A clause has been drafted for insertion in the peace treaty flxing the date for the transition to a state of peace sixty days after the signing of the treaty. If the treaty is signed shout May 15 peace will thus become effective throughout the entire world on July 15. The purpose of this provision is to prevent confusion among the more than twenty belligerent nations, which might fix different dates In their various ratifications. According to the present plan each nation will ratify the treaty according to its own laws, but all will unite in a common date which will become a univer-
