No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS chill TONIC given regularly
for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then
throw off or dispoil the worms, and the Child will be
in perfect health. Pleasant to take. See per bottle.

What Is the Cause of

Backache?

BY DOCTOR CORNELL

Backache is perhaps the most common ailment from which women suffer. Rarely do you find anybody free from it. Sometimes the cause is obscure, but Dr. Pierce, of Buffalo, N. Y., a high medical authority, says the cause is very often a form of catarrh that settles in the delicate membranes of the feminine organs. When these organs are inflamed, the first symptom is backache, accompanied by bearing down sensations, weakness, unhealthy discharges, irregularity, painful periods, irritation, headache and a general run-down condition. Anv woman in this condition is to be pitied, but pity does not cure. The trouble calls for Dr. Pierce's Favorite Prescription, which is a separate and

been intended by Nature for that very purpose. Thousands of girls and women, young and old, have taken it, and thousands have written grateful letters to Dr. Pierce saying it made them well. In taking Favorite Prescription, it is reassuring to know that it goes straight to the cause of the trouble. There is but one way to overcome sickness, and that is to overcome the cause. That is precisely what Favor-ite Prescription is intended to do. Send 10c for trial pkg. of Tablets. Address Invalids' Hotel, Buffalo, N. Y. "CALIFORNIA SYRUP OF FIGS" CAN'T HARM TENDER STOM-

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish, or breath is bad, stomach sour, look at the tongue, Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When the little system is full of cold, throat sore, has stomach-ache, diarrhœa, indigestion, colic-remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child to-morrow. > SAGE AND SULPHUR DARKENS GRAY HAIR

> It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.

> Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost,

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, glossy and attractive.-Adv.

"Four years ago I had a severe attack of La-Grippe After my sickness I was troubled with hoarseness and slime in the head and throat, and was told I had Catarrh. I took some medicine but without much benefit. Every winter for four years, I have had LaGrippe (last winter three times).

The Catarrh grew worse, I could not lie down or sleep at night. Was always troubled with slime, pain in my back and a terrible headache every morning, when I woke up, and had no blood.

I got a Peruna calendar in Danish, my native language, and I read it through, every testimony, and then I bought a bottle of Peruna. To-day I can truthfully testify that Peruna has been a great benefit to me. It has given me blood and strength. I can lie down and aleep without being troubled. I have no pain, headache, or noise in my head. I have gained in weight three pounds, which I think is good for my age. I will be sixty-nine years old next summer.
