Nearly every day there are many automobiles from other towns and states passing through this place. Our town seems to be on a much traveled highway and may become widely advertised. Shall that advertising be helpful or harmful?

On last Friday Mr. E. H. Petty was painfully bruised by the upsetting of his automobile, between Sanford and Lockville. In last week's Record was published the burning of his saw mill, five miles east of this place, so that he seems to be doubly unfortunate.

Saw mills wanted: We want to contract with two or three good saw mills to saw several hundred thousand feet of pine timber three or four miles north of Bynum; fine logging; state when could begin; address Asheboro Wheelbarrow Co., Asheboro, N. C. adv

On last Saturday night Rev. R. L. Davis, state superintendent of the Anti-Saloon League, gave a stereopticon exhibition in the court room at this place, and also delivered a lecture on prohibition. Both the lecture and pictures were much enjoyed by a large audience.

A new side track, eight car lengths, has been constructed at the railroad yards at this place. It is near the section master's house and on the west side of the main line. It was necessary because of the great quantity of crossties and lumber that had crowded the yard at the depot.

We are pleased to note the very complimentary resolutions adopted by the lawyers of Pitt county in honor of Judge Thomas H. Calvert, who then and there held the first court since his recent appointment. This is very gratifying to his old friends at this place where he resided several years.

The singing class of the Oxford orphanage will give a concert at this place on the night of Thursday, the 13th of this month. All the visits of these orphans to this place are much enjoyed, and their concerts are well worth the price of admission. It is to be hoped that a large audience will hear them.

'Big meeting' started at Mt. Sinai colored Methodist church here last Sunday. It is estimated that there were between 1000 and 1200 people in attendance. Nearly every family brought a big box or basket of provisions with them and, besides praying and singing, it was an eat-fest day with them.

On last Friday night a colored man, named Charles Thompson, who had been employed as a plasterer at the new hotel here, created such a disturbance at a colored church that a warrant was issued for his arrest next day. When the officer went to arrest him he gave him a lively chase and did not stop until he was twice shot at.

It is requested that there be a full attendance at the meeting of the Red Cross on Thursday at 9:30 o'clock, and that each member bring her comfort bags.

The colored teachers' summer school of this county, which began on Monday of last week, will close next Friday. There are nearly 50 teachers in attendance and the institute is conducted by Rev. J. C. Stanton.

Personal Mention.

Mrs. Thomas A. Hall, of Macon, Ga., is expected tomorrow on a visit to her aunt, Mrs. G. P. Alston.

Mr. Arthur H. London is in the northern markets buying fall and winter goods for W. L. London & Son.

Miss Camelia London returned yesterday from a visit to Asheville and other points in Western North Carolina.

To the regret of her many friends, Miss Fannie Thompson leaves today for Morganton after spending several weeks here where she was born and reared.

Still Captured.

At daydawn last Friday morning a blockade still was captured by Deputy Sheriff S. G. Gunter and Messrs. Raymond Knight, Ralph Knight and Ralph Johnson, about two miles west of Emmaus church. At the same time they captured, after a desperate fight, a colored man, named Ed Alston. The still was a comparatively new copper still of about 55-gallon capacity, and had not been run in its present location, but everything was in readiness. The officer and his party left here about midnight and when in about two miles of the still they left their automobile, and in the darkness cautiously proceeded on foot through fields and forests to the place where the still was supposed to be, arriving there about an hour before day. As no one was found at the still, the officers hid themselves nearby in different places, and about daydawn a wagon was driven to within about two hundred yards of the still and there unloaded. A white man was seen to approach the still as if preparing to go to work, and just then another white man and a negro in going to the still walked up to two of the officers in hiding and then ensued a lively chase. The negro was soon caught, but the white man with him reached the wagon and hastily drove off. The negro fought so desperately that it required the united efforts of all four officers to subdue him, and he did not submit until after he had been knocked down and handcuffed. After his arrest a large and dangerous looking nine-inch knife was taken from his pocket. He not only fought with his hands and feet, but with his teeth. While the officers were subduing him, the other two blockaders got away. We will not here publish their names.

The captured negro and still were brought to Pittsboro jail, and the same day the negro was bailed out under a \$500 dollar bond, signed by Carey Johnson and Elmer Perry.

While the officers were arresting the negro one of the white men drove the wagon away at a runaway gait leaving behind on the ground the load of meal consisting of about 12 to 14 bushels, all of which was destroyed by the officers as they had no way of removing it. They also destroyed between 1500 and 2,000 gallons of beer at the still.

When will our Chatham blockaders learn that they cannot pursue their illicit business without molestation. The good people of this county and our officers are determined to capture every blockade still as fast as it is put into position.

