

# AFTER SIX YEARS OF SUFFERING

## Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 175 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."—Mrs. J. S. BARLOW, 1624 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.

### Expensive Treatment.

"Did the doctor give you any encouragement?"

"Oh, yes. He said he would have me feeling like a prize fighter in a few weeks."

"I wouldn't be at all surprised if he did so."

"No?"

"Most of the prize fighters nowadays seem to be desperately hard up."

It sometimes happens that while a man is watching his enemies, his friends get the best of him.

## TO KEEP HER FROM FALLING

Would Have to Catch Hold of Things. Lost Strength and Flesh. Doctor Recommended Cardui. Results Gratifying.

Brookhaven, Miss.—"I am in fine health now," writes Mrs. H. M. Russell, of R. F. D. 5, of this place, "and have been for some time. I owe this good health to Cardui. I am certain I think I would have been dead before this if I had not taken that medicine. I was down in bed five months last summer. I had chronic inflammation... so the doctor said... I suffered untold misery, mostly in my right side but both sides hurt me—aching constantly. I got to the place where I couldn't even eat without severe pain. I had much headache and would often be quite blind from dizziness. I would have to catch hold of things to keep from falling. I lost all my strength and flesh. I became so poor that I was just bones covered with skin."

"The doctor, on his visit told me to get Cardui and go to taking it. I took eight bottles in 3 months in just a few days after starting with it, I began to improve and kept on until I got completely well. Today I am in really good health. I can do anything in the world in the shape of work. I am sure that I owe this all to Cardui. I would like to tell all women so."

Try Cardui for your troubles. For sale by all druggists.

## BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sour and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin drinking phosphated hot water. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with boly impurities, get from your druggist or storekeeper a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish tinge which is not unpleasant. Just as soap and hot water act on the skin, cleansing, softening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.—Adv.

## CONNECTING LINK WILL BE BUILT

SURVEY TO BE MADE SOON OF CHARLOTTE-PINEHURST-RALEIGH HIGHWAY.

## COUNTIES PROMISE SUPPORT

Moore, Montgomery, Stanly, Cabarrus and Mecklenburg Will Co-operate in the Building.

Albemarle.—The Charlotte-Pinehurst-Raleigh Highway Association is getting under way definite steps for the surveying and construction of the connecting link of the Mountain To-Sea Highway, which connecting link passes through the counties of Moore, Montgomery, Stanly, Cabarrus and Mecklenburg. The county authorities in all the above counties have promised their support and co-operation to the building of this highway. Resolutions are now on file with the State Highway Commission by which the authorities in these counties have obligated to give their support and co-operation to this movement. Dr. J. Hyde Pratt, state geologist, has seen in this cross country highway a meritorious proposition and is giving it his hearty support. Report comes now that the survey of this highway will begin early this month, and it is hoped that early in the summer actual construction can begin.

The Yadkin river and the mountainous and hilly section through which the Yadkin flows has formed a natural barrier to travel from east to west in the southern part of the state. With the building of the Charlotte-Pinehurst-Raleigh Highway this barrier will be removed, the Capital to Capital Highway will be connected with the National Highway and a thorough line of travel will be effected from Wilmington to Asheville. Many who have studied the road problems in North Carolina look on this connecting link as one of the most important in the state. Towns along this connecting link, that is Troy, Mt. Glead, Albemarle, Mt. Pleasant and Concord, as well as Charlotte and Pinehurst are deeply interested in the proposition and will lend every effort to the ultimate completion of this highway. Mr. W. L. Spoon, Sr., U. S. Highway Engineer, has said that by all means this road should be built as it is one of the most important connecting links of roads in North Carolina. The survey is to begin in May and soon thereafter actual construction will start and without much further delay it seems now that the road will be a reality.

## Memorial For Ney McNeely.

Monroe.—A memorial is on foot here to build a monument for Ney McNeely in the shape of a public library. The movement has met yet attained definite shape, but the Woman's Club is back of it, which insures the citizens of Monroe and surrounding community that an attempt will at least be made towards the realization of the project.

Ney McNeely lost his life on the steamer Persia, which was torpedoed in the Mediterranean Sea, January 1, while he was on his way to Aden to assume the duties of United States Consul there. He was one of the county's youngest citizens, and during his stay here, was twice elected to the legislature, and at one time represented Union, Anson and Stanly counties in the state senate.

