## Effect Important Results

Certain Amendments Have Been Agreed Upon That Are Designed to Meet Criticism at Home.

Paris—Persistent efforts, principally by the American delegates, but seconded for the most part by the British and Italians, to speed up the work of the various councils and commissions preparing the details of the peace treaty, resulted in better progress during the closing days of the past week. The most important results will be attained during the present week as predicted by those who are in a position to speak, including the disposition of the Monroe doctrine and reparations, the two subjects which have been the main obstacles to the completion of the treaty.

## STUBBORNLY UNREPENANT

Movement for the Establishment of a Rhineland Republic Has Lost All Force; Trouble is Brewing.

Coblenz.—The slowness of the peace conference in Paris in reaching a decision on the terms of peace with Germany is having a marked effect on the attitude of the population in the occupied area. Whereas, late last January, when the elections for the assembly were the people of Coblenz and throughout the American zone were almost reconciled to the formation of a buffer state on the west bank of Rhine and willing to accept any terms indicated by the allies, so long as they could get peace and food, yet the situation now is entirely different.

## JUDSON JONES IS SEVERELY INJURED

AUTO RUNS OFF TWENTY FOOT EMBANKMENT WITH FATAL RESULT TO CHAUFFEUR.

## MENINGITIS SERUM WANTED

Another White Nurse Added to Those Now in Service of Charlotte Health Department.

Charlotte.—Judson J. Jones, a well-known traveling salesman, was brought to his home here suffering from severe injuries sustained near Cliffside when his automobile, driven by a negro chauffeur, went off a 20-foot embankment. The negro was killed in the accident. Mr. Jones sustained two broken ribs and was badly bruised, but his injuries are not considered serious.

Discovered by a passing motorist, Mr. Jones was taken to Cliffside, where he received medical attention. Information was received at the office of the Charlotte health department to the effect that four cases of spinal meningitis have been diagnosed at Forest City, Dr. A. M. Crouch, State epidemiologist, has gone there from Raleigh to assist local physicians and serum, used for injection, has been furnished Forest City health officials by Dr. C. Hudson, local health officer. Dr. H. P. Barrett, bacteriologist of the city health department, tested fluid sent from Forest City yesterday and found positive cases of spinal meningitis.

Miss Edna Hill, late of the Brenner hospital, has been added to the staff of nurses of the city health department, making six white nurses now assigned to the department. Dr. C. Hudson, health officer, said that the plans are practically complete for the employment of two negro nurses. With one more nurse for assignment to work with Miss Mary Corbin, school nurse, the staff of the health department will be complete. Dr. Hudson said:

Dr. H. L. McCrorrey, president of the negro chamber of commerce, informed the health officer that the organization intends to pay part of the salary of the two negro nurses, and a white organization some time ago agreed to pay the other part. The need for two negro nurses is urgent. Dr. Hudson said, it is hoped that they can be engaged by April 1.

## SIXTY-GALLON STILL SEIZED