A Heavenly Phenomena. On last Saturday morning some of our citizens were much alarmed by the strange appearance of the heavens. Although a very cloudy morning yet there was a strange and unusual light or glow in the skies. It was a yellow canary color or, as one of our colored townsmen said, like the yellow of an egg with meal mixed in it. It occurred between 5 and 6 o'clock and extended all over the heavens above and all around the horizon.

So alarmed was one of our good housewives at this strange phenomena that she thought judgment day had come and stopped cooking breakfast. Those who saw it declare it was not the reflection of the rising sun. If not, what caused it? It was entirely gone by 6:15 o'clock.

In Monday night's air raid 107 persons were killed and eighty-six wounded at Chatham, England, it is announced officially. The victims were naval ratings. Six airplanes took part in the raid. In addition to the naval casualties one civilian was killed and six were injured.

Twenty shoe factories at Lynn, Mass., which were closed down last April, were reopened last Monday.

CHATHAM'S HONOR ROLL

THE FIRST TO GO.

Ten men will go from here next Friday (the 7th) to the training camp at Columbia, S. C., as the first squad from this county under the recent draft act of Congress. These ten men are five per cent of the number required from Chatham, and the remainder will go in detachments.

Every squad will be in charge of one of their number, who will be appointed by the examining board. Mr. D. B. Noe has been appointed the leader to take charge of the squad of ten who will leave here Friday.

The following is a list of the names: Noe, D. B. Pittsboro; Goldston, W. L. Jr. Goldston; Goldston, C. J. Goldston; Goldston, Tom W. Goldston; Buckner, Grover C. According to Norwegian advices, 21 Norwegian merchant ships with an aggregate tonnage of more than 41,000 were lost in August. Twenty-three seamen were killed and five are missing.

School Opening.

Last Monday morning the formal opening of the Pittsboro graded school was held with appropriate exercises. A much larger number of students attended than ever before known here. Quite a number of the friends of the school showed their interest by attending, and short speeches were made by Messrs. F. M. Williamson, R. H. Hayes, James L. Griffin, H. A. London, J. C. Luther, W. B. Harden, Earl R. Franklin and Walter Hawkins.

This auspicious opening of the school is very encouraging to all its friends.

By unanimous vote the following resolution was adopted: To the former pupils of Pittsboro high school who are now in the army of the United States:

We, the teachers and pupils of Pittsboro high school send to you, its former pupils, our heartfelt greetings for the noble part you are now playing in the defense of our great republic. The school is proud of the fact that its sons have answered the call of its country. We realize that the lives of a hundred million people and the entire property of over two hundred and fifty billion dollars are in your hands and in the hands of your noble comrades; that the honor of our country will be preserved by such brave young men as you. On you has fallen the part of a brave man and we feel sure that that part will be heroically performed. We feel sure that you will conduct yourself in this great struggle for right against wrong, for justice against injustice, for liberty against oppression, in such a manner that future generations will look back to you as the heroes of a noble struggle. (signed)

PITTSBORO HIGH SCHOOL. To Lieutenant Commander J. J. London, Lieutenant Bennet Noe, Jesse Milliken, Louis Noe, D. B. Noe, Obie Harmon, Radcliffe Launis, Jack Launis, Walter Johnson, Roland Atwater, Wilbur Lutterloh, Clyde Burns.

School News.

The Pittsboro public high school opened Monday, Sept. 3d, with 122 students, 36 of which are in the high school.

The opening exercises were, in many respects, the most interesting and auspicious we have ever had. There were addresses by our county superintendent, members of the county board of education and by representatives from the town, which were inspiring and appropriate.

One of the features of the beginning of school was the greetings sent from teachers and pupils to all former students who are now serving in the army of the United States.

Much needed work has been done in and around the school building in preparation for opening of school. The building is in a beautifully clean and sanitary condition, and it is hoped that both teachers and pupils will take great pride in keeping it thus.

We want to emphasize the fact that our school is always glad to have visitors. Last year quite a number of the patrons visited the school and we hope that this year many more will avail themselves of this opportunity of keeping in closer touch with the school and of encouraging both teachers and pupils.

Littleton College.

The 36th annual session of Littleton college will begin on Wednesday, September 26th. We have an ideal plan by which pupils may live at their own charge in our main dormitory building, thus saving about \$75 during the scholastic year. For further information address J. M. Rhodes, Lake Junaluska, N. C., till September 5th, and after that Littleton, N. C. adv

It is announced that a number of British army officers will soon be attached to the American expeditionary force to assist in training the Americans who will thus get the advantage of the best points of both the French and British tactics.

Thirty-odd Seaboard clerks, among them five women, went out on a strike at Raleigh, yesterday, they demanding an increase in pay of 20 percent in their salary.

A regiment of 2,400 negro stevedores is wanted by the government to handle war supplies for the American expeditionary forces in Europe.

Austrian losses in the fighting on the road to Trieste are 125,000 men and 1,200 officers, according to late dispatches.
