It will be noticed that quite a number of aspirants have announced their candidacy in this issue of the Record. This is the way to let the voters know who are desirous of their votes at the primary. Next week there may be still others. It will be late after the 20th of this month.

A colored woman, named Crecy Crump, died at Haywood, in this county, on last Saturday, who is said to have been between 105 and 108 years old. It was claimed by some that she was 118, but it can be reliably proved that she was over 105 and under 108 years old. For the past year or two she had been helpless, a wreck physically and mentally.

See Dr. S. RAPPORT at Pittsboro, at Dr. Farthing's Office Tuesday May 9th. If you are in need of spectacles or eye-glasses it is unwise to "put off" to-day when you must wear them. I will fit you with suitable glasses in any style, gold filled or Luminum for \$1.00 up including examination. Adv.

THE RECORD has been favored with an invitation to attend the closing exercises of Bonlee High School, which will begin next Saturday night with the annual debate for the Seawell medal. On Sunday the sermon will be preached in the morning by Rev. J. F. Riddick, of Durham, and at night he will deliver an address to young people. On Monday night the primary and intermediate grades will have their exercises.

The United States Civil Service Commission announces that on the 27th of this month an examination will be held at Sanford for the position of postmaster at Moncure. Application forms and full information may be obtained from the postmaster at Moncure. The compensation for the postmaster at that office last year was \$621.

Dr. S. RAPPORT of Durham, will be at Pittsboro, at Dr. Farthing's Office, Tuesday May 9th, for the purpose of examining eyes and fitting glasses. Remember that you pay nothing for the examination of your eyes in buying glasses of me and I furnish only the best quality at a moderate price. Adv.

At the Democratic state convention, held last Thursday at Raleigh, there were quite a number of delegates from this county. The following appointments were for them: R. H. Hayes on the state executive committee, W. D. Siler on the committee on platform, James L. Griffin on the congressional district committee and H. A. London on the judicial district committee.

Messrs. T. A. Ausley, J. E. Moore, G. M. Womble, E. E. Wilson and John Williams have been appointed road commissioners for Cape Fear township to have charge of the work on the permanent improvement of the roads of the township. It will be remembered that at the election last month that township voted for an issue of \$50,000 worth of bonds for good roads. This work will improve the road from the Wake county line to Haw river, about seven miles and thereby fill the gap in the road from Raleigh to Sanford.

At the recent election held in Bethel school district, New Hope township, on the question of levying a special school tax the vote was a tie. There were only 24 registered voters and every one of them voted, 12 for and 12 against the proposed tax. As the law requires a majority of the registered voters for the tax it was defeated. This election shows the importance of one vote, for if one more vote had been in favor of the tax it would have been carried.

We have received a neatly printed invitation to attend the closing exercises of the Mann-ale Institute, which will be held on the 12th, 13th and 14th of this month. On the night of the 12th there will be a musical recital, and next day will be delivered the literary address by Dr. John Jeter Hurt, of Durham. On the same day also the graduating class will deliver their orations, and there will be other exercises. On the 14th Rev. Martin W. Buck, of Burlington, will preach the annual sermon.

Personal Mention.

Mrs. John H. Anderson spent the past week with Mrs. H. M. London at Raleigh.

Bishop Cheshire held services in the Episcopal church at this place last Sunday and confirmed one person.

Mrs. James H. Gordon will entertain the "Thursday afternoon" club tomorrow (Thursday) afternoon at 3:30 o'clock.

Cards have been received here announcing the marriage on the 20th of last month of our former townsman, Mr. George T. Chapin and Miss Mae Virginia Adams, of Jacksonville, Florida.

The Winnie Davis Chapter of the Daughters of the Confederacy will meet with Mrs. R. H. Hayes next Friday afternoon at 4 o'clock.

Old Medical Case.

A very old pocket medical case was found last week in the loft of the old building that was torn down to make room for the erection of the new brick building by the Union Supply Company. The leather was rotten and the case had fallen to pieces, but there were quite a number of small vials filled with calomel and other medicines that seem to be well preserved.

In the case was a plainly written prescription by Dr. Charles E. Johnson, of Raleigh, who died many years ago. There was no mark or other indication to show who was the owner of the old case, and it is strange how it could have been put and left in the place where it was found.

A Goodly Devise.

The will of Mr. W. A. Foushee was admitted to probate here last week, and in it he devised all his real estate to his wife for her life and then to the trustees of Meredith College at Raleigh. This property is said to be worth at least \$15,000, and is one of the largest charitable or religious devises or bequests ever made by any person in this county.

