengthen weak kidneys, but if the diet is reduced, excesses stopped, and fresh air, exercise and sleep increased, the medicine acts more quickly. Doan's Kidney Pills have a world-wide reputation as a reliable kidney tonic.

Pride and criticism of others condemn the acts of our neighbor. In verse three we are admonished to bear the burdens-"weights"-of others. In verse five we are told that every man must bear his own burden-"load," i. e., the burden of his own responsibility. No man can bear that load ness, failure and sin. No man is held responsible for the failure and weak-

ness of others, Rom. 14:12, and every

Paul clearly sets before us the responsibility of being enlightened. Being taught, we must pass on the knowledge we have been taught, share the "good things" (v. 6) we have received, see Prov. 11:24; II Cor. 9;6. Those who refrain from thus aiding their teachers gain no personal advantage. The word "mocked" means to sneer.
