Washington.

Advices received in Washington from Vladivostok say that General Horvak has failed completely in his attempt to establish a dictatorship in Siberia.

Selection of a date in the near future for the registration of the 18 to 45 year old men is now under consideration by the provost marshal general, and the prospective dates are September 10, 11 and 12.

Summarizing the military activities on the western front, General March says the British have carried the allied lines between the Scarpe and the Somme over the hilly plains east of Albert against determined resistance on the part of the enemy. The reported advance of the Aus-

trians in Albania, resulting in the withdrawal of the Italian front east of Berat is confirmed.

"We believe in the speedy convalescence of our country; we believe in the friendship and consequently in the final victory over the enemy. The latest French official communication records the capture by the French of Chavigny, three miles to the northwest of Chuffies, a mile and a half north of Soissons, and the entry into the outskirts of Croup, a short distance northeast.

The French have crossed the Ailette river at Chaps-des-Dames.

The French have crossed the Canal du Nord at several places in the region north of Noyon, and have advanced materially in the direction of Noyon-Ham railroad.

A royal decree has been issued calling to the colors recruits of the classes of 1900, 1901 and 1902 in Greece and Macedonia.

The Americans are fighting with the French northwest of Soissons in the operation which has in view the blotting out of the Noyon sector and the outflanking of the Aisne and the old Chemin-des-Dames positions.

Official reports say that the French and Americans are fighting violently with the enemy around Juvigny and Chavigny.

In a swift advance in one day, covering more than six miles at certain points, the French troops south of the Somme recaptured forty villages.

Hard fighting has been in progress between the British and Germans around Peronne, where the Australians successfully withstood violent attacks and have taken several thousand prisoners.

These gains, if they are continued, seemingly cannot but result shortly in the enemy withdrawing northward from the Vesle river positions he holds adn reconstituting his entire front to Rheims.

GREAT REVENUE BILL NOW READY FOR CONSIDERATION

Washington.-The new revenue bill greatest of all tax measures in the history of the nation-with a levy affecting every individual and business concern in the country, was approved unanimously by the house ways and means committee. Chairman Kitchin introduced the measure in the house. Leaders hope to send it to the senate within 10 days after debate begins.

The final committee estimate of the new classes is exhausted. revenue to be yielded under the new bill is \$8,012,792,000, as against \$3,-941,633,000 last year under the present law. The largest source of estimated revenue is from taxes on excess war profits, \$3,100,000,000, and the next is from taxes on incomes-\$1,-482,186,000 from individuals and \$828,-000,000 from corporations.

BIG SHIPBUILDING PLANT TO BE ESTABLISHED AT NEW BERN

Washington.-New Bern has been slected as the site of a big shipbuilding plant. Several million dollars will be spent there. The West Coast Shipbuilding Company ,of Everett, Washington, which has several large plants on the Atlantic and Pacific coasts, will build the yard. Harry B. Spear, the Washington representative, will reach New Bern next week to begin preparations. Five hundred to one thousand men will be employed at the outset in construction of the yard. In reality it will be two plants, as both wooden and concrete ships are

to be built. The emergency fleet corporation, through General Manager Piez, approved the site, which was really selected by the war department, since the vessels to be built are for that department.
