

GALOMEL MAKES YOU SICK, UGH! IT'S MERCURY AND SALIVATES

Straighten Up! Don't Lose a Day's Work! Clean Your Sluggish Liver and Bowels With "Dodson's Liver Tone."

Ugh! Calomel makes you sick. Take a dose of the vile, dangerous drug to-night and tomorrow you may lose a day's work.
Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with our bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you feel sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.
Here's my guarantee—Go to any drug store or dealer and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't

straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.
I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste

Claims Lye is Not Injurious.
Prof. M. E. Jaffa of the California state board of health denies that, as is generally believed, lye-peeled peaches are more injurious to health than hand-peeled fruits. The food value, quality and flavor are unchanged, and it is impossible to distinguish one from the other except by the knife marks of the hand-peeled product, he says. Analyses show that the acidity of the fruit is not affected by the use of lye in the peeling process.

Putting Papa Wise.

"Papa," said the hopeful youth, "can you tell me what is natural philosophy?"
"Of course I can," said papa, proud and relieved to find that there was at least something he could tell his offspring. "Natural philosophy is the science of cause and reason. Now, for instance, you see the steam coming out of the spout of the kettle, but you don't know why or for what reason it does so, and—"
"Oh, but I do, papa," chirped the hope of the household. "The reason the steam comes out of the kettle is so that mamma may open your letters without your knowing it."

The Standard Remedy in Countless Homes

Relieves Constipation Easily Without Gripping or Discomfort.
Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering. The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.
Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says, she knows of nothing so effective for regulating the stomach and bowels since taking Dr. Caldwell's Syrup Pepsin she feels ten years younger; her work

Kansas City Women Opposed To Giving Children Medicine

They Find "External" Treatment Better Than Internal Medicines for Children's Colds.
We give below letters from a number of Kansas City, Mo., ladies who were selected by their druggists to try out Vap-O-Rub, the "outside" treatment for cold troubles, introduced in Kansas City last winter. Vap-O-Rub is the invention of a North Carolina druggist. It comes in salve form, and has a two-fold action—first, the body heat releases the ingredients in the form of vapors, that are inhaled with each breath—second, Vap-O-Rub is absorbed through and stimulates the skin, aiding the vapors inhaled to relieve the congestion.
Mrs. James Hollens, 1928 Tracy Ave., has used Vick's herself for colds in the chest and asthma, and has also used it on her children, and "finds it excellent."
Mrs. Almira Turner, 1214 E. 24th St., relieved her husband of bronchitis with two nights' applications. She also used it on her four-months old baby for cold and on the other children, and says—"I find Vap-O-Rub does everything you say."

"ANURIC!" NEWEST IN CHEMISTRY

This is a recent discovery of Doctor Pierce, head of the Invalids' Hotel, Buffalo, N. Y. Experiments for several years proved that there is no other eliminator of uric acid comparable. For those who have recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, "Anuric" acts quickly. In rheumatism of the joints, in gravel and gout, invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.

DUNBAR, 17 Roundy St., Beverly, Mass.
Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did.