Mr. Foushee died on the 18th of last month, leaving a widow but no children, and his property is given to help educate the daughters of others. He had been a member of Mount Gilead Baptist church many years, and he leaves not only a good name by which to be remembered but also a gift that should cause his name to be held in grateful remembrance by all the friends of Meredith College.

Primary Election.

The county board of elections has appointed the following registrars for the primary election, which will be held on the 3rd of June, and for the general election which will be held on the 7th of November:

Albright—W. E. Johnson. Buckhorne—C. S. Harrington. Siler City—J. S. Wrenn. Mt. Vernon Springs—J. M. Foust.

Hadley—A. F. Whitaker. Richmond—G. B. Emerson. Oakland—Colon Pattishall. New Hope—O. M. Poe. Hickory Mt.—J. B. Burke. Baldwin—K. H. Hackney. Bear Creek—D. H. Ellis. Center—W. L. Johnson. Haw River—T. J. Womble. Gulf—D. E. Murchison. Merry Oaks—W. C. Stone. Williams—J. J. Bryant.

At the primary election, which will be the first ever held in this county, the registered voters of either party can vote for any one of the candidates of their respective parties. Persons already registered need not register again, but persons not registered must register in order to vote at the primary. Books of registration were opened on the 27th of last month and will close at sunset on the 20th of this month. Bear in mind that this primary is for both parties at the same time.

Teachers Elected.

The school committee of this school district (No. 6 in Centre township) held a meeting last Friday and re-elected all the old teachers. We do not wish to be misunderstood as meaning that those teachers are old, for no such thing, as they are all young and marriageable. We simply mean that the present incumbents were re-elected. They are: Mr. Earle R. Franklin, principal; Miss Margaret Gulley, assistant principal; Miss Nellie Pilkington and Miss Mary Utley, teachers in the higher grades, and Mrs. Mary A. Barber, teacher in the lower grades. Any school is fortunate in having such efficient teachers.

The committee also re-elected the teachers in the colored school, and they are Tamar Crump, principal, and Rebecca Womack, assistant. Their re-election indicates their efficiency.

Republican Convention.

A call has been issued by Dr. H. T. Chapin, as chairman of the Republican county executive committee, for a county convention to be held here on the 11th of this month. As stated in the official call the object of the meeting is "to select candidates for the legislative and county officers to be voted for at the legalized primary."

This action justifies the assertion made last week by the Record that "the Democrats believe in letting the people rule, and the Republicans seem to believe in letting the bosses rule." The Republican leaders will caucus here on the 11th and dictate to the masses of their party the candidates for whom they must vote at the primary on the 3rd of June, and thus the primary will be a farce as to them. The Republican voters will be allowed by their leaders to vote at the primary but they will have to vote for the men selected by them. There will be no choice about it, and yet the Republican leaders prate a good deal about letting the people rule!

School Commencement.

The closing exercises of the Pittsboro high school and graded school began last Friday night and ended last night, and all were attended by large crowds. On Friday night the younger pupils had their exercises which were much enjoyed, especially by the proud parents of the young "hopefuls."

On Monday night was held the annual declamation and recitation contests given by the two literary societies. There was much interest taken in these two contests and all competitors did well. The gold medal for the best declaimer was awarded to Mr. Raymond Knight and the gold medal for the best recitation was awarded to Miss Katherine Eubanks.

Last night the annual literary address was delivered by Hon. T. W. Bickett, which was a rare treat to all who were so fortunate as to be present. We will not attempt even a synopsis of this admirable address, in which the distinguished speaker fully sustained his reputation as one of the most entertaining and eloquent orators in this state.

After the address of Mr. Bickett diplomas were presented to the graduating class, consisting of Lucy London Anderson, Catherine Eubanks, Mary Bland, Henry Clegg, Obie Harmon and Carl Neal. Lucy London Anderson was awarded the gold medal, given by Prof. Franklin, for the highest scholarship, Will London and Mary Bland were mentioned as receiving the next highest marks.

To The Editor of the Record.

So far I have seen no names mentioned for County Commissioners for the coming primary election and I am suggesting to the voters the name of Robert Moore of Bynum. Mr. Moore is a successful business man and whoever succeeds with his own business is a good man to trust with the affairs of the County. I just want to suggest his name as I think he will make a good Commissioner. Baldwin Township thinks she is entitled to a Commissioner and the name of Robert Moore will suit us and I believe will suit the whole County.

Respectfully, J. G. HAMLET.

To The Democrats of Chatham; I hereby announce myself as a candidate for the Democratic nomination for the office of register of deeds of Chatham county, and will be grateful for all votes given for me at the primary on the 3rd of June. May 1st, 1916. B. A. PHILIPS.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Those suffering from neuralgia or neuralgic headache will find one or two applications of Sloan's Liniment will give grateful relief.