## Charred Body of Printer Found.

Winston-Salem.—The charred body of L. E. Mitchell, the High Point printer, who lost his life in the disastrous fire which destroyed the Neil Hotel, Hutchens Drug Store, Auditorium and other property, was found buried under the debris directly underneath the room in which he slept by workmen engaged in digging into the ruins.

Mr. Mitchell, who leaves a widow and three children, came here about a week ago and was employed by the Winston Printing Company.

## Experiments Teach Things of Value.

Where one has never made the experiment of leaving off coffee and drinking Postum, it is still easy to learn something about it by reading the experiences of others.

Drinking Postum is a pleasant way out of coffee troubles. A Penn. man says:

"My wife was a victim of nervousness, weak stomach and loss of appetite for years; and although we resorted to numerous methods for relief, one of which was a change from coffee to tea, it was all to no purpose. "We knew coffee was causing the trouble but could not find anything to take its place until we tried Postum. Within two weeks after she quit coffee and began using Postum almost all of her troubles had disappeared as if by magic. It was truly wonderful. Her nervousness was gone, stomach trouble relieved, appetite improved and, above all, a night's rest was complete and refreshing.

"This sounds like an exaggeration, as it all happened so quickly. Each day there was improvement, for the Postum was undoubtedly strengthening her. Every particle of this good work is due to drinking Postum in place of coffee." Name given by Postum Co., Battle Creek, Mich.

Postum comes in two forms: Postum Cereal—the original form—must be well boiled, 15c and 25c pkgs. Instant Postum—a soluble powder—dissolves quickly in a cup of hot water, and with cream and sugar, makes a delicious beverage instantly. 30c and 50c tins.

Both forms are equally delicious and cost about the same per cup. "There's a Reason" for Postum.

Contract For 300 Dwellings. Albemarle.—It is reported here that the Aluminum Company of America has let the contract for the immediate erection of 300 dwellings at Baden. This, with the houses now finished should make Baden a town of 4,000 to 5,000 people, to say nothing of the colored and foreign labor already there.

# TAKES THE PLACE OF DANGEROUS CALOMEL

## New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Grip, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.—Adv.

Called Quits.  
Little Maudie would tell "whoppers." One day her aunt thought she ought to be cured of this habit, so she spoke seriously to the little maid, who promised to mend her ways.

To point the moral, auntie told the tale of the shepherd boy who was always calling "Wolf!" until no one could believe him. Then one day the wolf really came and ate up the sheep. "All the sheep?" interrupted Maudie. "Yes, every one of them," replied auntie decidedly.

"Every single one?"  
Auntie nodded.

"Well," said Maudie slowly, "I don't believe you, and you don't believe me. So there!"—Philadelphia Inquirer.

Wedded to the Game.  
Preston was the scene, and the event in progress was a wedding. The "speaking parts" in the ceremony had all been played, and now bride and bridegroom and their friends were in the vestry putting the matter into writing. But the clergyman was not youthful, nor was he swift. Time passed, and the bridegroom became more and more fidgety.

"You seem in a great hurry," remarked the officiating cleric, at last. "Have you a train to catch?"

The happy man stood stock still, and scratched his head in perplexity.

"Well, sir," he replied, good-naturedly, "it ain't a train, sir, but I don't want to be late for 'r' football match."

They Say Internal Dosing Harms Delicate Little Stomachs—"Outside" Applications Better.

Careful mothers everywhere realize that internal medicines are injurious to the delicate stomachs of the little folks. Still croup and cold troubles must have some form of treatment. The answer to this problem is the Southern "external" treatment Vap-O-Rub. This was introduced in St. Jo, Mo., for the first time last winter, and a number of ladies were presented with complimentary jars by their druggists on condition that they give Vap-O-Rub a thorough test. Here are the reports from several of these ladies—

Mrs. Sam House, 1206 Prospect Ave., writes—"My little daughter had Diphtheria last fall, and now every little cold she takes settles in her throat. We have thought twice she was going to have Diphtheria again, but during one of her bad spells my druggist sent me a jar of Vap-O-Rub. I used it for four nights on her throat with such good results that now I don't like to be without it. I have used it on myself and my husband for bad colds and have found it just fine."

Hint for Nurse.  
Mrs. Simpson had taken her little daughter out to tea at a friend's house, and all went well till the close of the meal.

Then she was horrified to see little Elsie trying to smuggle a slice of thin bread and butter into her pocket.

"Oh, Elsie, what are you doing?" she asked in a surprised tone.

"That's all right, mother," her small daughter reassured her. "I just thought I'd take a piece back to nurse as a pattern!"
